

All may be cured, By

Holloway's Ointment!

FIFTY ULCERS CURED IN SIX WEEKS.
Extract of a Letter from John Martin, Esq.,
"Chronicle" Office, Tobago, West Indies—
February 4th, 1845.

To Professor HOLLOWAY.

Sir,—I beg to inform you that the inhabitants of this Island, especially those who cannot afford to employ medical gentlemen, are very anxious of having your astonishing Medicines within their reach, from the immense benefits some of them have derived from their use, as they have been found here, in several cases, to cure Sores and Ulcers of the most malignant and desperate kind. One gentleman in this Island, who had, I believe, about fifty running ulcers about his arms, legs, and body, who had tried all other Medicines before the arrival of yours, but all of which did him no good; but yours cured him in about six weeks, and he is now, by their means alone, quite restored to health and vigour.

PILES, FISTULAS, & BEARINGS-DOWN.
A remarkable Cure by these Pills and Ointment.—A half-pay lieutenant, lately residing at St. Helier's, Jersey, whose name by request is omitted, had for three years suffered from piles and fistula, besides a general bearing down, of the most distressing nature. He had twice undergone an operation, but to no purpose, and at last gave himself up to despair. Yet, notwithstanding this complication of complaints, together with a debilitated constitution, he was completely cured of all his infirmities, and restored to the full enjoyment of health by these justly renowned medicines, when every other means had failed.

Extraordinary Cure in the West Indies, of Leprosy and other direful skin diseases.
Mr LEWIS REEDON, of Georgetown, Demerara, writes under the above date—that Holloway's Pills and Ointment have cured bad legs that no doctor could manage, ulcers and sores that were of the most dreadful description, as likewise leprosy, blotches, scales, and other skin diseases of the most frightful nature, and that the cures effected there by these wonderful medicines are so numerous and extraordinary as to astonish the whole population.

CANCERED BREAST—A WONDERFUL CIRCUMSTANCE.
Copy of a Letter from Richard Bull, Bootmaker, Tatton, near Southampton.

February 9th, 1845.

To Professor HOLLOWAY.

Sir,—The Lord has permitted to be wrought a wonderful cure of Cancers or Abscesses, of 12 years' standing, in my wife's breast. In the latter part of the time, eleven wounds were open at once. The Faculty declared the case as past cure, several pieces of bone had come away, and I expected that my poor wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our utter astonishment, in the space of about three months, healed up the breast as soundly as ever it was in her life. I shall ever remain, your grateful servant.

(Signed) RICHARD BULL.
WHEEZING ON THE CHEST AND SHORTNESS OF BREATH.

Copy of a Letter from Mr Jeremiah Casey, No. 1, Compton-place, Compton-street, Brunswick square, London, April 25th, 1845.

To Professor HOLLOWAY.

Sir,—I beg to inform you that I believe I had been, for more than three years, one of the greatest sufferers in the world with Chronic Asthma. For weeks together my breath was frequently so short that I was afraid every moment of being choked with phlegm. I never went into a bed; very often, indeed, I have been obliged to pass the night without being able to recline sufficiently to lay my head on a table, lest I should be suffocated. No one thought I should live over the winter, nor did I expect it myself; but I am happy to say that I am now able to work from morning till night, and that I sleep as well as ever I did in my life; and this miracle (I may say) was effected by rubbing your invaluable Ointment twice a day into my chest, and taking ten of your Pills at bed time, and ten again in the morning, for about three months.

IN ALL DISEASES of the Skin, Bad Legs, Old Wounds and Ulcers, Bad Breasts, Sore Nipples, Scurvy and Ulcerated Cancers, Tumours, Swellings, Gout, Rheumatism, and Lambago, likewise in cases of Piles; Holloway's Pills, in all the above cases, ought to be used with the Ointment; as by these means cures will be effected with a much greater certainty, and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of Mosquitoes, Sand-flies, Chigger-foot, Yaws, and Coco-bay, and all skin diseases common to the East and West Indies, and other tropical climates. Burns, Scalds, Chilblains, Chapped Hands and Lips, also Bunions and soft Corns will be immediately cured by the use of this Ointment.

