

THE EARL OF ALBOROUGH  
CURED BY

## Holloway's Pills.

THE EARL OF ALBOROUGH CURED  
OF A LIVER AND STOMACH COM-  
PLAINT.Extract of a Letter from the Earl of Alborough  
dated Villa Messina, Leghorn, Feb. 21, 1845  
To Professor HOLLOWAY.

Sir,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the continent, had not been able to effect; nay! not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Point of the Ointment, in case any of my family should ever require either.

Your most obliged and obedient servant,  
(Signed) ALDBOROUGH.A WONDERFUL CURE OF DROPSY OF  
FIVE YEARS' STANDING.Copy of a Letter from Mr Thomas Taylor,  
Chemist, Stockton, Durham, 17th April, 1845.  
To Professor HOLLOWAY.

Sir.—I think it my duty to inform you that Mrs Clough, wife of Mr John Clough, a respectable farmer of Acklam, within four miles of this place, had been suffering from Dropsy for five years, and had had the best medical advice without receiving any relief. Hearing of your Pills and Ointment, she used them with such surprising benefit, that, in fact she has now given them up, being so well and quite able to attend to her household duties as formerly, which she never expected to do again. I had almost forgotten to state that she was given up by the Faculty as incurable. When she used to get up in the morning it was impossible to discover a feature in her face, being in such a fearful state. This cure is entirely by the use of your medicines.

I am, Sir, yours, &amp;c. &amp;c.

(Signed) THOMAS TAYLOR.

ACURE OF INDIGESTION AND CON-  
STIPATION OF THE BOWELS.Copy of a Letter from G. R. Wythen Baxter,  
Esq., Author of the "Book of the Bastiles,"  
&c. &c.The Bryn, near Newtown, Montgomeryshire,  
North Wales, March 3rd, 1845.

To Professor HOLLOWAY.

Sir,—I consider it my duty to inform you that your Pills, a few boxes of which I purchased at Mr Moore's, Druggist, of Newtown, have cured me of constant indigestion and constipation of the bowels, which application to literary pursuits had long entailed upon me. I should strongly recommend Authors, and studiously-disposed persons generally, to use your valuable Pills. You have my permission to publish this note, if you wish to do so.

I am, Sir, your most obedient servant.

(Signed) G. R. WYTHEN BAXTER.

A CURE OF ASTHMA AND SHORTNESS  
OF BREATH.Extract of a Letter from the Rev. David Wil-  
liams, Resident Wesleyan Minister at Beau-  
maris, Island of Anglesea, North Wales,  
January 14th, 1845.

To Professor HOLLOWAY.

Sir,—The Pills which I requested you to send me were for a man of the name of Hugh Davis, who, before he took them, was almost unable to walk for the want of breath, and had only taken them a few days when he appeared quite another man,—his breath is now easy and natural, and he is increasing daily in strength.

MOFFAT'S  
VEGETABLE LIFE PILLS  
AND  
PHOENIX BITTERS

The high and envied celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

find us. The wrappers and Samaritans are copyrighted,

therefore those who procure them with white wrappers can

be assured that they are genuine. Be careful, and do not

buy those with yellow wrappers; but if you do, be satisfied

that they come direct from us, or don't touch them.

AND OCULIST, M.R.C. SURGEONS,

LONDON.

Respectfully informs the public that he still

continues to practice at his old stand in Chat-

ham, where he gives advice and assistance in

the above departments with great success.

His long standing has given the public proof of

his ability to serve them; and as heretofore,

every attention will be paid to those confiding

themselves to his care.

Dr Cotton has also the pleasure of informing

the afflicted in Miramichi and the surrounding

country, that his COTTONIAN NOVATOR,

a species of Medicated Vapour Bath, has un-

dergone many practical improvements since

he first announced it to the public; and from

the further experience he has acquired, he has

no hesitation in recommending it as one of the

most beneficial discoveries ever introduced.

He has had under his care persons labouring

under almost every description of disease, and

in no one instance has he failed to afford great

and apparent relief, and in almost every case

a perfect cure. As a proof of this fact, he

now discovers that copyists, seeing the benefi-

cial results flowing from this wonderful and

beneficial discovery, are taking more spacious

premises for the purpose of erecting Vapour

Baths. Let the public be aware of such persons,

who ape after others, whose obtrusiveness can

only engender harm. It has already cost him

25 years of close application, and still he finds

that every day's practice teaches him some-

thing new.

