SERS, best quality; Blue Plaid Ditto.All descriptions of
WALKING AND RIDING TROUSERS,
Driving and Box COATS. A great variety of
BOYS' CLOTHES.In drawing attention now, at the commence-
ment of the Spring Trade, to our Large Estab-
lishment,Corner of King and Cross Streets,
we wish briefly to enumerate the advantages
which we offer to our customers and the pub-
lic. We have always studiously avoided
claiming to ourselves any power of selling at
30 or 40 per cent. under others in the trade,
but simply rested our claims on our extensive
experience—buying our Goods direct from the
best manufacturers at cash prices.In commencing the Clothing Business some
time ago, in St. John, in addition to our large
Custom Trade, we introduced a scale of prices
little known previously to the respectable
class of the public. This we were enabled to
do by entirely rejecting the long credit system,
and applying first rate articles at a moderate
scale of profit for cash.Our theory has invariably been, that im-
provements can always be introduced. This
year we endeavor to do better than last.**PRICES THE LOWEST—QUALITY**
THE BEST—AND WORKMEN
SUPERIOR.And by thus continuing to progress during the
few years we have been in business, we ap-
prehend we have now brought our business to
a point surpassed by none.The superiority of our style of Cutting is
well known. The newest Paris and London
Styles are introduced as early as in New York
or Boston, and every improvement is at once
adopted. In alluding to the large Stock of
Clothes in our Establishment, we may merely
state that it comprises the best assortment of
FRENCH & GERMAN TWILL'D CLOTHS
and **DOESKINS**, of every shade and color to
be found.Having thus alluded to the general arrange-
ments of our business, as far as regards the
Order Department, we wish particularly to
draw attention to the other very large and in-
creasing branch of our business, viz:**The Extensive Ready Made**
Department.Of this branch we may say, that every arti-
cle in our Establishment is made up as carefully
as if ordered. No workman is too good to
be employed by us. We make all descrip-
tion of Garments, up to the highest price
COATS. Numbers have proved and acknow-
ledged the value of being at once fitted.Some idea may be formed of the system
pursued, when we state that in Coats we keep
thirty six sizes, so that all shapes and heights
may feel a certainty of being fitted.To enumerate the varied Stock would far
exceed the limits of an advertisement, but our
customers will find on visiting the**PANTECHNETHECA,**corner of King and Cross streets, that all their
expectations will be fully realized.A SUIT OF MOURNING at five

**Hotel and Livery Stables.**The Subscriber, in introducing this advertise-
ment, avails himself of the opportunity to ex-
press his gratitude for the patronage extended
to him since he has been engaged in the
above business, in his present stand, being now
little short of twenty years. He begs to in-
form his friends, and the public generally, that
he continues from time to time to provide
everything that his business suggests throughout
his establishment, for the comfort of those who
call upon him.He purposes during the present winter, and
until further notice, to run express stages, a
any time when applied for, on any of the routes
out of Miramichi, viz—to Fredericton, Richi-
bucto and Bathurst, and when required, on an
extension of either of the two latter routes,

stage fares, allowing ordinary luggage. By
availing themselves of this mode the travelling
public will be relieved from night travelling.
In connection with this part of his advertise-
ment, the subscriber would add, that when no-
tified to that effect by mail, or otherwise he will
be ready to send a conveyance to Fredericton
or Bathurst, for two passengers at mail-stage
fare.The length of time that the subscriber has
been in business, furnishes him with ample re-
ferences through Canada, New Brunswick, No-
vascotia, P. E. Island, Newfoundland, and the
United States; as to names he would refer to
any person who has ever stopped at his house,

Northumberland Agricultural
Society.At a Meeting of the Board of the Northum-
berland Agricultural Society, held on THURSDAY,
the 11th April, 1850, the following Re-
gulations and Restrictions, respecting the erec-
tion of a Carding, Filling and Dressing Ma-
chine, for which the Society has offered a
Premium of £50, were unanimously adopted:"The object of the Society being to aid in
the establishment of useful machinery in a
convenient place in the Parish of Chatham
or Newcastle, for the Carding, Filling, and
Dressing the Wool and Cloth produced and
made in the County, they will require parties
competing for the Premium to provide suit-
able Buildings, and the necessary Machinery,
on the most recent and most approved prin-
ciples, for Carding, Filling, and Dressing Wool
and Cloth, and on such a scale as will be suit-
able for the wants of this County at least; to
which the Society is desirous that Dyeing
should be added. The whole establishment
to be completed, and in successful and efficient
operation, and answering the purposes for
which it is required, on or before the first day
of September, 1851."The competitors for the Premium to send
their applications to the Secretary on or be-
fore the first day of June next, stating the size
and description of the buildings, the different
descriptions of machinery they intend and will
agree to provide and put in operation by the
time limited, and the situation where the es-
tablishment is intended to be placed. The
Board will determine to which of the appli-
cants the premium shall be given. Immediately
after adjudging the Premium, the £50 will
be given to the successful competitor, on an
approved Joint Note, payable with interest, on
the fifteenth day of September, 1851; which
Note will be delivered up and cancelled on the
Certificate of Alexander Goodfellow, Alexan-
der Jessamine, and John Norman, or any two
of them, (who are appointed Judges for that
purpose) that the establishment is in full and
efficient operation, according to the true intent
of the above Regulations. In case of failure
the money to be paid back with interest, im-
mediately thereafter."At a preceding Meeting of the Board, it was
resolved unanimously—that the Black Sea Seed
Wheat, Clover Seed, and the remaining quan-
tities of Garden Seeds, be sold by the Seed
Agents of the Society, as formerly—say P.
Watt, Esq., Newcastle, John Porter, Esq.,
Donglasfield, and Mr Andrew Duncan, Chat-
ham. It being understood, that the Society
does not guarantee the Garden Seeds 'as
good.' Many of these are however, believed
to be still fresh and of excellent quality.