Sold by the Proprietor, 244, Strand, (near Temple Bar,) London, and by Mr JOHN FRASER, Chatham; and Mr M. M. SARGEANT, Newcastle, in Pots and Boxes, at 1s 9d., 4s 6d., and 7s. There is a very considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients are affixed to each pot and box.

The importance of Life Assurance, whereby a man may, by a small saving from his annual income, provide for his family at his decease, cannot be doubted. And this society offers to the public advantages over other similar Institutions, as in addition to a subscribed capital of £500,000 sterling, it is formed on the mutual and joint stock principle.

The premiums may be paid annually, half yearly, or quarterly, and two-thirds of the premium may be borrowed by the assured. This system has in many instances afforded effectual aid to the policy holder, in enabling him to obtain his policy, and to carry out his original intention of providing for his family.

News from England.

WILLMER AND SMITH'S EUROPEAN TIMES.

Which arrives by every steam ship at Halifax from Liverpool.
Comprises an English Newspaper, a Shipping List, and a General Price Current.

It is arranged and published Expressly for Nova Scotia, New Brunswick, Newfoundland, Canada, the United States, &c.

Of this Paper the "Boston Morning Post" says—"We are greatly indebted to this Newspaper for our Foreign, Miscellaneous, and Commercial News. One number of Willmer & Smith's European Times is worth a whole file of any other English paper."

During the time this Journal has been before the world, the Proprietors refer, with pleasure, to the praise which it has elicited from the press of England, Scotland, Ireland, the United States, the West Indies, and the encouragement it has received from the public of Canada and the United States.

THREE ESSENTIAL FEATURES DISTINGUISH IT FROM ALL CONTEMPORANEOUS PUBLICATIONS.

FIRST.—It contains a full, correct, and comprehensive Shipping List, arranged on a plan so plain and practicable, that "who runs may read." Persons interested in the Marine of British America may turn in an instant to the information which they seek, with the certainty relying on its truth. It thus supersedes shipping Lists, and other expensive publications from Europe, some of which are six times the price of Willmer & Smith's European Times.

SECONDLY.—It contains a Price Current of all the great British and European Markets, devoted principally to the articles of trade and commerce, more immediately appertaining to British America and the United States, and in which the Merchant, the Trader, and the man of business must feel an immediate interest. On the score of correctness, the Tabular Figures, and the remarks accompanying the various markets, showing their actual condition, may be relied on, and are, in fact, an authority with that of the first Houses in the principal cities in the United States and Canada.

THIRDLY.—As a newspaper, it presents to the American reader, in a concentrated state, and where the interest and the importance of the subject demands it, in the most detailed and ample form, every topic of political, commercial, domestic, and miscellaneous interest which has occurred in Europe or elsewhere, since the departure of the previous packet—special regard being paid to whatever is mostly connected with, or relates to, the political, social, and commercial well-being of British America and the United States. Willmer & Smith's European Times, in short, takes a GLANCE at every circumstance in which the inhabitants of the great Western World can possibly feel an interest. It puts the American reader in possession, the moment it comes to hand, of whatever has transpired, during the interval in Europe—personal, political and commercial.

The subscription to this Paper is 16s. per annum, and may be ordered of JAMES CAIR, Esquire, Postmaster, Chatham, Miramichi.

The best Embellished London Journal is THE PICTORIAL TIMES.

A Highly Entertaining Family Newspaper, Published every Saturday, containing, besides 30 Beautiful Engravings On Wood, the Latest Intelligence, and a great variety of interesting information.

The Illustrations of the Pictorial Times are of the most finished description; the pages are enclosed in Ornamental Borders; and the work displays such a variety of elegance, that it has been universally pronounced one of the grandest achievements of Pictorial Literature.

The Pictorial Times is admirably suited for a Family Newspaper, as it contains an abundance of entertaining information, in addition to a most complete Record of Weekly News, and invariably subjects all articles that bear the slightest tinge of impropriety.
