

Valuable Property for Sale.

The subscriber, being about to retire from business, offers to sell by PUBLIC AUCTION, at the Court House, Newcastle, on WEDNESDAY, the 12th September next, at 12 o'clock, noon.

Beaubair's Island,

With the whole of the Establishment for carrying on an extensive Mercantile, Shipbuilding, and Fishing business.

The Island is a mile and a quarter long, of an irregular width, not exceeding any where half a mile. It contains 300 acres of land, (more or less) and is situated at the confluence of the North and South West branches of Miramichi River, near the head of the navigation for vessels of the largest class, two miles from Newcastle, the Shire Town of the County, and six miles from Chatham. There are from 20 to 25 acres of the land under cultivation, and the rest of the Island is well wooded.

There is an excellent two story STONE DWELLING HOUSE, pleasantly situated on the South side of the Island, near the lower end. It is 40 by 33 feet, thoroughly finished, has a frost proof cellar, kitchen, well of water, wood house, coach house, convenient Out Houses, and a large Kitchen Garden, the whole being furnished with every comfort and convenience for a large family.

The Barn will contain from 30 to 40 tons of Hay, and stabling for five or six horses, besides cattle.

The Retail Store is situated near the Dwelling House, is two stories high, with a Cellar underneath the whole. The shop is fitted up with the usual conveniences. There is a back store, and a comfortable office, with ample room on the upper floor for storage.

There is another Store, two stories high, used as an iron and provision store, having ample room to contain a large stock.

A Wharf runs out into the river in front of the retail store, at which ships of from 5 to 600 tons can discharge and load. On this wharf there is a new Store 90 by 18 feet, two stories high, finished and fitted up as a warehouse.

There is also a Salt Store, one and a half story high, close to the wharf, which will contain upwards of three hundred tons. There is a safe and convenient Boom, capable of holding from 7 to 800 tons of Timber, between the wharf and the lower end of the Island, near which there is a Ballast Berth, which has been used for many years. There is also a convenient Deal Yard adjoining above the salt store, which will accommodate, without any further expense, a million of deals.

The SHIP YARD is also on the South side, about the center of the Island, completely sheltered from every wind except the South East. There are now three ships building in it, each upwards of 500 tons, with accommodation to lay down two more. The Yard has attached to it a Blacksmith's shop with three fires; a Joiner's shop, 40 feet long; a Moulding Loft of sufficient dimensions for laying down a ship of the largest class; a Shed and two Saw Pits, a Steam Box and Boiler, and every other convenience.

There is a Cook House, with frost proof cellar, well of water, kitchen, eating rooms, bed rooms, and accommodation for 50 workmen. There is a comfortable house for a Foreman, with a barn and garden attached, near the building yard.

The workmen's houses are situated in a range, but distinct from each other, along the South side of the Island, just below the yard. There are seven houses, one and a half story high each; they are framed buildings, finished outside and plastered inside. Two of them contain apartments for three families each; the other five for two families each. Each dwelling has a distinct entrance, and there is a Garden Plot set apart for each family. An excellent well of water is situated close to these buildings, and the whole brings in an annual rent of £90.

There is a good Salmon Fishery on the North side of the Island, and the Gasperaux Fishery is prosecuted all round it.

Shipbuilding materials can be procured from the surrounding country, within a moderate distance, and hauled into the yard in any quantity that may be required, during the winter season.

Altogether, the subscriber believes, from his own experience for upwards of ten years, that there is not a more desirable or advantageous situation in the lower Colonies, for Shipbuilding; and he is satisfied that any man of prudence and experience might, with the command of a reasonable amount of capital, continue the business from which he is about retiring, with every prospect of making money.

The purchaser of the Island may obtain any of the stock and materials remaining on hand, on very moderate terms.

The Terms of Sale will be liberal, and a part of the purchase money may remain on security, for such period as may be agreed upon.

For further information apply to the subscriber on the premises, to JAMES ADAMS, Esq., Nelson street, St. John, or to Mr. GEORGE H. RUSSELL, merchant, Chatham.

Holloway's Ointment.

CURE OF RHEUMATISM AND RHEUMATIC GOUT.

