## RELIEF WARRANTED.

Great New England Remedy for Coughs, Colds, and all Lung Complaints!

Hunter's celebrated Pulmonary Balsam or Cough Syrup.

This pleasant and agreeable Syrup is now being sold in vast quantities, for the very good reason that almost universal relief has been found by the thousands who have made use of it for coughs, colds, and lung complaints, within the past year.

It comes from a quarter where cases of consumption have been most frequent, and where it has heretofore been most fatal in its termination, owing to an ever changing climate. It is a scientific preparation, having been got up by one of the most skillful and successful physicians in New England.

## Hunter's Pulmonary Balsam

Is a combination of ten distinct articles of medicine, each of which taken separately would be of service to a person afflicted with a cough or lung complaint. It is comparatively a new article, although it has been used for years in an extensive practice, with unparalleled success. Yet it is not more than one year since it has been put up in its present form for the purpose of circulating it. During this short time an almost incredible amount of it has been sold, whilst little effort has been made to increase its sale. It has depended upon its own merits, and thousands have been relieved and cured.

At one establishment, in Maine, 5 thousand bottles have been sold at retail within the last twelve months. More than fifty individuals who were pronounced decided and marked cases of consumption, in the city of Bangor and vicinity, have been entirely cured by the use of Hunter's Balsam. Frequent cases have occurred where strangers journeying for health, and passing where the article was kept, have been induced by the recommendations of others to purchase a bottle, and after using it, have sent from two to three hundred miles for it.

Hunter's Pulmonary Balsam is an agreeable syrup, and is warranted an effective remedy for coughs, hoarseness, colds, pain in the breast, influenza, hard breathing, liver and lung complaints, difficult expectoration. For adults and children in cold climates and warm. It has remained to a late day to discover an article so admirably adapted to these complaints, so powerful and effectual, and yet so perfectly innocent and mild. A single trial of it will do more to convince all of its merits than all they can see or hear on the subject. It is quite certain that no injury has ever been known to arise from its free use. An uncommon fact is that this remedy is a syrup, palatable and pleasant to the taste. Children take it with the greatest readiness.

600,000 Boxes sold the past year.

## Indian Dyspepsia Pills,

For cure of costiveness, acidity of the stomach bilious habits, headache, dizziness, heart burning, pain in the side, lung and liver complaints.

## Dyspepsia and Indigestion,

With costiveness, acidity of the stomach, heart burnings, bilious complaints, producing headache, pain in the side, loss of appetite, and general debility, can be remedied, removed, and entirely cured by the use of the Indian Dyspepsia pills. These pills have effected the most astonishing cures in hundreds of cases of the above complaints, and are an invaluable remedy, in an especial manner, for Dyspepsia. They are a mild and gentle Cathartic, operating mostly upon the blood, cleansing and purifying the same, and causing the digestive organs to perform their appropriate organs with regularity.

## Costiveness.

Habitual costiveness is, if not removed in time, a cause of more than half of the disorders and pains to which humanity is subject. The medicines too generally had recourse to do more harm than good, as they weaken the peristaltic action of the bowels, and thus aggravate instead of removing the complaint.

Also in all bilious diseases, attended with pain in the side and right shoulder blade, with a dull, sallow countenance. In all Diarrhoeas, ague and fever, bilious fever and sick head ache, they are an invaluable remedy.

For purifying the blood we do not believe these pills have their equal in the world.

## HOLLOWAY'S PILLS.

### A CASE OF DROPSY.

Extract of a Letter from Mr. Wm Gardner of Hanging Houton, Northamptonshire, dated September 14th, 1847.

SIR,—I before informed you that my wife had been tapped three times for the Dropsy, but by the blessing of God upon your Pills and her perseverance in taking them, the water has now been kept off 15 months by their means which is a great mercy.

(Signed) WILLIAM GARDNER.

## DISORDER OF THE LIVER AND KIDNEYS.

Extract of a Letter from Mr. J. K. Heydon dated 78, King Street, Sydney, New South Wales, the 30th September, 1847.

To Professor HOLLOWAY.

SIR,—I have the pleasure to inform you that Stuart A. Donaldson, Esq., an eminent Merchant and Agriculturalist and also a Magistrate of this Town, called on me on the 16th inst. and purchased your medicines to the amount of FOURTEEN POUNDS, to be forwarded to his sheep Stations in New England. He stated that one of his Overseers had come to Sydney some time previously for medical aid, his disorder being an affection of the Liver and Kidneys—that he had placed the man for three months under the care of one of the best Surgeons, without any good resulting from the treatment; the man then in despair used your Pills and Ointment, and much to his own and Mr. Donaldson's astonishment, was completely restored to his health by their means. Now this surprising cure was effected in about ten days.

(Signed) J. K. HEYDON.

## A DISORDER OF THE CHEST.

Extract of a Letter from Mr. Wm Browne, of 21, South Main Street, Bandon, Ireland, dated March 2nd, 1847.

To Professor HOLLOWAY.

SIR,—A young lady was suffering from a disorder of the chest, with her lungs so exceedingly delicate, that she had the greatest difficulty of breathing if she took a little cold, which was generally accompanied by nearly total loss of appetite, together with such general debility of body as to oblige her to rest herself when going up but one flight of stairs; she commenced taking your Pills about 6 months since, and I am happy to inform you they have restored her to perfect health.

(Signed) WM. BROWNE.

## THE EARL OF ALBOROUGH CURED OF A LIVER & STOMACH COMPLAINT.

Extract of a Letter from His Lordship, dated Villa Messina, Leghorn, 21st February, 1845.

To Professor HOLLOWAY.

SIR,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect; nay, not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Pot of the Ointment, in case any of my family should ever require either. Your most obliged and obedient Servant,

(Signed) ALBOROUGH.

## A CURE OF ASTHMA AND SHORTNESS OF BREATH.

Extract of a Letter from the Revd. David Williams, Resident Wesleyan Minister at Beaumaris, Island of Anglesea, North Wales, January 14th, 1845.

To Professor HOLLOWAY.

SIR,—The Pills which I requested you to send me were for a poor man of the name of Hugh Davis, who before he took them, was almost unable to walk for the want of breath! and had only taken them a few days when he appeared quite another man; his breath is now easy and natural, and he is increasing daily in strength.

(Signed) DAVID WILLIAMS
