## The Pictorial Times AND THE Art-Union!

The proprietors of the PICTORIAL TIMES, anxious  
to promote by every means in their  
power, the  
Advancement of Literature and the  
Fine Arts,

and to furnish an inducement to the public to  
aid them in their laudable endeavors, have  
determined to Return a Portion of the Profits  
of their paper to their ANNUAL SUBSCRIBERS,  
upon the following plan

### THE ART UNION OF LONDON

Is authorized by the Imperial Parliament of  
Great Britain, to distribute annually

#### A NUMBER OF PRIZES

In Pictures of certain value; but the proprietors  
of the Pictorial Times being conscious of  
the fact, that, from the very mixed tastes  
of the subscribers, and the total absence of  
instruction, the Large Prizes must frequently  
fall into the hands of individuals who have  
neither the desire to retain them, nor the knowledge  
essential to a due appreciation of their  
merits, the pictures being sought for as articles  
of pecuniary value, to be converted into Money  
on the first opportunity, it is the desire of the  
proprietors of the Pictorial Times to correct  
this imperfection, and to give effect to the Art  
Union of London, by affording to the public an  
opportunity both of obtaining weekly, a

Body of Sound Knowledge in the  
Sphere of Art,

and annually the means of indulging the taste  
which such information will create.

The proprietors of the Pictorial Times have  
therefore much pleasure in announcing their  
intention to appropriate a portion of their profits  
to the annual subscribers to the Art Union  
of London, by presenting the sum of

Five Hundred Pounds Sterling,

ON THE

Drawing of the Art-Union Prizes

In April, 1848.

To the holder of the First Drawn Largest  
Prize in the Art Union, if he at the same  
time be an annual subscriber to the Pictorial  
Times.

At the same time, the annual subscribers to  
the Pictorial Times, who are NOT SUBSCRIBERS  
TO THE ART-UNION, shall also participate in  
these

### FREE GIFTS,

Which may amount to many Thousand  
Pounds Sterling,

on the subjoined scale. The drawing of the  
Art Union Prizes is regulated in the following  
manner:—all the subscribers' names of the  
Art Union are placed in one wheel, and the  
number of the prizes in another wheel. We  
therefore propose to be guided by the number  
drawn, which entitles the holder to the first  
drawn largest prize of the Art Union. Thus,  
supposing that 890 should be the number  
drawn, we will then pay to the holder of our  
registered receipt, number 890, if he be at the  
same time an annual subscriber to the Art  
Union, the sum of £500; and we will also pay  
to the Ten subscribers whose receipts follow  
that number in our register books (whether  
they be subscribers to the Art Union or not)  
the sum of £100 each, repeating the same for  
every class of 100,000 subscribers thus:

890 (the largest prize in the Art Union)	£500
891, or 10,891, or 20,891, or 30,891	£100
892, or 10,892, or 20,892, or 30,892	100
893, or 10,893, or 20,893, or 30,893	100
894, or 10,894, or 20,894, or 30,894	100
895, or 10,895, or 20,895, or 30,895	100
896, or 10,896, or 20,896, or 30,896	100
897, or 10,897, or 20,897, or 30,897	100
898, or 10,898, or 20,898, or 30,898	100
899, or 10,899, or 20,899, or 30,899	100
900, or 10,900, or 20,900, or 30,900	100

And so on, by giving the sum of One  
Thousand Pounds Sterling to every class of  
scribers.

It will therefore be seen that our grand  
object is to uphold and promote the interests  
of the Art Union of London, by presenting to  
their more fortunate subscriber the large amount  
of FIVE HUNDRED POUNDS,  
in Gold or Bank Notes.

We trust that the public will clearly understand  
this to be an Unconditional Gift on our  
part, without any consideration whatever, as  
each party participating in these advantages  
will have only to pay one year's subscription  
to the paper; our only desire in undertaking  
this GREAT SCHEME, being to  
carry Improvement and Instruction, and at the  
same time a Rational Amusement, into the  
HOMES of our Fellow Countrymen.

The Pictorial Times has now reached its  
Ninth Volume, and from the great care bestowed  
upon its ILLUSTRATIONS, by first rate  
Artists, and the Talent employed in the Editorial  
Department, it has more than once received  
the high approbation of

### HER MAJESTY THE QUEEN,

and many leading members of the aristocracy.  
And it will be our constant study to continue  
to supply our patrons with a good Weekly  
Family Newspaper, uncontaminated by party  
politics, yet containing all the News of the  
Day, with splendid illustrations of passing  
events, which, if duly taken care of and bound  
up, will be invaluable hereafter as faithfully  
pourtraying the customs and manners of the  
present time, and forming illustrated historical  
records of passing events; and in addition to  
this (as the preceding part of this Prospectus  
shows) each annual subscriber may obtain the  
sum of One Hundred Pounds sterling; and  
should he at the same time be a subscriber to  
the Art Union, he may receive a Free Gift of  
Five Hundred Pounds sterling.

