

All may be cured, By

Holloway's Ointment!

FIFTY ULCERS CURED IN SIX WEEKS. Extract of a Letter from John Martin, Esq. "Chronicle" Office, Tobago, West Indies:— February 4th, 1845.

To Professor HOLLOWAY. Sir,—I beg to inform you that the inhabitants of this Island, especially those who cannot afford to employ medical gentlemen, are very anxious of having your astonishing Medicines within their reach, from the immense benefits some of them have derived from their use, as they have been found here, in several cases, to cure Sores and Ulcers of the most malignant and desperate kind. One gentleman in this Island, who had, I believe, about fifty running ulcers about his arms, legs, and body, who had tried all other Medicines before the arrival of yours, but all of which did him no good; but yours cured him in about six weeks, and he is now, by their means alone, quite restored to health and vigour.

JOHN MARTIN. PILES, FISTULAS, & BEARINGS-DOWN. A remarkable Cure by these Pills and Ointment.—A half-pay lieutenant, lately residing at St. Helier's, Jersey, whose name by request is omitted, had for three years suffered from piles and fistula, besides a general bearing down, of the most distressing nature. He had twice undergone an operation, but to no purpose, and at last gave himself up to despair. Yet, notwithstanding this complication of complaints, together with a debilitated constitution, he was completely cured of all his infirmities, and restored to the full enjoyment of health by these justly renowned medicines, when every other means had failed.

Extraordinary Cure in the West Indies, of Leprosy and other direful skin diseases. Mr LEWIS REEDON, of Georgetown, Demerara, writes under the above date—that Holloway's Pills and Ointment have cured bad legs that no doctor could manage, ulcers and sores that were of the most dreadful description, as likewise leprosy, blotches, scales, and other skin diseases of the most frightful nature, and that the cures effected there by these wonderful medicines are so numerous and extraordinary as to astonish the whole population.

CANCERED BREAST.—A WONDERFUL CIRCUMSTANCE. Copy of a Letter from Richard Bull, Bootmaker, Tatton, near Southampton. February 9th, 1845.

To Professor HOLLOWAY. Sir,—The Lord has permitted to be wrought a wonderful cure of Cancers or Abscesses, of 12 years' standing, in my wife's breast. In the latter part of the time, eleven wounds were open at once. The Faculty declared the case as past cure, several pieces of bone has come away, and I expected that my poor wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our utter astonishment, in the space of about three months, healed up the breast as soundly as ever it was in her life. I shall ever remain, your grateful servant, (Signed) RICHARD BULL.

WHEESING ON THE CHEST AND SHORTNESS OF BREATH. Copy of a Letter from Mr Jeremiah Casey, No. 1, Compton-place, Compton-street, Brunswick square, London, April 25th, 1845.

To Professor HOLLOWAY. Sir,—I beg to inform you that I believe I had been, for more than three years, one of the greatest sufferers in the world with Chronic Asthma. For weeks together my breath was frequently so short that I was afraid every moment of being choked with phlegm. I never went into a bed; very often, indeed, I have been obliged to pass the night without being able to recline sufficiently to lay my head on a table, lest I should be suffocated. No one thought I should live over the winter, nor did I expect it myself; but I am happy to say that I am now able to work from morning till night, and that I sleep as well as ever I did in my life; and this miracle (I may say) was effected by rubbing your invaluable Ointment twice a day into my chest, and taking ten of your Pills at bed time, and ten again in the morning, for about three months. JEREMIAH CASEY.

IN ALL DISEASES of the Skin, Bad Legs, Old Wounds and Ulcers, Bad Breasts, Sore Nipples, Stoney and Ulcerated Cancers, Tumours Swellings, Gout, Rheumatism, and Lumbago, likewise in cases of Piles; Holloway's Pills, in all the above cases, ought to be used with the Ointment; as by these means cures will be effected with a much greater certainty, and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of Mosquitoes, Sand-flies, Chiego-foot, Yaws, and Coco-bay, and all skin Diseases common to the East and West Indies, and other tropical climes. Burns, Scalds, Chilblains, Chapped Hands and Lips, also Bunions and soft Corns will be immediately cured by the use of this Ointment.

Sold by the Proprietor, 244, Strand, (near Temple Bar,) London, and by Mr JOHN FRASER, Chatham; and Mr M. M. SARGEANT, Newcastle, in Pots and Boxes, at 9d., 4s 6d., and 7s. There is a very considerable saving in asking the larger boxes. N. B.—Directions for the guidance of patients are affixed to each pot and box.

News from England.

WILLMER AND SMITH'S EUROPEAN TIMES, Which arrives by every steam ship at Halifax Comprises an English Newspaper,—a Shipping List,—and a General Price Current.

