

GALVANISM, AND Electro-Magnetism!

The advantageous application of those wonderful Agents to a number of diseases, is now carried to an immense extent both in Great Britain and America. The Galvanic Fluid and Nervous Fluid have been established by scientific physiologists as being identical.—consequently diseases residing in the nerves are more likely to receive benefit from such an all-pervading and congenial fluid than nostrums introduced into the system. The complaints which merit particular attention are Rheumatism, partial or complete Paralysis, and contracted muscles and sinews.

Having received an elegant Electro-Magnetic apparatus, I will be prepared to subject any who may desire it to its restorative influences. In this apparatus the development of this subtle principle is greatly improved, as it has a complete controlling power by which a constant current of the greatest quantity and intensity can be supplied and graduated to one which is hardly sensible. It is then evident by such an arrangement its efficiency is completely secured, while the exploded system of shocks may entirely be dispensed with.

WILLIAM FORBES.

From W. H. Halse's Treatise on Medical Galvanism.

"Galvanism, as a remedial agent, is daily becoming more evident to me; for I find it to succeed in cases where the old drug system, and the new drug system, and where the much vaunted water system, have all failed."

Holloway's Pills.

CURE OF ASTHMA.

Extract of a Letter from Mr Benjamin Mackie, a respectable Quaker, dated Creeagh, near Loughall, Ireland, dated September 11th, 1843.

To Professor HOLLOWAY. RESPECTED FRIEND,—Thy excellent Pills have effectually cured me of an Asthma, which afflicted me for three years to such an extent, that I was obliged to walk my room at night for air, afraid of being suffocated if I went to bed by cough and phlegm. Besides taking the Pills, I rubbed plenty of thy Ointment into my head night and morning.

(Signed) BENJAMIN MACKIE.

CURE OF TYPHUS FEVER, WHEN SUPPOSED TO BE AT THE POINT OF DEATH.

A respectable female in the neighborhood of Loughall, was attacked with Typhus Fever, and lay for five days without having tasted any description of food. She was given over by the Surgeon, and preparations were made for her demise. Mr Benjamin Mackie, the Quaker, whose case is referred to above, heard of the circumstance, and knowing the immense benefit that he himself had derived from Holloway's Pills, recommended an immediate trial, and eight were given to her, and the same number was continued night and morning for three days, and in a very short time she was completely cured.

N. B.—From advice just received, it appears that Colynel Dear, who is with his Regiment in India, the 21st Fusiliers, cured himself of a very bad attack of Fever by these celebrated Pills. There is no doubt that any Fever, however malignant, may be cured by taking night and morning, copious doses of this fine medicine. The patient should be induced to drink plentifully of warm linseed tea or barley water.

CURE OF DROPSY IN THE CHEST.

Extract of a Letter from J. S. Mundy, Esq. dated Kennington, near Oxford, December 2nd, 1848.

To Professor HOLLOWAY.

Sir,—My Shepherd for some time was afflicted with water on the chest; when I heard of it, I immediately advised him to try your Pills, which he did, and was perfectly cured, and is now as well as ever he was in his life. As I myself received so astonishing a cure last year from your Pills and Ointment, it has ever since been my most earnest endeavor to make known their excellent qualities.

(Signed) J. S. MUNDY.

THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from His Lordship, dated Villa Messina, Leghorn, 21st February, 1845.

To Professor HOLLOWAY.

Sir,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to affect; nay, not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Pot of the Ointment, in case any of my family should ever require either.

(Signed) ALDBOROUGH.

CURE OF A DEBILITATED CONSTITUTION.

Mr Mate, a storekeeper, of Gundagai, New South Wales, had been for some time in a most delicate state of health, his constitution was so debilitated, that his death was shortly looked upon by himself and friends as certain; but as a forlorn hope he was induced try Holloway's Pills, which had an immediate and surprising effect upon his system, and the result was to restore him in a few weeks to perfect health and strength, to the surprise of all who knew him. He considered his case an extraordinary that he, in gratitude, sent it for publication to the Sydney Morning Herald, in which paper it appeared on the 2nd January, 1849. A few doses of the Pills will quickly rally the energies of both body and mind, when other medicines have failed.

These celebrated Pills are wonderfully efficacious in the following complaints:

Bilious Complaints	Erysipelas	Liver Complaints
