**RELIEF WARRANTED.**

Great New England Remedy for Coughs, Colds, and all Lung Complaints!

Hunter's celebrated Pulmonary Balsam or Cough Syrup.

This pleasant and agreeable Syrup is now being sold in vast quantities, for the very good reason that almost universal relief has been found by the thousands who have made use of it for coughs, colds, and lung complaints, within the past year.  
It comes from a quarter where cases of consumption have been most frequent, and where it has heretofore been most fatal in its termination, owing to an ever changing climate. It is a scientific preparation, having been got up by one of the most skilful and successful physicians in New England.

**Hunter's Pulmonary Balsam**

Is a combination of ten distinct articles of medicine, each of which taken separately would be of service to a person afflicted with a cough or lung complaint. It is comparatively a new article, although it has been used for years in an extensive practice, with unparalleled success. Yet it is not more than one year since it has been put up in its present form for the purpose of circulating it. During this short time an almost incredible amount of it has been sold, whilst little effort has been made to increase its sale. It has depended upon its own merits, and thousands have been relieved and cured.

At one establishment, in Maine, 5 thousand bottles have been sold at retail within the last twelve months. More than fifty individuals who were pronounced decided and marked cases of consumption, in the city of Bangor and vicinity, have been entirely cured by the use of Hunter's Balsam. Frequent cases have occurred where strangers journeying for health, and passing where the article was kept, have been induced by the recommendations of others to purchase a bottle, and after using it, have sent from two to three hundred miles for it.  
Hunter's Pulmonary Balsam is an agreeable syrup, and is warranted an effective remedy for coughs, hoarseness, colds, pain in the breast, influenza, hard breathing, liver and lung complaints, difficult expectoration. For adults and children in cold climates and warm. It has remained to a late day to discover an article so admirably adapted to these complaints, so powerful and effectual, and yet so perfectly innocent and mild. A single trial of it will do more to convince all of its merits than all they can see or hear of the subject. It is quite certain that no injury has ever been known to arise from its free use. An uncommon fact is that this remedy is a syrup, palatable and pleasant to the taste. Children take it with the greatest readiness.

**600,000 Boxes sold the past year.**  
**Indian Dyspepsia Pills,**  
For cure of costiveness, acidity of the stomach bilious habits, headache, dizziness, heart burning, pain in the side, lung and liver complaints.  
**Dyspepsia and Indigestion,**  
With costiveness, acidity of the stomach, heart burnings, bilious complaints, producing headache, pain in the side, loss of appetite, and general debility, can be remedied, removed, and entirely cured by the use of the Indian Dyspepsia pills. These pills have effected the most astonishing cures in hundreds of cases of the above complaints, and are an invaluable remedy, in an especial manner, for Dyspepsia. They are a mild and gentle Cathartic, operating mostly upon the blood, cleansing and purifying the same, and causing the digestive organs to perform their appropriate organs with regularity.

**Costiveness.**  
Habitual costiveness is, if not removed in time, a cause of more than half of the disorders and pains to which humanity is subject: The medicines too generally had recourse to do more harm than good, as they weaken the peristaltic action of the bowels, and thus aggravate instead of removing the complaint.  
Also in all bilious diseases, attended with pain in the side and right shoulder blade, with a dull, sallow countenance. In all Diarrhoeas, ague and fever, bilious fever and sick head aches they are an invaluable remedy.  
For purifying the blood we do not believe these pills have their equal in the world.

**Holloway's Ointment!**

**FIFTY ULCERS CURED IN SIX WEEKS.**  
Extract of a Letter from John Martin, Esq. Chronicle's Office, Tobago, West Indies:—  
To Professor HOLLOWAY.

