

All may be Cured, By

Holloway's Ointment!

FIFTY ULCERS CURED IN SIX WEEKS.
Extract of a Letter from John Martin, Esq.
"Chronicle" Office, Tobago, West Indies:—
February 4th, 1845.

To Professor HOLLOWAY.

Sir,—I beg to inform you that the inhabitants of this Island, especially those who cannot afford to employ medical gentlemen, are very anxious of having your astonishing Medicines within their reach, from the immense benefits some of them have derived from their use, as they have been found here, in several cases, to cure Sores and Ulcers of the most malignant and desperate kind. One gentleman in this Island, who had, I believe, about fifty running Sores about his arms, legs, and body, who had tried all other Medicines before the arrival of yours, but all of which did him no good; but yours cured him in about six weeks, and he is now, by their means alone, quite restored to health and vigour.

JOHN MARTIN.

PILES, FISTULAS, & BEARINGS-DOWN.

A remarkable Cure by these Pills and Ointment.—A half-pay lieutenant, lately residing at St. Helier's, Jersey, whose name by request is omitted, had for three years suffered from piles and fistula, besides a general bearing down, of the most distressing nature. He had twice undergone an operation, but to no purpose, and at last gave himself up to despair. Yet, notwithstanding this complication of complaints, together with a debilitated constitution, he was completely cured of all his infirmities, and restored to the full enjoyment of health by these justly renowned medicines, when every other means had failed.

Extraordinary Cure in the West Indies, of Leprosy and other direful skin diseases.

Mr LEWIS REEDON, of Georgetown, Demerara, writes under the above date—that Holloway's Pills and Ointment have cured bad legs that no doctor could manage, ulcers and sores that were of the most dreadful description, as likewise leprosy, blotches, scales, and other skin diseases of the most frightful nature, and that the cures effected there by these wonderful medicines are so numerous and extraordinary as to astonish the whole population.

CANCERED BREAST.—A WONDERFUL CIRCUMSTANCE.

Copy of a Letter from Richard Bull, Bootmaker, Tatton, near Southampton.

February 9th, 1845.

To Professor HOLLOWAY.

Sir,—The Lord has permitted to be wrought a wonderful cure of Cancers or Abscesses, of 12 years' standing, in my wife's breast. In the latter part of the time, eleven wounds were open at once. The Faculty declared the case as past cure, several pieces of bone had come away, and I expected that my poor wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our utter astonishment, in the space of about three months, healed up the breast as soundly as ever it was in her life.

I shall ever remain, your grateful servant,

(Signed) RICHARD BULL.

WHEESING ON THE CHEST AND SHORTNESS OF BREATH.

Copy of a Letter from Mr Jeremiah Casey, No. 1, Compton place, Compton-street, Brunswick square, London, April 25th, 1845.

To Professor HOLLOWAY.

Sir,—I beg to inform you that I believe I had been, for more than three years, one of the greatest sufferers in the world with Chronic Asthma. For weeks together my breath was frequently so short that I was afraid every moment of being choked with phlegm. I never went into a bed; very often, indeed, I have been obliged to pass the night without being able to recline sufficiently to lay my head on a table, lest I should be suffocated. No one thought I should live over the winter, nor did I expect it myself; but I am happy to say that I am now able to work from morning till night, and that I sleep as well as ever I did in my life; and this miracle (I may say) was effected by rubbing your invaluable Ointment twice a day into my chest, and taking ten of your Pills at bed time, and ten again in the morning, for about three months.

JEREMIAH CASEY.

IN ALL DISEASES of the Skin, Bad Legs, Old Wounds and Ulcers, Bad Breasts, Sore Nipples, Stoney and Ulcerated Cancers, Tumours, Swellings, Gout, Rheumatism, and Lumbago, likewise in cases of Piles; Holloway's Pills, in all the above cases, ought to be used with the Ointment; as by these means cures will be effected with a much greater certainty, and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of Mosquitoes, Sand-flies, Chiego-foot, Yaws, and Coco-bay, and all skin diseases common to the East and West Indies, and other tropical climes. Baras, Scalds, Chilblains, Chapped Hands and Lips, also Bunions and soft Corns will be immediately cured by the use of this Ointment.

Sold by the Proprietor, 244, Strand, (near Temple Bar), London, and by Mr JOHN FRASER, Chatham; and Mr M. M. SARGEANT, Newcastle, in Pots and Boxes, at 2s., 5s., and 8s. There is a very considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients are affixed to each pot and box.

PURIFY THE BLOOD. MOFFAT'S VEGETABLE LIFE PILLS AND PHOENIX BITTERS

The high and envied celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

IN ALL CASES OF ASTHMA, ACUTE AND CHRONIC RHEUMATISM, AFFECTIONS OF THE BLADDER AND KIDNEYS, BILIOUS FEVERS & LIVER COMPLAINTS.—

In the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them. BILIOUS CHOLIC, and SEROUS Looseness, BILES, COSTIVENESS, COLDS & COUGHS, CHOLIC, CONSUMPTION. Used with great success in this disease. CORRUPT HUMORS, DROPSIES, DYSPEPSIA. No person with this distressing disease, should delay using these medicines immediately. ERUPTIONS of the Skin, ERYSIPELAS, FLATULENCY, FEVER and AGUE. For this scourge of the western country these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. TRY THEM, BE SATISFIED, AND BE CURED. FOULNESS OF COMPLEXION, GENERAL DEBILITY, GOUT, GIDDINESS, GRAVEL, HEADACHES, of every kind, INWARD FEVER, INFLAMMATORY RHEUMATISM, IMPURE BLOOD, JAUNDICE, LOSS OF APPETITE, LIVER COMPLAINTS, LEPROSY, LOOSENESS, MERCURIAL DISEASES.—

Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla. NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, ORGANIC AFFECTIONS, PALPITATION of the HEART, PAINTER'S CHOLIC, PILES. The original proprietor of these medicines was cured of Piles of 35 years standing by the use of these Life Medicines alone.