It is arranged and published Expressly for Nova Scotia, New Brunswick, Newfoundland, Canada, the United States, &c.

Of this Paper the "Boston Morning Post" says—"We are greatly indebted to this Newspaper for our Foreign, Miscellaneous, and Commercial News. One number of Willmer & Smith's European Times is worth a whole file of any other English paper."

During the time this Journal has been before the world, the Proprietors refer, with pleasure, to the praise which it has elicited from the press of England, Scotland, Ireland, the United States, the West Indies, and the encouragement it has received from the public of Canada and the United States.

THREE ESSENTIAL FEATURES DISTINGUISH IT FROM ALL CONTEMPORANEOUS PUBLICATIONS.

FIRST.—It contains a full, correct, and comprehensive Shipping List, arranged on a plan so plain and practicable, that "who runs may read." Persons interested in the Marine of British America may turn in an instant to the information which they seek, with the certainty relying on its truth. It thus supersedes shipping Lists, and other expensive publications from Europe, some of which are six times the price of Willmer & Smith's European Times.

SECONDLY.—It contains a Price Current of all the great British and European Markets, devoted principally to the articles of trade and commerce, more immediately appertaining to British America and the United States, and in which the Merchant, the Trader, and the man of business must feel an immediate interest. On the score of correctness, the Tabular Figures, and the remarks accompanying the various markets, showing their actual condition, may be relied on, and are, in fact, an authority with that of the first Houses in the principal cities in the United States and Canada.

THIRDLY.—As a newspaper, it presents to the American reader, in a concentrated state, and where the interest or the importance of the subject demands it, in the most detailed and ample form, every topic of political, commercial, domestic, and miscellaneous interest which has occurred in Europe or elsewhere, since the departure of the previous packet—especial regard being paid to whatever is most connected with, or relates to, the political, social, and commercial well-being of British America and the United States. Willmer & Smith's European Times, in short, takes a GLANCE at every circumstance in which the inhabitants of the great Western World can possibly feel an interest. It puts the American reader in possession, the moment it comes to hand, of whatever has transpired, during the interval in Europe—personal, political and commerce.

The subscription to this Paper is 16s. per annum, and may be ordered of JAMES CALE, Esquire, Postmaster, Chatham, Miramichi.

Worms: Worms:

Constock's Vermifuge.—This remedy for Worms is one of the most extraordinary ever used. It effectually eradicates worms of all sorts from children and adults.

Thousands perish by worms without the real cause being known. Some other reason is assigned for their sickness until too late to cure the real cause.

What immense responsibility then rests upon the parent who does not know, and the doctor who does not understand the complaint which is destroying those precious flowers of life—children.

What should be done?

The answer is plain. Give this Vermifuge, which will be sure to do good, if they have no worms, and if they have it will destroy and eradicate with a certainty and precision truly astonishing.

It cannot harm the smallest infant or the strongest adult. There is no mercury or mineral in it. Mercury is the basis of most worm remedies; and the remedy is sometimes worse than the disease. So never use lozenges, but rely upon this. Every person will be convinced on one trial that it is the most perfect cure ever invented.

We call on all good citizens to make known the effects of this wonderful remedy.

Connel's Magical Pain Extractor.—The most extraordinary article ever used for the following complaints—burns and scalds, frosted parts, chilblains, bruises, ringworms, scrofula, salt rheum, ulcers, eruptions, sore nipples, piles, inflamed skin, cuts, stabs, &c.

FOR THE HAIR.—Balm of Columbia.—The only safe and certain means of restoring hair from baldness or grayness, and of preserving a juvenile beauty from infancy to age. It thoroughly removes dandruff, produces eyebrows and whiskers, and fosters childrens hair to a beautiful luxuriance.

RHEUMATISM AND GOUT.—How numerous the instances of persons who suffer almost constantly the pain from rheumatic affections, swelled limbs, pain in the bones, &c., and who, although they have tried numerous remedies, experienced no relief. We would say to such that they can be entirely cured by using the Indian Vegetable Elixir and Lineament, which has effectually cured the most desperate cases, when the persons has been afflicted with it for years.

The only effectual Remedy for removing Hair.—What a blessing it is to the Ladies to know that there is at least one article that will eradicate superfluous hair effectually. It is called the French Depilatory. It will take off the strongest hair in three minutes from the time applied, and leave the skin whiter and softer than before.

What's the use of going with red, or grey Whiskers, when for 50 cents you can have them brown or black by applying the Naples Dye.

All the above articles are sold wholesale and retail by D. C. ROSS, 19, Tremont Row, Boston; and WM. J. FRASER, Miramichi.
