CURE OF FISTULOUS SORES AND PLEURISY

Extract of a Letter from Mr. Robert Calvert Chemist, Stokesley, dated September 2d. 1847.

To Professor HOLLOWAY.

Sir,—Mr. Thomson, National Schoolmaster, of this Town, desires me to send you the particulars of his son, who had been bad for three years and one half, and has received the greatest benefit by the use of your Pills and Ointment. He is of a scrofulous constitution; pleurisy had left a large collection of matter in the chest, this eventually formed a passage through the walls of the chest, and ended in three fistulous sores which discharged large quantities of pus, when he was induced to try your Pills and Ointment, at this date he was apparently in a dying condition; the stomach rejected every thing it took. Your Pills and Ointment had the effect of completely curing both the cough and stomach affections, his strength and flesh are also restored, his appetite keen, and digestion good. There is every prospect that a little future continuance of your medicines will finish the cure.

(Signed) ROBERT CALVERT.

The Mercantile Newspaper, published, at Meerut, has, on the 15th October 1847, copied an article from the 'Benares Recorder,' of which the following, is an Extract:—

The Prince of Maharejah Bissonath Singh, who was temporarily residing at Chittercoote, was suddenly taken ill with Spasmodic Colic, and during his illness His Holiness often asked for Holloway's Pills and Ointment, as he had heard much of their virtues, but none could be obtained in the neighbourhood, and Professor Holloway, no doubt, unfortunately loses a certificate which would have graced and dignified his list of cures.

The native Princess are now using Holloway's Pills and Ointment in preference to every other medicine, they being so wonderfully efficacious in the cure of diseases in India.

Cure of Ulcers where there existed Diseased Bone Extract of a Letter from Mr. James Wetmore, Hampton, N. B., dated February 10th, 1847.

To Messrs. PETERS & TILLEY.

Gentlemen—I feel it is but due to Professor Holloway to inform you, as his Agents of this Province, of a remarkable cure performed upon my Son. He had been afflicted with Ulcers upon his limbs and body for more than three years, from which small pieces of bone had been removed. I tried several medical men in St. John, but all to no purpose. I was then induced to try Holloway's Pills and Ointment, which made a complete cure, several months have elapsed but there is not the slightest appearance of the cure not being the most complete.