PAINS in the head, side, back, limbs, joints and organs. RHEUMATISM. Those afflicted with this terrible disease, will be sure of relief by the Life Medicines. RUSH OF BLOOD to the HEAD, SCURVY, SALT RHEUM, SWELLINGS, SCROFULA, or KING'S EVIL, in its worst forms. ULCERS, of every description. WORMS, of all kinds, are effectually expelled by these Medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

THE LIFE PILLS AND PHOENIX BITTERS

PURIFY THE BLOOD.

And thus remove all disease from the system.

A single trial will place the LIFE PILLS and PHOENIX BITTERS beyond the reach of competition in the estimation of every patient. The genuine of these medicines are now put up in white wrappers and labels, together with a pamphlet, called "Moffat's Good Samaritan," containing the directions, &c., on which is a drawing of Broadway from Wall street to our Office, by which strangers visiting the city can very easily find us. The wrappers and Samaritans are copyrighted, therefore those who procure them with white wrappers can be assured that they are genuine. Be careful, and do not buy those with yellow wrappers; but if you do, be satisfied that they come direct from us, or don't touch them.

Respectfully informs the public that he still continues to practice at his old stand in Chatham, where he gives advice and assistance in the above departments with great success. His long standing has given the public proof of his ability to serve them; and as heretofore, every attention will be paid to those confiding themselves to his care.

Dr Cotton has also the pleasure of informing the afflicted in Miramichi and the surrounding country, that his COTTONIAN NOVATOR, a species of Medicated Vapour Bath, has undergone many practical improvements since he first announced it to the public; and from the further experience he has acquired, he has no hesitation in recommending it as one of the most beneficial discoveries ever introduced. He has had under his care persons labouring under almost every description of disease, and in no one instance has he failed to afford great and apparent relief, and in almost every case a perfect cure. As a proof of this fact, he now discovers that copyists, seeing the beneficial results flowing from this wonderful and beneficial discovery, are taking more spacious premises for the purpose of erecting Vapour Baths. Let the public be aware of such persons, who are after others, whose obtrusiveness can only engender harm. It has already cost him 25 years of close application, and still he finds that every day's practice teaches him something new.

News from England.

WILLMER AND SMITH'S
European Times,

Which arrives by every steam ship at Halifax

from Liverpool,

Comprises an English Newspaper,—a

Shipping List,—and a General Price

Current.

It is arranged and published

Expressly for Nova Scotia, New Brunswick, Newfoundland, Canada, the United States, &c.

Of this Paper the "Boston Morning Post" says—"We are greatly indebted to this Newspaper for our Foreign, Miscellaneous, and Commercial News. One number of Willmer & Smith's European Times is worth a whole file of any other English paper."

During the time this Journal has been before the world, the Proprietors refer, with pleasure, to the praise which it has elicited from the press of England, Scotland, Ireland, the United States, the West Indies, and the encouragement it has received from the public of Canada and the United States.

THREE ESSENTIAL FEATURES DISTINGUISH IT FROM ALL CONTEMPORANEOUS PUBLICATIONS.

FIRST.—It contains a full, correct, and comprehensive Shipping List, arranged on a plan so plain and practicable, that "who runs may read." Persons interested in the Marine of British America may turn in an instant to the information which they seek, with the certainty relying on its truth. It thus supersedes shipping Lists, and other expensive publications from Europe, some of which are six times the price of Willmer & Smith's European Times.

SECONDLY.—It contains a Price Current of all the great British and European Markets, devoted principally to the articles of trade and commerce, more immediately appertaining to British America and the United States, and in which the Merchant, the Trader, and the man of business must feel an immediate interest. On the score of correctness, the Tabular Figures, and the remarks accompanying the various markets, showing their actual condition, may be relied on, and are, in fact, an authority with that of the first Houses in the principal cities in the United States and Canada.

THIRDLY.—As a newspaper, it presents to the American reader, in a concentrated state, and where the interest or the importance of the subject demands it, in the most detailed and ample form, every topic of political, commercial, domestic, and miscellaneous interest which has occurred in Europe or elsewhere, since the departure of the previous packet—special regard being paid to whatever is mostly connected with, or relates to, the political, social, and commercial well-being of British America and the United States. Willmer & Smith's European Times, in short, takes a GLANCE at every circumstance in which the inhabitants of the great Western World can possibly feel an interest. It puts the American reader in possession, the moment it comes to hand, of whatever has transpired, during the interval in Europe—personal, political and commercial.

The subscription to this Paper is 16s. per annum, and may be ordered of JAMES CAIE, Esquire, Postmaster, Chatham, Miramichi.