Advice to the poor gratis, every FRIDAY,

at 9, A. M.

Chatham, 3rd April, 1846.

N. B. He has also an excellent hot &amp; cold

Shower Bath.

The importance of Life Assurance, whereby

a man may, by a small saving from his annual

income, provide for his family at his decease,

cannot be doubted. And this society offers to

the public advantages over other similar In-

stitutions, as in addition to a subscribed capital of

£500,000, sterling, it is formed on the mutual

and joint stock principle.

The premiums may be paid annually, half

yearly, or quarterly, and two thirds of the pre-

mium may be borrowed by the assured. This

system has in many instances afforded effectual

aid to the policy holder, in enabling him to

obtain his policy, and to carry out his original

intention of providing for his family.

## News from England.

WILLMER AND SMITH'S EUROPEAN

TIMES.

Which arrives by every steam ship at Halifax

from Liverpool,

Comprises an English Newspaper,—a

Shipping List,—and a General Price

Current.

It is arranged and published

Expressly for Nova Scotia, New Bruns-

wick, Newfoundland, Canada, the

United States, &amp;c.

Of this Paper the "Boston Morning Post"

says—"We are greatly indebted to this News-

paper for our Foreign, Miscellaneous, and

Commercial News. One number of Willmer

&amp; Smith's European Times is worth a whole

file of any other English paper."

During the time this Journal has been before

the world, the Proprietors refer, with pleasure,

to the praise which it has elicited from the

press of England, Scotland, Ireland, the United

States, the West Indies, and the encouragement

it has received from the public of Canada and

the United States.

THREE ESSENTIAL FEATURES DISTINGUISH IN

FROM ALL CONTEMPORANEOUS PUBLICATIONS.

FIRST,—It contains a full, correct, and com-

prehensive Shipping List, arranged on a plan

so plain and practicable, that "who runs may

read." Persons interested in the Marine of

British America may turn in an instant to the

information which they seek, with the certainty

relying on its truth. It thus supersedes

shipping Lists, and other expensive publications

from Europe, some of which are six times the

price of Willmer &amp; Smith's European Times.

SECONDLY,—It contains a Price Current of

all the great British and European Markets,

devoted principally to the articles of trade and

commerce, more immediately appertaining to

British America and the United States, and in

which the Merchant, the Trader, and the man

of business must feel an immediate interest.

On the score of correctness, the Tabular Fig-

ures, and the remarks accompanying the various

markets, showing their actual condition, may

be relied on, and are, in fact, an authority with

that of the first Houses in the principal cities

in the United States and Canada.

THIRDLY,—As a newspaper, it presents to

the American reader, in a concentrated state,

and where the interest or the importance of the

subject demands it, in the most detailed and

ample form, every topic of political, commer-

cial, domestic, and miscellaneous interest

which has occurred in Europe or elsewhere,

since the departure of the previous packet—

especial regard being paid to whatever is most

connected with, or relates to, the political,

social, and commercial well-being of British

America and the United States. Willmer &amp;

Smith's European Times, in short, takes a

GLANCE at every circumstance in which the

inhabitants of the great Western World can

possibly feel an interest. It puts the American

reader in possession, the moment it comes to

hand, of whatever has transpired, during the

interval in Europe—personal, political and

commercial.

The subscription to this Paper is 16s. per

annum, and may be ordered of JAMES CAIE,

Esquire, Postmaster, Chatham, Miramichi.

The best Embellished London Journal is

THE PICTORIAL TIMES.

A Highly Entertaining Family News paper,

Published every Saturday, containing, besides

30 Beautiful Engravings

On Wood, the Latest Intelligence, and a great

variety of interesting information.

The Illustrations of the Pictorial Times are

of the most finished description; the pages

are enclosed in Ornamental Borders; and the

work displays such a variety of elegance, that

it has been universally pronounced one of the

grandest achievements of Pictorial Literature.

The Pictorial Times is admirably suited for

a Family Newspaper, as it contains an abun-

dant of entertaining information, in addition

to a most complete Record of Weekly News,

and invariably subjects all articles that bear the

lightest tinge of impropriety.

sion Office,
