Holloway's Pills.

THE KARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COM-

PLAINT.

Extract of a Letter from the Earl of Alborough dated Villa Messina, Leghorn, Feb. 21, 1845

To Professor Holloway.

Sit,—Various circumstances prevented the possibility of my thanking you before this time for your politicness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the continent, had not been home, and all over the continent, had not been able to effect; nay! not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Point of the Ointment, in case anyof my family should ever require either.

Your most obliged and obedient servant,

(Signed)

ALDBOROUGH.

Copy of a Letter from Mr Thomas Taylor, Chemist, Stockton, Durham, 17th April, 1845.

To Professor Holloway.

Sir.—I think it my duty to inform you that Mrs Clough, wife of Mr John Clough, a respectable farmer of Acklam, within four miles of this place, had been suffering from Dropsy for five years, and had had the best medical advice without receiving any relief. Hearing of your Pills and Ointment, she used the swith such surprising benefit, that, in fact she has now given them up, being so well and quite able to attend to her household duties as formerly, which she never expected to do again. I had almost forgotten to state that she was given up by the Faculty as incurable. When she used to get up in the morning it was impossible to discover a feature in her face, being to each a featful state. This cure is entirely by the use of your medicines.

I am, Sir, yours, &c. &c., (Signed) THOMAS TAYLOR.
