

**GALVAISM, AND Electro-Magnetism!**

The advantageous application of those wonderful Agents to a number of diseases, is now carried to an immense extent both in Great Britain and America. The Galvanic Fluid and Nervous Fluid have been established by scientific physiologists as being identical, consequently diseases residing in the nerves are more likely to receive benefit from such an all-pervading and congenial fluid than nostrums introduced into the system. The complaints which merit particular attention are Rheumatism, partial or complete Paralysis, and contracted muscles and sinews.

Having received an elegant Electro-Magnetic apparatus, I will be prepared to subject any who may desire it to its restorative influences. In this apparatus the development of this subtle principle is greatly improved, as it has a complete controlling power by which a constant current of the greatest quantity and intensity can be supplied and graduated to one which is hardly sensible. It is then evident by such an arrangement its efficiency is completely secured, while the exploded system of shocks may entirely be dispensed with.

WILLIAM FORBES.

From W. H. Halse's Treatise on Medical Galvanism.

"Galvanism, as a remedial agent, is daily becoming more evident to me; for I find it to succeed in cases where the old drug system, and the new drug system, and where the much vaunted water system, have all failed."

You may be Cured yet!

**Holloway's Ointment.**

**CURE OF RHEUMATISM AND RHEUMATIC GOUT.**

Extract of a Letter from Mr Thomas Brunton, Landlord of the Waterloo Tavern, Coatham, Yorkshire, late of the Life Guards, dated September 25th, 1848.

To Professor HOLLOWAY.

Sir—For a long time I was a martyr to Rheumatism and Rheumatic Gout, and for ten weeks previous to using your medicines, I was so bad as not to be able to walk. I had tried doctoring and medicines of every kind, but all to no avail, indeed I daily got worse, and felt that I must shortly die. From seeing your remedies advertised in the paper I take in, I thought I would give them a trial. I did so. I rubbed the Ointment in as directed, and kept cabbage leaves to the parts thickly spread with it, and took the Pills night and morning. In three weeks I was enabled to walk about for an hour or two in the day with a stick, and in seven weeks I could go any where without one. I am now, by the blessing of God and your medicines, quite well, and have been attending to my business for more than seven months, without any symptoms of the return of my old complaint.

Besides my case of Rheumatic Gout, I have lately had proof that your Pills and Ointment will heal any old wound or ulcer, as a married woman, living near me, had had a bad leg for four years, which no one could cure, and I gave her some of your Pills and Ointment, which soundly healed it when nothing else would do it. For your information I had the honor to serve my country for twenty five years in the first regiment of Life Guards, and was eighteen years a corporal. I was two years in the Peninsula War, and was at the Battle of Waterloo. I was discharged with a pension on the 2nd September, 1833. The commanding officer at the time was Colonel Lygon, who is now a General. I belonged to the troop of Captain the Honorable Henry Baring.

(Signed) THOMAS BRUNTON.

**CURE OF A BAD LEG OF TWENTY ONE YEARS' STANDING.**

Extract of a Letter from Mr Andrew Brack, Blacksmith, Eyemouth, near Berwick, dated the 10th of August, 1848.

To Professor HOLLOWAY,

Sir,—With pleasure and gratitude I have to inform you, that after suffering for twenty one years with a bad leg, which yielded to no kind of treatment, although I consulted, at different times, every medical man of eminence in this part of the country, but all to no purpose. I was frequently unable to work; and the pain and agony I often endured no one can tell. My leg is now as sound as ever it was in my life by means of your Pills and Ointment, which I purchased from Mr I. Davidson, Druggist, Berwick-upon-Tweed, who knows my case well, and will, I am sure, be happy to certify with me, if necessary, as to the truth of his wonderful cure.

(Signed) ANDREW BRACK.

**AMPUTATION OF TWO TOES PREVENTED.**

Extract of a letter from Mr Oliver Smith Jenkins, dated Falkirk, August 13, 1848.

To Professor HOLLOWAY,

Sir,—I was superintending about six months ago, the erection of one of our Railway bridges, and by the fall of a large stone my right foot was seriously bruised, which ultimately got so bad, that I was advised to go to Edinburgh, to consult some of the eminent physicians, which I did, and was told that in order to save my foot, two of my toes must be taken off. In despair I returned home to impart the melancholy news to my wife, intending to submit to the operation, it was then a thought struck me to try your valuable Ointment and Pills, which I did, and was by their means in three weeks enabled to resume my usual occupation, and at this time my toes are perfectly cured. (Signed) OLIVER S. JENKINS

**AN EXTRAORDINARY CURE OF A DESPERATE SKIN DISEASE.**

On the 21st July, 1848, the Editor of the "Moussine" newspaper, published in India, inserted the following article in his newspaper: "We know for a fact that Holloway's Pills and Ointment act in a most wonderful manner upon the constitution, as an eccentric Cooly named Ehza, employed in our establishment was afflicted with myriads of Ringworms which defied all the Meerut Doctors, and promised to devour the poor man before he was underground; we tried "Holloway" upon him, and in a month he was perfectly restored to his former condition and cleanliness of skin. The effect was miraculous.

The Pills should be used conjointly with the Ointment in most of the following cases:—  
Bad Legs      Chicago foot      Fistulas  
Bad Breasts      Chilblains      Gout  
Burns      Chapped hands      Glandular
