PITTSBURGH, Nov. 25.

Riot near Pittsburgh.—A report reached here yesterday, P. M., that a terrible riot had broken out among the Irish working at the Charlestown Railroad, some 10 miles below this city. Report says five or six were killed, and the fight was still going on. The news rapidly spread, and in a short time the sheriff, with two military companies, left for the scene of disturbance.

PORT OF MIRAMICHI.

Late Arrivals.—The schooner Primrose, O'Brien, after being out upwards of three weeks from Halifax, made her appearance on Thursday afternoon last; and a few hours afterwards, the schooner Elizabeth, Harding, from Boston. We believe this is the latest date of any arrival at this port, at least within our recollection. The Herald, Horan, from Boston, is still due: she left the same day as the Elizabeth.

The Elizabeth took in a cargo of salt, and proceeded to sea on Saturday, and the Primrose a cargo of deals, and left on Sunday afternoon. It is reported that the Herald, Horan is below. We sincerely hope so.

The St. John Morning News,

FOR THE COUNTRY, (Published every Wednesday in time for the Afternoon Mails.)

Contains more reading matter than any other two papers in New Brunswick. The terms per annum are one half less than those of any other paper printed, viz: Single Copies, 7s. 6d.; Ten Copies only \$10. (Invariably in Advance.)

The MORNING NEWS—on account of its astonishing cheapness, its originality, and facilities for obtaining the latest news and conveying to all parts of the Province—has perhaps the largest country circulation of any paper published in British America. Its principles are thoroughly known to be Reform to the letter.

Our subscribers will confer a favor, and assist the cause of Reform, by using their influence among their friends to obtain new subscribers.—The forthcoming Session will be the most interesting of any that has ever been held in New Brunswick—and the Morning News will be on hand to give an outline of every day's proceedings, as in former years.

Will our friends oblige by soliciting subscribers, and forward immediately, as a new volume is about commencing?