Sir,—I beg to inform you that the inhabitants of this Island, especially those who cannot afford to employ medical gentlemen, are very anxious of having your astonishing Medicines within their reach, from the immense benefits some of them have derived from their use, as they have been found here, in several cases, to cure Sores and Ulcers of the most malignant and desperate kind. One gentleman in this Island, who had, I believe, about fifty running ulcers about his arms, legs, and body, who had tried all other Medicines before the arrival of yours, out all of which did him no good; but yours cured him in about six weeks, and he is now, by their means alone, quite restored to health and vigour.  
**JOHN MARTIN.**  
**PILES, FISTULAS, & BEARINGS-DOWN.**  
A remarkable Cure by these Pills and Ointment.—A half-pay lieutenant, lately residing at St. Helier's, Jersey, whose name by request is omitted, had for three years suffered from piles and fistula, besides a general bearing down, of the most distressing nature. He had twice undergone an operation, but to no purpose, and at last gave himself up to despair. Yet, notwithstanding this complication of complaints, together with a debilitated constitution, he was completely cured of all his infirmities, and restored to the full enjoyment of health by these justly renowned medicines, when every other means had failed.

**Extraordinary Cure in the West Indies, of Leprosy and other direful skin diseases.**  
Mr LEWIS REEDON, of Georgetown, Demerara, writes under the above date,—that Holloway's Pills and Ointment have cured bad legs that no doctor could manage, ulcers and sores that were of the most dreadful description, as likewise leprosy, blotches, scales, and other skin diseases of the most frightful nature, and that the cures effected there by these wonderful medicines are so numerous and extraordinary as to astonish the whole population.  
**CANCERED BREAST.—A WONDERFUL CURE.**  
Copy of a Letter from Richard Ball, Bootmaker, Tatton, near Southampton.  
February 9th, 1845.  
To Professor HOLLOWAY.

Sir,—The Lord has permitted to be wrought a wonderful cure of Cancers or Abscesses, of 12 years' standing, in my wife's breast. In the latter part of the time, eleven wounds were open at once. The Faculty declared the case as past cure, several pieces of bone has come away, and I expected that my poor wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our utter astonishment, in the space of about three months, healed up the breast as soundly as ever it was in her life. I shall ever remain, your grateful servant,  
(Signed) **RICHARD BULL.**  
**WHEEZING ON THE CHEST AND SHORTNESS OF BREATH.**  
Copy of a Letter from Mr Jeremiah Casey, No. 1, Compton-place, Compton-street, Brunswick square, London, April 25th, 1845.  
To Professor HOLLOWAY.

Sir,—I beg to inform you that I believe I had been, for more than three years, one of the greatest sufferers in the world with Chronic Asthma. For weeks together my breath was frequently so short that I was afraid every moment of being choked with phlegm. I never went into a bed; very often, indeed, I have been obliged to pass the night without being able to recline sufficiently to lay my head on a table, lest I should be suffocated. No one thought I should live over the winter, nor did I expect it myself; but I am happy to say that I am now able to work from morning till night, and that I sleep as well as ever I did in my life; and this miracle (I may say) was effected by rubbing your invaluable Ointment twice a day into my chest, and taking ten of your Pills at bed time, and ten again in the morning, for about three months. **JEREMIAH CASEY.**  
**IN ALL DISEASES** of the Skin, Bad Legs, Old Wounds and Ulcers, Bad Breasts, Sore Nipples, Sorey and Ulcerated Cancers, Tumours Swellings, Gout, Rheumatism, and Lumbago, likewise in cases of Piles; Holloway's Pills, in all the above cases, ought to be used with the Ointment; as by these means cures will be effected with a much greater certainty, and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of Mosquitoes, Sand-flies, Chigger-boots, Yaws, and Coco-bay, and all skin Diseases common to the East and West Indies, and other tropical climes. Burns, scalds, Chilblains, Chapped Hands and Lips, also Bunions and soft Corns will be immediately cured by the use of this Ointment.

McKENNA, Bathurst, in Pots and Boxes, at 1s 9d., 4s 6d., and 7s. There is a very considerable saving in taking the large boxes. N.
