The high and envied celebrity which these pre-eminent medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

Celebrated throughout the Globe! Holloway's Ointment.

CURE OF FISTULOUS SORES AND PLEURISY

Extract of a Letter from Mr. Robert Calvert, Chemist, Stokesley, dated September 2d 1847.

To Professor HOLLOWAY.

Sir,—Mr Thomson, National Schoolmaster, of this Town, desires me to send you the particulars of his son, who had been bad for three years and one half, and has received the greatest benefit by the use of your Pills and Ointment. He is of a scrofulous constitution; pleurisy had left a large collection of matter in the chest, this eventually formed a passage through the walls of the chest, and ended in three fistulous sores which discharged large quantities of pus, when he was induced to try your Pills and Ointment, at this date he was apparently in a dying condition; the stomach rejected every thing it took. Your Pills and Ointment had the effect of completely curing both the cough and stomach affections, his strength and flesh are also restored, his appetite keen, and digestion good. There is every prospect that a little future continuance of your medicines will finish the cure.

(Signed) ROBERT CALVERT.

The *Mosulite Newspaper*, published, at Meerut has, on the 15th October 1847, copied an article from the *Benares Recorder*, of which the following, is an Extract:—

The Prince of Maharajah Bissonath Singh, who was temporarily residing at Chattercote, was suddenly taken ill with Spasmodic Colic, and during his illness His Holiness often asked for Holloway's Pills and Ointment, as he had heard much of their virtues, but none could be obtained in the neighbourhood, and Professor Holloway, no doubt, unfortunately loses a certificate which would have graced and dignified his list of cures.

The native Princess are now using Holloway's Pills and Ointment in preference to every other medicine, they being so wonderfully efficacious in the cure of diseases in India.

Cure of a bad Leg of thirty years standing. June 7th, 1847.

I George Bourne, Butcher of Stockton-upon-Tees, do hereby certify, that my wife had a bad leg for thirty years by the bursting of a vein, her sufferings were intense, she had been under the care of most of the eminent men in the neighbourhood, but to no purpose, and was afterwards perfectly cured in eight weeks by Holloway's Pills and Ointment.

Cure of Ulcers where there existed Diseased Bone

Extract of a Letter from Mr. James Wetmore, Hampton, N. B., dated February 10th, 1847.

To Messrs. PETERS & TILLEY

Gentlemen—I feel it is but due to Professor Holloway to inform you, as his Agents in this Province, of a remarkable cure performed upon my Son. He had been afflicted with Ulcers upon his limbs and body for more than three years, from which small pieces of bone had been removed. I tried several medical men in St. John, but all to no purpose. I was then induced to try Holloway's Pills and Ointment, which made a complete cure, several months have elapsed but there is not the slightest appearance of the cure not being the most complete.

(Signed) JAMES WETMORE.

CURE OF THE PILES.

Extract of a Letter from Joseph Medcalf, Dated, Beverly, June 17, 1848.

To Professor HOLLOWAY

Sir—For some years I had laboured dreadfully with bleeding Piles, by divine blessing, together with the use of your Pills and Ointment, I have been perfectly cured, and never was there a greater sufferer with Piles than myself.

(Signed) JOSEPH MEDCALF.

To Professor HOLLOWAY.

Dear Sir,—Having devoted my attention for some years to cutaneous or skin diseases, I think it but right to inform you that I have in various cases recommended the use of your Pills and Ointment, and invariably found them to have the most perfect effect in removing those diseases.