Extract of a Letter from Mr Thomas Brunton, Landlord of the Waterloo Tavern, Coutham, Yorkshire, late of the Life Guards, dated September 28th, 1848.

To Professor Holloway.

Sir,—For a long time I was a martyr to Rheumatism and Rheumatic Gout, and for two weeks previous to using your medicines, I was so bad as not to be able to walk. I had tried doctoring and medicines of every kind, but all to no avail, indeed I daily got worse, and felt that I must shortly die. From seeing your remedies advertised in the paper I take in, I thought I would give them a trial. I did so. I rubbed the Ointment in as directed, and kept cabbage leaves to the parts thickly spread with it, and took the Pills night and morning. In three weeks I was enabled to walk about for an hour or two in the day with a stick, and in seven weeks I could go any where without one. I am now, by the blessing of God and your medicines, quite well, and have been attending to my business for more than seven months, without any symptoms of the return of my old complaint.

Besides my case of Rheumatic Gout, I have lately had proof that your Pills and Ointment will heal any old wound or ulcer, as a married woman, living near me, had had a bad leg for four years, which no one could cure, and I gave her some of your Pills and Ointment, which speedily healed it when nothing else would do it. For your information I had the honor to serve my country for twenty five years in the first regiment of Life Guards, and was eighteen years a corporal. I was two years in the Peninsula War, and was at the Battle of Waterloo. I was discharged with a pension on the 2nd September, 1833. The commanding officer at the time was Colonel Lygon, who is now a General. I belonged to the troop of Captain the Honorable Henry Baring.

(Signed) THOMAS BRUNTON.

CURE OF A BAD LEG OF TWENTY ONE YEARS' STANDING.

Extract of a Letter from Mr Andrew Brack, Blacksmith, Eyemouth, near Berwick, dated the 10th of August, 1843.

To Professor Holloway.

Sir,—With pleasure and gratitude I have to inform you, that after suffering for twenty one years with a bad leg, which yielded to no kind of treatment, although I consulted, at different times, every medical man of eminence in this part of the country, but all to no purpose. I was frequently unable to work; and the pain and agony I often endured no one can tell. My leg is now as sound as ever it was in my life by means of your Pills and Ointment, which I purchased from Mr. I. Davidson, Druggist, Berwick-upon-Tweed, who knows my case well, and will, I am sure, be happy to certify with me, if necessary, as to the truth of this wonderful cure.

(Signed) ANDREW BRACK.

AMPUTATION OF TWO TOES PREVENTED.

Extract of a letter from Mr Oliver Smith Jenkins, dated Falkirk, August 13, 1843.

To Professor Holloway.

Sir,—I was superintending about six months ago, the erection of one of our Railway bridges, and by the fall of a large stone my right foot was seriously bruised, which ultimately got so bad, that I was advised to go to Edinburgh, to consult some of the eminent physicians, which I did, and was told that in order to save my foot, two of my toes must be taken off. In despair I returned home to impart the melancholy news to my wife, intending to submit to the operation, it was then a thought struck me to try your valuable Ointment and Pills, which I did, and was by their means in three weeks enabled to resume my usual occupation, and at this time my toes are perfectly cured. (Signed) OLIVER SMITH JENKINS.

AN EXTRAORDINARY CURE OF A DESPERATE SKIN DISEASE.

On the 21st July, 1843, the Editor of the "Morning Star" newspaper, published in India, inserted the following article in its newspaper:

"We know for a fact that Holloway's Pills and Ointment act in a most wonderful manner upon the constitution, as an eccentric Coole named Eliza, employed in our establishment, was afflicted with myriads of Kingworms, which defied all the Medical Doctors, and promised to devour the poor man before he was underground; we tried 'Holloway's' upon him, and in a month he was perfectly restored to his former condition and cleanliness of skin. The effect was miraculous.

The Pills should be used conjointly with the Ointment in most of the following cases:—
Bad Legs Chicago foot Fistulas
Bad Breasts Chloasias Gout
Burns Chapped hands Ganglions
Blisters Corns (soft) swellings
Bite of Mosquitoes Cancers Lumbago
toes and Sand Contracted and Piles
flies Sufflants Rheumatism