The last gift of one thousand pounds for the  
year 1846, was presented to, Mrs Jane Ruth-  
erford, of Sedgefield, near Stockton-on-Tees,  
an annual subscriber of £1 6 6, by the pub-  
lisher of the Pictorial Times, on the 1st of  
June, 1846. The original receipt may be  
seen at the office of the Pictorial Times.

We trust that our Prospectus is sufficiently  
clear and distinct to show that it is not absolutely  
necessary to subscribe to the Art Union,  
to participate in the Free Gifts of a portion of  
our profits, as each annual subscriber to our  
paper may receive the sum of £100 sterling.

Subscriptions of £1 12s 6d per annum can  
be paid through any Bookseller or News agent  
in New Brunswick, who will obtain the registered  
receipts for the same, of

Messrs. SIMMONDS & WARD,

Colonial Agents, 6, Barge Yard, London.

### RELIEF WARRANTED.

Great New England Remedy for Coughs,  
Colds, and all Lung Complaints!

Hunter's celebrated Pulmonary  
Balsam or Cough Syrup.

This pleasant and agreeable Syrup is now  
being sold in vast quantities, for the very good  
reason that almost universal relief has been  
found by the thousands who have made use of  
it for coughs, colds, and lung complaints,  
within the past year.

It comes from a quarter where cases of consumption  
have been most frequent, and  
where it has heretofore been most fatal in  
its termination, owing to an ever changing  
climate. It is a scientific preparation, having  
been got up by one of the most skillful and  
successful physicians in New England.

### Hunter's Pulmonary Balsam

Is a combination of ten distinct articles of  
medicine, each of which taken separately  
would be of service to a person afflicted with  
a cough or lung complaint. It is comparatively  
a new article, although it has been used for  
years in an extensive practice, with unparalleled  
success. Yet it is not more than one year since  
it has been put up in its present form for the  
purpose of circulating it. During this short  
time, an almost incredible amount of it has  
been sold, whilst little effort has been made to  
increase its sale. It has depended upon its  
own merits, and thousands have been relieved  
and cured.

At one establishment in Maine, 5 thousand  
bottles have been sold at retail within the last  
twelve months. More than fifty individuals  
who were pronounced decided and marked  
cases of consumption, in the city of Bangor and  
vicinity, have been entirely cured by the use  
of Hunter's Balsam. Frequent cases have  
occurred where strangers journeying for health,  
and passing where the article was kept, have  
been induced by the recommendations of  
others to purchase a bottle, and after using it,  
have sent from two to three hundred bottles for it.

Hunter's Pulmonary Balsam is an agreeable  
syrup, and is warranted an effective remedy  
for coughs, hoarseness, colds, pain in the breast,  
influenza, hard breathing, liver and lung  
complaints, difficult expectoration. For adults  
and children in cold climates and warm. It  
has remained to a late day to discover an  
article so admirably adapted to these complaints,  
so powerful and effectual, and yet so perfectly  
innocent and mild. A single trial of it will do  
more to convince all of its merits than all they  
can see or hear on the subject. It is quite  
certain that no injury has ever been known to  
arise from its free use. An uncommon fact is,  
that this remedy is a syrup, palatable and

pleasant to the taste. Children take it with  
the greatest readiness.

600,000 Boxes sold the past year.

### Indian Dyspepsia Pills,

For cure of costiveness, acidity of the stomach,  
bilious habits, headache, dizziness, heart  
burning, pain in the side, lung and liver  
complaints.

### Dyspepsia and Indigestion,

With costiveness, acidity of the stomach,  
heart burnings, bilious complaints, producing  
headache, pain in the side, loss of appetite,  
and general debility, can be remedied, removed,  
and entirely cured by the use of the Indian  
Dyspepsia pills. These pills have effected  
the most astonishing cures in hundreds of  
cases of the above complaints, and are an  
invaluable remedy, in an especial manner, for  
Dyspepsia. They are a mild and gentle  
Cathartic, operating mostly upon the blood,  
cleansing and purifying the same, and causing  
the digestive organs to perform their appropriate  
organs with regularity.

### Costiveness.

Habitual costiveness is, if not removed in  
time, a cause of more than half of the disorders  
and pains to which humanity is subject.  
The medicines too generally had recourse to  
do more harm than good, as they weaken the  
peristaltic action of the bowels, and thus  
aggravate instead of removing the complaint.

Also in all bilious diseases, attended with  
pain in the side and right shoulder blade, with  
a dull, sallow countenance. In all Diarrhoeas,  
ague and fever, bilious fever and sick head  
ache, they are an invaluable remedy.

For purifying the blood we do not believe  
these pills have their equal in the world.

30,000 Thousand bottles sold the past  
year,

Rest and Comfort to the Suffering.
