

Famed throughout the Globe. HOLLOWAY'S PILLS.

A CASE OF DROPSY.

Extract of a Letter from Mr. Wm Gardner of Hanging Houlton, Northamptonshire, dated September 14th, 1847.

Sir,—I before informed you that my wife had been tapped three times for the Dropsy, but by the blessing of God upon your Pills and her perseverance in taking them, the water has now been kept off 18 months by their means which is a great mercy.

(Signed) WILLIAM GARDNER.
DISORDER OF THE LIVER AND KIDNEYS.

Extract of a Letter from Mr. J. K. Heydon dated 78, King Street, Sydney, New South Wales, the 30th September, 1847.

To Professor HOLLOWAY.

Sir,—I have the pleasure to inform you that Stuart A. Donaldson, Esq., an eminent Merchant and Agriculturalist and also a Magistrate of this Town, called on me on the 18th inst. and purchased your medicines to the amount of FOURTEEN POUNDS, to be forwarded to his sheep Stations in New England. He stated that one of his Overseers had come to Sydney some time previously for medical aid, his disorder being an affection of the Liver and Kidneys—that he had placed the man for three months under the care of one of the best Surgeons, without any good resulting from the treatment; the man then in despair used your Pills and Ointment, and much to his own and Mr. Donaldson's astonishment, was completely restored to his health by their means. Now this surprising cure was effected in about ten days.

(Signed) J. K. HEYDON.

A DISORDER OF THE CHEST.

Extract of a Letter from Mr. Wm Browne, of 21, South Main Street, Bandon, Ireland, dated March 2nd, 1847.

To Professor HOLLOWAY.

Sir,—A young lady was suffering from a disorder of the chest, with her lungs so exceedingly delicate, that she had the greatest difficulty of breathing if she took a little cold, which was generally accompanied by nearly total loss of appetite, together with such general debility of body as to oblige her to rest herself when going up but one flight of stairs; she commenced taking your Pills about months since, and I am happy to inform you they have restored her to perfect health.

(Signed) WM. BROWNE.
THE EARL OF ALBOROUGH CURED OF A LIVER & STOMACH COMPLAINT.

Extract of a Letter from His Lordship, dated Villa Messina, Leghorn, 21st February, 1845.

To Professor HOLLOWAY.

Sir,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect; nay, not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Pot of the Ointment, in case any of my family should ever require either. Your most obliged and obedient Servant,

(Signed) ALBOROUGH.

A CURE OF ASTHMA AND SHORTNESS OF BREATH.

Extract of a Letter from the Revd. David Williams, Resident Wesleyan Minister at Beaumaris, Island of Anglesea, North Wales, January 14th, 1845.

To Professor HOLLOWAY.

Sir,—The Pills which I requested you to send me were for a poor man of the name of Hugh Davis, who before he took them, was almost unable to walk for the want of breath; and had only taken them a few days when he appeared quite another man; his breath is now easy and natural, and he is increasing daily in strength.

(Signed) DAVID WILLIAM

The first subscription is due on the third day of January, 1848.

Trustees—with a seat at the board—Wm. Wright, Robert F. Hazen, Henry Chubb.

Directors—Charles Drury, Charles E. Raymond, William C. Dunham, John H. Gray, James Agnew, George Wheeler, James Poyntz, John C. Littlehale, Samuel Hughues.

Bankers—The Bank of New Brunswick.

Secretary & Treasurer—Mr Ch L Street.

This Society is established on a mutual simplified system—the most approved in England; and founded on a basis so sound as to give the most effectual security to its members.

THE DESIGN OF THIS SOCIETY IS

First—To enable persons to become their own Landlords, and purchase Freehold or Leasehold property, by advances made by the society.

(300 positively advanced for £36 a year, for about eleven and a half years, which sum pays both principal and interest. Other sums in proportion.)

Secondly—To provide a safe and profitable Fund for savings, or investments for small or large sums of money.

(This Society offers opportunities in this respect which no other institution in this province can do;—Savings' banks only pay five per cent, whereas this Society pays six per cent, compound interest.)

THE OTHER IMPORTANT ADVANTAGES ARE

1st—No money is lent but on security or real property.

2nd—New members are admitted up to the time the society will end, with equal proportionate advantages.

3rd—Any member may withdraw the amount of his shares at any time after the first year with the compound interest thereon. Shares may be transferred at any time.

4th—Members may invest their money in paid up shares, which will necessarily be doubled—sixty pounds at the commencement being worth one hundred and twenty pounds at the conclusion.

5th—Mortgages can be repaid at any time with proper notice.

6th—The account and bank books are open for inspection of members at every monthly meeting.

7th—Securities given by all officers of trust.

The board of directors in St John have the general management of the society—but for the purpose of accommodating persons resident in other parts of the province, branch offices, or agencies, are formed—where shares can be obtained, and all the payments made, in various district, and Local Boards of management will be established as soon as the number of shares taken in any district renders it advisable.

The funds are procured from the monthly subscriptions of the members, and also from monies invested in paid up shares, which will always ensure ample means for meeting the advances required.

The profits are certain, because the amount paid by the borrower, for advance, must necessarily form the fund for paying the lender.

The expenses of the society are small, as the officers act gratuitously, with the exception of the Secretary and Treasurer.

The fees and fines form a contingent fund, out of which the expenses are paid, and the balance, which will be very considerable, will go into the general fund which will lessen the duration of the society.

Every information, with copious prospectus, Rules, &c., can be obtained on application at the office of the society, or at the offices of the agents.

and Treasurer
