

All may be cured, By

**Holloway's Ointment!**

FIFTY ULCERS CURED IN SIX WEEKS.
Extract of a Letter from John Martin, Esq.,
"Chronicle" Office, Tobago, West Indies—
February 4th, 1845.

To Professor Holloway.

Sir,—I beg to inform you that the inhabitants of this island, especially those who cannot afford to employ medical gentlemen, are very anxious of having your astonishing Medicines within their reach, from the immense benefits some of them have derived from their use, as they have been found here, in several cases, to cure Sores and Ulcers of the most malignant and desperate kind. One gentleman in this island, who had, I believe, about fifty running ulcers about his arms, legs, and body, who had tried all other Medicines before the arrival of yours, but all of which did him no good; but yours cured him in about six weeks, and he is now, by their means alone, quite restored to health and vigour.

JOHN MARTIN.

PILES, FISTULAS, & BEARINGS-DOWN.

A remarkable Cure by these Pills and Ointment.—A half-pay lieutenant, lately residing at St. Helier's, Jersey, whose name by request is omitted, had for three years suffered from piles and fistula, besides a general bearing down, of the most distressing nature. He had twice undergone an operation, but to no purpose, and at last gave himself up to despair. Yet, notwithstanding this complication of complaints, together with a debilitated constitution, he was completely cured of all his infirmities, and restored to the full enjoyment of health by these justly renowned medicines, when every other means had failed.

Extraordinary Cure in the West Indies, of Leprosy and other dreadful skin diseases.

Mr LEWIS REEDON, of Georgetown, Demerara, writes under the above date—that Holloway's Pills and Ointment have cured bad legs that no doctor could manage, ulcers and sores that were of the most dreadful description, as likewise leprosy, blotches, scales, and other skin diseases of the most frightful nature, and that the cures effected there by these wonderful medicines are so numerous and extraordinary as to astonish the whole population.

CANCERED BREAST.—A WONDERFUL CIRCUMSTANCE.

Copy of a Letter from Richard Bull, Bootmaker, Tatton, near Southampton.
February 9th, 1845.

To Professor Holloway.

Sir,—The Lord has permitted to be wrought a wonderful cure of Cancers or Abscesses, of 12 years' standing, in my wife's breast. In the latter part of the time, eleven wounds were open at once. The Faculty declared the case as past cure, several pieces of bone had come away, and I expected that my poor wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our utter astonishment, in the space of about three months, healed up the breast as soundly as ever it was in her life. I shall ever remain, your grateful servant.

(Signed) RICHARD BULL.
WHEESING ON THE CHEST AND SHORTNESS OF BREATH.

Copy of a Letter from Mr Jeremiah Casey, No. 1, Compton place, Compton-street, Brunswick square, London, April 25th, 1845.

To Professor Holloway.

Sir,—I beg to inform you that I believe I had been, for more than three years, one of the greatest sufferers in the world with Chronic Asthma. For weeks together my breath was frequently so short that I was afraid every moment of being choked with phlegm. I never went into a bed; very often, indeed, I have been obliged to pass the night without being able to recline sufficiently to lay my head on a table, lest I should be suffocated. No one thought I should live over the winter, nor did I expect it myself; but I am happy to say that I am now able to work from morning till night, and that I sleep as well as ever I did in my life; and this miracle (I may say) was effected by rubbing your invaluable Ointment twice a day into my chest, and taking ten of your Pills at bed time, and ten again in the morning, for about three months.

JEREMIAH CASEY.
IN ALL DISEASES of the Skin, Bad Legs, Old Wounds and Ulcers, Bad Breasts, Sore Nipples, Sioney and Ulcerated Cancers, Tumours Swellings, Gout, Rheumatism, and Lumbago, likewise in cases of Piles; Holloway's Pills, in all the above cases, ought to be used with the Ointment; as by these means cures will be effected with a much greater certainty, and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of Mosquitoes, Sand-flies, Chiego-foot, Yaws, and Coca-bay, and all skin Diseases common to the East and West Indies, and other tropical climes. Burns, Scalds, Chilblains, Chapped Hands and Lips, also Buntions and soft Corns will be immediately cured by the use of this Ointment.

The importance of Life Assurance, whereby

a man may, by a small saving from his annual

income, provide for his family at his decease,

cannot be doubted. And this society offers to

the public advantages over other similar Insti-

tutions, as in addition to a subscribed capital of

The premiums may be paid annually, half

yearly, or quarterly, and two thirds of the pre-

mium may be borrowed by the assured. This

News from England.

WILLMER AND SMITH'S EUROPEAN

TIMES.

Which arrives by every steam ship at Halifax

from Liverpool.

Comprises an English Newspaper,—a

Shipping List,—and a General Price

Current.

It is arranged and published

Expressly for Nova Scotia, New Brun-

swick, Newfoundland, Canada, the

United States, &c.

Of this Paper the "Boston Morning Post"

says—"We are greatly indebted to this News-

paper for our Foreign, Miscellaneous, and

Commercial News. One number of Willmer

& Smith's European Times is worth a whole

file of any other English paper."

During the time this Journal has been before

the world, the Proprietors refer, with pleasure,

to the praise which it has elicited from the

press of England, Scotland, Ireland, the United

States, the West Indies, and the encouragement

it has received from the public of Canada and

the United States.

THREE ESSENTIAL FEATURES DISTINGUISH

IT FROM ALL CONTEMPORANEOUS PUBLICATIONS.

FIRST.—It contains a full, correct, and com-

prehensive Shipping List, arranged on a plan

so plain and precise, that "who runs may

read." Persons interested in the Marine of

British America may turn in an instant to the

information which they seek, with the certainty

relying on its truth. It thus supercedes

shipping Lists, and other expensive publications

from Europe, some of which are six times the

price of Willmer & Smith's European Times.

SECONDLY.—It contains a Price Current of

all the great British and European Markets,

devoted principally to the theories of trade and

commerce, more immediately appertaining to

British America and the United States, and in

which the Merchant, the Trader, and the man

of business must feel an immediate interest.

On the score of correctness, the Tabular Fig-

ures, and the remarks accompanying the various

markets, showing their actual condition, may

be relied on, and are, in fact, an authority with

that of the first Houses in the principal cities

in the United States and Canada.

THIRDLY.—As a newspaper, it presents to

the American reader, in a concentrated state,

and where the interest of the importance of the

subject demands it, in the most detailed and

ample form, every topic of political, commer-

cial, domestic, and miscellaneous interest

which has occurred in Europe or elsewhere,

since the departure of the previous packet—

special regard being paid to whatever is most

connected with, or relates to, the political,

social, and commercial well-being of British

America and the United States. Willmer &

Smith's European Times, in short, takes a

GLANCE at every circumstance in which the

inhabitants of the great Western World can

possibly feel an interest. It puts the American

reader in possession, the moment it comes to

hand, of whatever has transpired, during the

interval in Europe—personal, political and

commercial.

The subscription to this Paper is 16s. per

annum, and may be ordered of JAMES CAIE,

Esquire, Postmaster, Chatham, Miramichi.

it has been universally pronounced one of the

grandest achievements of Pictorial Literature.

The Pictorial Times is admirably suited for

a Family Newspaper, as it contains an abun-

dance of entertaining information, in addition
