Holloway's Ointment.

CURE OF FISTULOUS SORES AND PLEURISY

Extract of a Letter from Mr. Robert Calvert Chemist, Stokesley, dated September 3d. 1847.

To Professor HOLLOWAY.
 Sir,—Mr. Thomson, National Schoolmaster of this Town, desires me to send you the particulars of his son, who had been bad for three years and one half, and has received the greatest benefit by the use of your Pills and Ointment. He is of a scrofulous constitution; pleurisy had left a large collection of matter in the chest, this eventually formed a passage through the walls of the chest, and ended in three fistulous sores which discharged large quantities of pus, when he was induced to try your Pills and Ointment, at this date he was apparently in a dying condition; the stomach rejected every thing it took. Your Pills and Ointment had the effect of completely curing both the cough and stomach affections, his strength and flesh are also restored, his appetite keen, and digestion good. There is every prospect that a little future continuance of your medicines will finish the cure.
 (Signed) **ROBERT CALVERT.**

The *Mefusulite Newspaper*, published, at Meerut, has, on the 15th October 1847, copied an article from the *Benares Recorder*, of which the following is an Extract:—

The Prince of Maharajah Bissonath Singh, who was temporarily residing at Chittercote, was suddenly taken ill with Spasmodic Colic, and during his illness His Holiness often asked for Holloway's Pills and Ointment, as he had heard much of their virtues, but none could be obtained in the neighbourhood, and Professor Holloway, no doubt, unfortunately loses a certificate which would have graced and dignified his list of cures.

The native Princess are now using Holloway's Pills and Ointment in preference to every other medicine, they being so wonderfully efficacious in the cure of diseases in India.

Cure of Ulcers where there existed Diseased Bone

Extract of a Letter from Mr. James Wetmore, Hampton, N. B., dated February 10th, 1847.

To Messrs. PETERS & TILLEY.
 Gentlemen—I feel it is but due to Professor Holloway to inform you, as his is for this Province, of a remarkable cure performed upon my Son. He had been afflicted with Ulcers upon his limbs and body for more than three years, from which small pieces of bone had been removed. I tried several medical men in St. John, but all to no purpose. I was then induced to try Holloway's Pills and Ointment, which made a complete cure, several months have elapsed but there is not the slightest appearance of the cure not being the most complete.
 (Signed) **JAMES WETMORE.**

CURE OF THE PILES.

Extract of a Letter from Joseph Medcalf, Dated, Beverly, June 17, 1848.

 Sir—For some years I had laboured dreadfully with bleeding Piles, by divine blessing, together with the use of your Pills and Ointment, I have been perfectly cured, and never was there a greater sufferer with Piles than myself.
 (Signed) **JOSEPH MEDCALF.**

 Dear Sir,—Having devoted my attention for some years to cutaneous or skin diseases, I think it but right to inform you that I have in various cases recommended the use of your Pills and Ointment, and invariably found them to have the most perfect effect in removing those diseases.
 (Signed) **W. E. POWELL, M. D.**

The Monthly subscriptions are payable to Saint John on the first Monday in every month and at the Branch Offices, or Agencies, on the Thursday previous.

The first subscription is due on the third day of January, 1848.

Trustees—with a seat at the board—Wm. Wright, Robert F. Hazen, Henry Chubb. Directors—Charles Drury, Charles E. Raymond, William C. Dunham, John H. Gray, James Agnew, George Wheeler, James Poyntz, John C. Littlehale, Samuel Huyghebaert, Bankers—The Bank of New Brunswick.

Secretary & Treasurer—Mr Ch. L. Street. This Society is established on a mutual simplified system—the most approved in England; and founded on a basis so sound as to give the most effectual security to its members.

THE DESIGN OF THIS SOCIETY IS

First—To enable persons to become their own Landlords, and purchase Freehold or Leasehold property, by advances made by the society.

(300 positively advanced for £36 a year, for about eleven and a half years, which sum pays both principal and interest. Other sums in proportion.)

Secondly.—To provide a safe and profitable Fund for savings, or investments for small or large sums of money.

(This Society offers opportunities in this respect which no other institution in this province can do;—Savings' banks only pay five per cent, whereas this Society pays six per cent, compound interest.)

THE OTHER IMPORTANT ADVANTAGES ARE

1st.—No money is lent but on security of real property.

2nd.—New members are admitted up to the time the society will end, with equal proportionate advantages.

3rd.—Any member may withdraw the amount of his shares at any time after the first year with the compound interest thereon. Shares may be transferred at any time.

4th.—Members may invest their money in paid up shares, which will necessarily be doubled—sixty pounds at the commencement being worth one hundred and twenty pounds at the conclusion.

5th.—Mortgages can be repaid at any time with proper notice.

6th.—The account and bank books are open for inspection of members at every monthly meeting.

7th.—Securities given by all officers of real property.

The board of directors in St John have the general management of the society—but for the purpose of accommodating persons resident in other parts of the province, branch offices, or agencies, are formed—where shares can be obtained, and all the payments made, in various district, and Local Boards of management will be established as soon as the number of shares taken in any district render it advisable.

The funds are procured from the monthly subscriptions of the members, and also from monies invested in paid up shares, which will always ensure ample means for meeting the advances required.

The profits are certain, because the amount paid by the borrower, for advance, must necessarily form the fund for paying the lender.

The expenses of the society are small, as the officers act gratuitously, with the exception of the Secretary and Treasurer.

The fees and fines form a contingent fund, out of which the expenses are paid, and the balance, which will be very considerable, will go into the general fund which will lessen the duration of the society.

Every information, with copious prospectus, Rules, &c., can be obtained on application at the office of the society, or at the offices of the agents.
