All may be cured, By

Holloway's Ointment!

FIFTY ULCERS CURED IN SIX WEEKS.

Extract of a Letter from John Martin, Esq., Chronicle Office, Tobago, West Indies:—

To Professor HOLLOWAY.

Sir,—I beg to inform you that the inhabitants of this Island, especially those who cannot afford to employ medical gentlemen, are very anxious of having your astonishing Medicines within their reach, from the immense benefits some of them have derived from their use, as they have been found here, in several cases, to cure Sores and Ulcers of the most malignant and desperate kind. One gentleman in this Island, who had, I believe, about fifty running ulcers about his arms, legs, and body, who had tried all other Medicines before the arrival of yours, but all of which did him no good; but yours cured him in about six weeks, and he is now, by their means alone, quite restored to health and vigour. JOHN MARTIN.

PILES, FISTULAS, & BEARINGS-DOWN.

A remarkable Cure by these Pills and Ointment.—A half-pay lieutenant; lately residing at St. Helier's, Jersey, whose name by request is omitted; had for three years suffered from piles and fistula, besides a general bearing down, of the most distressing nature. He had twice undergone an operation; but to no purpose, and at last gave himself up to despair. Yet, notwithstanding the complication of complaints, together with a debilitated constitution, he was completely cured of all his infirmities, and restored to the full enjoyment of health by these justly renowned medicines, when every other means had failed. Extraordinary Cure in the West Indies.

Leprosy and other direful skin disease.

Mr LEWIS REEDON, of Georgetown, Guyana, writes under the above date—Holloway's Pills and Ointment have cured legs that no doctor could manage, ulcers, sores that were of the most dreadful description, as likewise leprosy, blotches, scales, and other skin diseases of the most frightful nature, and that the cures effected there by these wonderful medicines are so numerous and extraordinary as to astonish the whole population.

CANCERED BREAST.—A WONDERFUL CIRCUMSTANCE.

Copy of a Letter from Richard Bull, Bootmaker, Tatton, near Southampton.

February 9th, 45.

To Professor HOLLOWAY.

Sir,—The Lord has permitted to be brought a wonderful cure of Cancers or Abscesses, of 12 years' standing, in my wife's breast. In the latter part of the time, eleven wounds were open at once. The Faculty declared the case as past cure, several pieces of bone had come away, and I expected that my poor wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our utter astonishment, in the space of about three months healed up the breast as soundly as ever it was her life. I shall ever remain, your grateful servant, (Signed) RICHARD BULL.

WHEESING ON THE CHEST AND SHORTNESS OF BREATH.

Copy of a Letter from Mr Jeremiah Casey, No. 1, Compton-place, Compton-street, Brunswick square, London, April 24, 1845.

To Professor HOLLOWAY.

Sir,—I beg to inform you that I believe I had been, for more than three years, one of the greatest sufferers in the world with Chronic Asthma. For weeks together my breath was frequently so short that I was obliged every moment of being choked with phlegm. I never went into a bed; very often indeed, I have been obliged to pass the night without being able to recline sufficiently to my head on a table, lest I should be suffocated. No one thought I should live over the winter, nor did I expect it myself; but I am happy to say that I am now able to work from morning till night, and that I sleep as well as ever I did in my life; and this miracle (I may say was effected by rubbing your invaluable Ointment twice a day into my chest, and taking 4 of your Pills at bed time, and ten again in the morning, for about three months. JEREMIAH CASEY.

IN ALL DISEASES OF THE SKIN, Bad Legs, Old Wounds and Ulcers, Bad Breasts, Sore Nipples, Stoney and Ulcerated Cancers, Tumours Swellings, Gout, Rheumatism, and Lumbago, likewise in Cases of Piles; Holloway's Pills, in all the above cases, ought to be used with the Ointment; as by these means cures will be effected with a much greater certainty, and in half the time that it would require by using the Ointment alone.

The Ointment is proved to be a certain remedy for the bite of Mosquitoes, Sand-flies, Chiego-foot, Yaws, and Coco-bay, and all skin Diseases common to the East and West Indies, and other tropical climes. Burns, Scalds, Chilblains, Chapped Hands and Lips, also Bunions and soft Corns will be immediately cured by the use of this Ointment.

McKENNA, Bathurst, in Fots and Baxes, at 1s 9d., 4s 6d., and 7s. There is a very considerable saving in taking the larger boxes. N. Jews from England. WILLMER AND SMITH'S EUROPEAN TIMES. Who arrives by every steam ship at Halifax. Comprises a English Newspaper, — a Shipping List, — and a General Price Current.

It is arranged and published Exclusively for Nova Scotia, New Brunswick, Newfoundland, Canada, and the United States.

Of this Paper the "Boston Morning Post" says—"We are greatly indebted to this Newspaper for our Foreign, Miscellaneous, and Commercial News. One number of Willmer & Smith's European Times is worth a whole file of any other English paper."

In the time this Journal has been before the world, the Proprietors refer, with pleasure, to the praise which it has elicited from the press of England, Scotland, Ireland, the United States, the West Indies, and the encouragement it has received from the public of Canada and the United States.

THE ESSENTIAL FEATURES DISTINGUISH IT FROM ALL CONTEMPORANEOUS PUBLICATIONS.

First.—It contains a full, correct, and comprehensive Shipping List, arranged on a plan plain and practicable, that "who runs may see." Persons interested in the Marine of the American States may turn in an instant to the information which they seek, with the certainty of finding on its truth. It thus supercedes Shipping Lists, and other expensive publications in Europe, some of which are six times the price of Willmer & Smith's European Times. Secondly.—It contains a Price Current of all the great British and European Markets, devoted principally to the articles of trade and commerce, more immediately appertaining to British America and the United States, and in which the Merchant, the Trader, and the man of business must feel an immediate interest. On the score of correctness, the Tabular Figures, and the remarks accompanying the various markets, showing their actual condition, may be relied on, and are, in fact, an authority with that of the first Houses in the principal cities in the United States and Canada.

Thirdly.—As a newspaper it presents to the American reader, in a concentrated state, and where the interest of the importance of the subject demands it, in the most detailed and ample form, every topic of political, commercial, domestic, and miscellaneous interest, which has occurred in Europe or elsewhere, since the departure of the previous packet—special regard being paid to whatever is most connected with, or relates to, the political, social, and commercial well-being of British America and the United States. Willmer & Smith's European Times, in short, takes a GLANCE at every circumstance in which the inhabitants of the great Western World can possibly feel an interest. It puts the American reader in possession, the moment it comes to hand, of whatever has transpired, during the interval in Europe—personal, political and commercial.

The subscription to this Paper is 16s. per annum, and may be ordered of JAMES CASE, Esquire, Postmaster, Chatham, Miramichi.
