

THE EARL OF ALDBOROUGH

CURED BY

Holloway's Pills.

THE EARL OF ALDBOROUGH
OF A LIVER AND STOMACH COM-
PLAINT.Extract of a Letter from the Earl of Alborough
dated Villa Messina, Leghorn, Feb. 21, 1845
To Professor Holloway.

Sir,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the continent, had not been able to effect; nay! not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Point of the Ointment, in case any of my family should ever require either.

Your most obliged and obedient servant,
(Signed) ALDBOROUGH.
A WONDERFUL CURE OF DROPSY OF
FIVE YEARS' STANDING.

Copy of a Letter from Mr Thomas Taylor,
Chemist, Stockton, Durham, 17th April, 1845.
To Professor Holloway.

Sir,—I think it my duty to inform you that Mrs Clough, wife of Mr John Clough, a respectable farmer of Acklam, within four miles of this place, had been suffering from Dropsy for five years, and had had the best medical advice without receiving any relief. Hearing of your Pills and Ointment, she used them with such surprising benefit, that, in fact she has now given them up, being so well and quite able to attend to her household duties as formerly, which she never expected to do again. I had almost forgotten to state that she was given up by the Faculty as incurable. When she used to get up in the morning it was impossible to discover a feature in her face, being in such a fearful state. This cure is entirely by the use of your medicines.

I am, Sir, yours, &c. &c.
(Signed) THOMAS TAYLOR.
ACURE OF INDIGESTION AND CON-
STIPATION OF THE BOWELS.

Copy of a Letter from G. R. Wythen Baxter,
Esq., Author of the "Book of the Bastiles,"
&c. &c.The Bryn, near Newtown, Montgomeryshire,
North Wales, March 3rd, 1845.
To Professor Holloway.

Sir,—I consider it my duty to inform you that your Pills, a few boxes of which I purchased at Mr Moore's, Druggist, of Newtown, have cured me of constant indigestion and constipation of the bowels, which application to literary pursuits had long entailed upon me. I should strongly recommend Authors, and studiously-disposed persons generally, to use your valuable Pills. You have my permission to publish this note, if you wish to do so.

I am, Sir, your most obedient servant,
(Signed) G. R. WYTHEN BAXTER.

Society's rates of Premium, mode of Insurance,

The importance of Life Assurance, whereby

a man may, by a small saving from his annual

income, provide for his family at his decease,

cannot be doubted. And this society offers to

the public advantages over other similar Insti-

tutions, as in addition to a subscribed capital of

£500,000, sterling, it is formed on the mutual

and joint stock principle.

The premiums may be paid annually, half

yearly, or quarterly, and two thirds of the pre-

mium may be borrowed by the assured. This

system has in many instances afforded effectual

aid to the policy holder, in enabling him to

obtain his policy, and to carry out his original

intention of providing for his family.

News from England.

WILLMER AND SMITH'S EUROPEAN

TIMES.

Which arrives by every steam ship at Halifax

from Liverpool.

Comprises an English Newspaper,—a

Shipping List,—and a General Price

Current.

It is arranged and published

Expressly for Nova Scotia, New Brun-

swick, Newfoundland, Canada, the

United States, &c.

Of this Paper the "Boston Morning Post"

says—"We are greatly indebted to this News-

paper for our Foreign, Miscellaneous, and

Commercial News. One number of Willmer

& Smith's European Times is worth a whole

file of any other English paper."

During the time this Journal has been before

the world, the Proprietors refer, with pleasure,

to the praise which it has elicited from the

press of England, Scotland, Ireland, the United

States, the West Indies, and the encouragement

it has received from the public of Canada and

the United States.

THREE ESSENTIAL FEATURES DISTINGUISH IN

FROM ALL CONTEMPORANEOUS PUBLICATIONS.

FIRST.—It contains a full, correct, and com-

prehensive Shipping List, arranged on a plan

so plain and practicable, that "who runs may

read." Persons interested in the Marine of

British America may turn in an instant to the

information which they seek, with the certainty

relying on its truth. It thus supersedes

shipping Lists, and other expensive publications

from Europe, some of which are six times the

price of Willmer & Smith's European Times.

SECONDLY.—It contains a Price Current of

all the great British and European Markets,

devoted principally to the articles of trade and

commerce, more immediately appertaining to

British America and the United States, and in

which the Merchant, the Trader, and the man

of business must feel an immediate interest.

On the score of correctness, the Tabular Fig-
ures, and the remarks accompanying the variousmarkets, showing their actual condition, may
be relied on, and are, in fact, an authority withthat of the first Houses in the principal cities
in the United States and Canada.

THIRDLY.—As a newspaper, it presents to

the American reader, in a concentrated state,

and where the interest or the importance of the

subject demands it, in the most detailed and

ample form, every topic of political, commer-
cial, domestic, and miscellaneous interestwhich has occurred in Europe or elsewhere,
since the departure of the previous packet—especial regard being paid to whatever is most
connected with, or relates to, the political,
social, and commercial well-being of BritishAmerica and the United States. Willmer &
Smith's European Times, in short, takes aGLANCE at every circumstance in which the
inhabitants of the great Western World can
possibly feel an interest. It puts the Americanreader in possession, the moment it comes to
hand, of whatever has transpired, during the
interval in Europe—personal, political and
commercial.The subscription to this Paper is 16s. per
annum, and may be ordered of JAMES CAIE,
Esquire, Postmaster, Chatham, Miramichi.The best Embellished London Journal is
THE PICTORIAL TIMES.A Highly Entertaining Family News paper,
Published every Saturday, containing, besides30 Beautiful Engravings
On Wood, the Latest Intelligence, and a great
variety of interesting information.The Illustrations of the Pictorial Times are
of the most finished description; the pages
are enclosed in Ornamental Borders; and the
work displays such a variety of elegance, that
it has been universally pronounced one of the
grandest achievements of Pictorial Literature.The Pictorial Times is admirably suited for
a Family Newspaper, as it contains an abun-
dant of entertaining information, in addition
to a most complete Record of Weekly News,
and invariably subjects all articles that bear the
lightest tinge of impropriety.
