

THE EARL OF ALBOROUGH  
CURED BY

## Holloway's Pills.

THE EARL OF ALBOROUGH CURED  
OF A LIVER AND STOMACH COM-  
PLAINT.Extract of a Letter from the Earl of Alborough  
dated Villa Messina, Leghorn, Feb. 21, 1845  
To Professor Holloway.

Sir,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the continent, had not been able to effect; nay! not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Point of the Ointment, in case any of my family should ever require either.

Your most obliged and obedient servant,  
(Signed) ALBOROUGH.  
A WONDERFUL CURE OF DROPSY OF  
FIVE YEARS' STANDING.

Copy of a Letter from Mr Thomas Taylor,  
Chemist, Stockton, Durham, 17th April, 1845.  
To Professor Holloway.

Sir,—I think it my duty to inform you that Mrs Clough, wife of Mr John Clough, a respectable farmer of Acklam, within four miles of this place, had been suffering from Dropsy for five years, and had had the best medical advice without receiving any relief. Hearing of your Pills and Ointment, she used them with such surprising benefit, that, in fact she has now given them up, being so well and quite able to attend to her household duties as formerly, which she never expected to do again. I had almost forgotten to state that she was given up by the Faculty as incurable. When she used to get up in the morning it was impossible to discover a feature in her face, being in such a fearful state. This cure is entirely by the use of your medicines.

I am, Sir, yours, &c. &c.  
(Signed) THOMAS TAYLOR.

ACURE OF INDIGESTION AND CON-  
STIPATION OF THE BOWELS.Copy of a Letter from G. R. Wythen Baxter,  
Esq., Author of the "Book of the Bastiles,"  
&c. &c.The Bryan, near Newtown, Montgomeryshire,  
North Wales, March 3rd, 1845.

To Professor Holloway.  
Sir,—I consider it my duty to inform you that your Pills, a few boxes of which I purchased at Mr Moore's, Druggist, of Newtown, have cured me of constant indigestion and constipation of the bowels, which application to literary pursuits had long entailed upon me. I should strongly recommend Authors, and studiously-disposed persons generally, to use your valuable Pills. You have my permission to publish this note, if you wish to do so.

I am, Sir, your most obedient servant,  
(Signed) G. R. WYTHEN BAXTER.

OF BREATH.Extract of a Letter from the Rev. David Wil-  
liams, Resident Wesleyan Minister at Beau-  
maris, Island of Anglesea, North Wales,

To Professor Holloway.

Sir,—The Pills which I requested you, to send me were for a man of the name of Hugh Davis, who, before he took them, was almost unable to walk for the want of breath! and had only taken them a few days when he appeared quite another man,—his breath is now easy and natural, and he is increasing daily in strength.

James R. Cotton,

SURGEON, DENTIST, ACCOUCHEUR,

AND OCULIST, M.R.C. SURGEONS,  
LONDON.Respectfully informs the public that he still  
continues to practice at his old stand in Chatham,  
where he gives advice and assistance in the

above departments with great success.

His long standing has given the public proof of  
his ability to serve them; and as heretofore,every attention will be paid to those confiding  
themselves to his care.Dr Cotton has also the pleasure of informing  
the afflicted in Miramichi and the surrounding  
country, that his COTTONIAN NOVATOR,a species of Medicated Vapour Bath, has un-  
dergone many practical improvements sincehe first announced it to the public; and from  
the further experience he has acquired, he hasno hesitation in recommending it as one of the  
most beneficial discoveries ever introduced.He has had under his care persons labouring  
under almost every description of disease, andin no one instance has he failed to afford great  
and apparent relief, and in almost every casea perfect cure. As a proof of this fact, he  
now discovers that copyists, seeing the benefi-cial results flowing from this wonderful and  
beneficial discovery, are taking more spaciouspremises for the purpose of erecting Vapour  
Baths. Let the public be aware of such persons,who ape after others, whose obtrusiveness can  
only engender harm. It has already cost him25 years of close application, and still he finds  
that every day's practice teaches him some-

thing new.

Advice to the poor gratis, every FRIDAY,  
at 9, A. M.

## News from England.

WILLMER AND SMITH'S EUROPEAN  
TIMES.Which arrives by every steam ship at Halifax  
from Liverpool.Comprises an English Newspaper,—a  
Shipping List,—and a General Price  
Current.It is arranged and published  
Expressly for Nova Scotia, New Bruns-wick, Newfoundland, Canada, the  
United States, &c.Of this Paper the "Boston Morning Post"  
says—"We are greatly indebted to this New-paper for our Foreign, Miscellaneous, and  
Commercial News. One number of Willmer  
& Smith's European Times is worth a whole

file of any other English paper."

During the time this Journal has been before  
the world, the Proprietors refer, with pleasure,to the praise which it has elicited from the  
press of England, Scotland, Ireland, the UnitedStates, the West Indies, and the encouragement  
it has received from the public of Canada and

the United States.

THREE ESSENTIAL FEATURES DISTINGUISH IN  
FROM ALL CONTEMPORANEOUS PUBLICATIONS.

FIRST.—It contains a full, correct, and com-

prehensive Shipping List, arranged on a plan  
so plain and practicable, that "who runs mayread." Persons interested in the Marine of  
British America may turn in an instant to theinformation which they seek, with the certainty  
relying on its truth. It thus supercedesshipping Lists, and other expensive publications  
from Europe, some of which are six times the

price of Willmer &amp; Smith's European Times.

SECONDLY.—It contains a Price Current of  
all the great British and European Markets,devoted principally to the theories of trade and  
commerce, more immediately appertaining toBritish America and the United States, and in  
which the Merchant, the Trader, and the man

of business must feel an immediate interest.

On the score of correctness, the Tabular Fig-  
ures, and the remarks accompanying the variousmarkets, showing their actual condition, may  
be relied on, and are, in fact, an authority withthat of the first Houses in the principal cities  
in the United States and Canada.THIRDLY.—As a newspaper, it presents to  
the American reader, in a concentrated state,and where the interest of the importance of  
the subject demands it, in the most detailed andample form, every topic of political, commer-  
cial, domestic, and miscellaneous interestwhich has occurred in Europe or elsewhere,  
since the departure of the previous packet—especial regard being paid to whatever is mostly  
connected with, or relates to, the political,social, and commercial well-being of British  
America and the United States. Willmer &Smith's European Times, in short, takes a  
GLANCE at every circumstance in which theinhabitants of the great Western World can  
possibly feel an interest. It puts the Americanreader in possession, the moment it comes to  
hand, of whatever has transpired, during theinterval in Europe—personal, political and  
commercial.The subscription to this Paper is 16s. per  
annum, and may be ordered of JAMES CAIR,  
Esquire, Postmaster, Chatham, Miramichi.The best Embellished London Journal is  
THE PICTORIAL TIMES.A Highly Entertaining Family News paper,  
Published every Saturday, containing, besides30 Beautiful Engravings  
On Wood, the Latest Intelligence, and a great

variety of interesting information.

The Illustrations of the Pictorial Times are  
of the most finished description; the pagesare enclosed in Ornamental Borders; and the  
work displays such a variety of elegance, thatit has been universally pronounced one of the  
grandest achievements of Pictorial Literature.The Pictorial Times is admirably suited for  
a Family Newspaper, as it contains an abun-dance of entertaining information, in addition  
to a most complete Record of Weekly News,and invariably subjects all articles that bear the  
lightest tinge of impropriety.
