

PURIFY THE BLOOD MOFFAT'S VEGETABLE LIFE PILLS AND PHOENIX BITTERS

The high and envied celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

THE LIFE PILLS AND PHOENIX BITTERS
PURIFY THE BLOOD,
And thus remove all disease from the system.

A single trial will place the LIFE PILLS and PHOENIX BITTERS beyond the reach of competition in the estimation of every patient.

The genuine of these medicines are now put up in white wrappers and labels, together with a pamphlet, called "Moffat's Good Samaritan," containing the directions, &c., on which is a drawing of Broadway from Wall street to our Office, by which strangers visiting the city can very easily find us. The wrappers and Samaritans are copyrighted, therefore those who procure them with white wrappers can be assured that they are genuine. Be careful, and do not buy those with yellow wrappers; but if you do, be satisfied that they come direct from us, or don't touch them.

Holloway's Ointment!

FIFTY ULCERS CURED IN SIX WEEKS.
Extract of a Letter from John Martin, Esq., "Chronicle" Office, Tobago, West Indies:—

To Professor HOLLOWAY.
Sir,—I beg to inform you that the inhabitants of this island, especially those who cannot afford to employ medical gentlemen, are very anxious of having your astonishing Medicines within their reach, from the immense benefits some of them have derived from their use, as they have been found here, in several cases, to cure Sores and Ulcers of the most malignant and desperate kind. One gentleman in this island, who had, I believe, about fifty running ulcers about his arms, legs, and body, who had tried all other Medicines before the arrival of yours, out all of which did him no good; but yours cured him in about six weeks, and he is now, by their means alone, quite restored to health and vigour.

JOHN MARTIN.

PILES, FISTULAS, & BEARINGS-DOWN.

A remarkable Cure by these Pills and Ointment.—A half-pay lieutenant, lately residing at St. Helier's, Jersey, whose name by request is omitted, had for three years suffered from piles and fistula, besides a general bearing down, of the most distressing nature. He had twice undergone an operation, but to no purpose, and at last gave himself up to despair. Yet, notwithstanding the complication of complaints, together with a debilitated constitution, he was completely cured of all his infirmities, and restored to the full enjoyment of health by these justly renowned medicines, when every other means had failed.

Extraordinary Cure in the West Indies, of Leprosy and other direful skin diseases.

Mr LEWIS REEDON, of Georgetown, Demerara, writes under the above date,—that Holloway's Pills and Ointment have cured bad legs that no doctor could manage, ulcers and sores that were of the most dreadful description, as likewise leprosy, blotches, scales, and other skin diseases of the most frightful nature, and that the cures effected there by these wonderful medicines are so numerous and extraordinary as to astonish the whole population.

CANCERED BREAST.—A WONDERFUL CIRCUMSTANCE.

Copy of a Letter from Richard Bull, Bootmaker, Talton, near Southampton.

February 9th, 1845.

To Professor HOLLOWAY.

Sir,—The Lord has permitted to be wrought a wonderful cure of Cancers or Abscesses, of 12 years' standing, in my wife's breast. In the latter part of the time, eleven wounds were open at once. The Faculty declared the case as past cure, several pieces of bone had come away, and I expected that my poor wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our utter astonishment, in the space of about three months, healed up the breast as soundly as ever it was in her life. I shall ever remain, your grateful servant.

(Signed) **RICHARD BULL.**

WHEEZING ON THE CHEST AND SHORTNESS OF BREATH.

Copy of a Letter from Mr Jeremiah Casey, No. 1, Compton place, Compton street, Brunswick square, London, April 25th, 1845.

To Professor HOLLOWAY.

Sir,—I beg to inform you that I believe I had been, for more than three years, one of the greatest sufferers in the world with Chronic Asthma. For weeks together my breath was frequently so short that I was afraid every moment of being choked with phlegm. I never went into a bed; very often, indeed, I have been obliged to pass the night without being able to recline sufficiently to lay my head on a table, lest I should be suffocated. No one thought I should live over the winter, nor did I expect it myself; but I am happy to say that I am now able to work from morning till night, and that I sleep as well as ever I did in my life; and this miracle (I may say) was effected by rubbing your invaluable Ointment twice a day into my chest, and taking ten of your Pills at bed time, and ten again in the morning, for about three months.

JEREMIAH CASEY.
IN ALL DISEASES of the Skin, Bad Legs, Old Wounds and Ulcers, Bad Breasts, Sore Nipples, Stoney and Ulcerated Cancers, Tumours Swellings, Gout, Rheumatism, and Lumbago, likewise in cases of Piles; Holloway's Pills, in all the above cases, ought to be used with the Ointment; as by these means cures will be effected with a much greater certainty, and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of Mosquitoes, Sand-flies, Chigger-foot, Yaws, and Coco-bay, and all skin diseases common to the East and West Indies, and other tropical climes. Burns, Scalds, Chilblains, Chapped Hands and Lips, also Bunions and soft Corns will be immediately cured by the use of this Ointment.