By order of the Board,

JAMES CAIE, Secretary.

Holloway's Ointment.**CURE OF RHEUMATISM AND RHEUMA-
TIC GOUT.***Extract of a Letter from Mr Thomas Brun-
ton, Landlord of the Waterloo Tavern,
Coatham, Yorkshire, late of the Life
Guards, dated September 28th, 1848.*

To Professor HOLLOWAY.

Sir—For a long time I was a martyr to Rheu-
matism and Rheumatic Gout, and for ten
weeks previous to using your medicines, I was
so bad as not to be able to walk. I had tried
doctoring and medicines of every kind, but all
to no avail, indeed I daily got worse, and felt
that I must shortly die. From seeing your
remedy advertised in the paper I take in, I
thought would give them a trial. I did so.
I rubbed the Ointment in as directed, and kept
cabbage leaves to the parts thickly spread with
it, and took the Pills night and morning. In
three weeks I was enabled to walk about for
an hour or two in the day with a stick, and in
seven weeks I could go any where without one.
I am now, by the blessing of God and your
medicines, quite well, and have been attending
to my business for more than seven months,
without any symptoms of the return of my old
complaint.Besides my case of Rheumatic Gout, I have
lately had proof that your Pills and Ointment
will heal any old wound or ulcer, as a married
woman, living near me, had had a bad leg for
four years, which no one could cure, and I
gave her some of your Pills and Ointment,
which soundly healed it when nothing else
would do it. For your information I had the
honor to serve my country for twenty five
years in the first regiment of Life Guards, and
was eighteen years a corporal. I was two
years in the Peninsula War, and was at the
Battle of Waterloo. I was discharged with a
pension on the 2nd September, 1833. The
commanding officer at the time was Colonel
Lygon, who is now a General. I belonged to
the troop of Captain the Honorable Henry Bar-
ring.

(Signed) THOMAS BRUNTON.

**CURE OF A BAD LEG OF TWENTY
ONE YEARS' STANDING.***Extract of a Letter from Mr Andrew Brack,
Blacksmith, Eyemouth, near Berwick, da-
ted the 10th of August, 1848.*

To Professor HOLLOWAY.

Sir,—With pleasure and gratitude I have to
inform you, that after suffering for twenty one
years with a bad leg, which yielded to no
kind of treatment, although I consulted, at
different times, every medical man of emi-
nence in this part of the country, but all to no
purpose. I was frequently unable to work;
And the pain and agony I often endured no one
can tell. My leg is now as sound as ever it
was in my life by means of your Pills and
Ointment, which I purchased from Mr I. Da-
vidson, Druggist, Berwick-upon-Tweed, who
knows my case well, and will, I am sure, be
happy to certify with me, if necessary, as to the
truth of his wonderful cure.

(Signed) ANDREW BRACK.

**AMPUTATION OF TWO TOES PRE-
VENTED.***Extract of a letter from Mr Oliver Smith
Jenkins, dated Falkirk, August 13, 1848.*

To Professor HOLLOWAY.

Sir,—I was superintending about six months
ago, the erection of one of our Railway bridge-
es, and by the fall of a large stone my right
foot was seriously bruised, which ultimately
got so bad, that I was advised to go to Edin-
burgh, to consult some of the eminent physi-
cians, which I did, and was told that in order
to save my foot, two of my toes must be taken
off. In despair I returned home to impart the
melancholy news to my wife, intending to sub-
mit to the operation, it was then a thought
struck me to try your valuable Ointment and
Pills, which I did, and was by their means in
three weeks enabled to resume my usual occu-
pation, and at this time my toes are perfectly
cured. (Signed) OLIVER S. JENKINS**AN EXTRAORDINARY CURE OF A
DESPERATE SKIN DISEASE**On the 21st July, 1848, the Editor of the
"Mofussil" newspaper, published in India,
inserted the following article in his newspaper:
"We know for a fact that Holloway's Pills
and Ointment act in a most wonderful manner
upon the constitution, as an eccentric Cooly
named Eliza, employed in our establishment
was afflicted with myriads of Ringworms
which defied all the Meerut Doctors, and pro-
mised to devour the poor man before he was
underground; we tried 'Holloway' upon him,
and in a month he was perfectly restored to
his former condition and cleanliness of skin.
The effect was miraculous."The Pills should be used conjointly with
the Ointment in most of the following cases:—
Bad Legs Chicago foot Fistulas
Bad Breasts Chilblains Gout
Burns Chapped hands Glandular
Bunions Corns (soft) swellings
Bite of Mosche Cancers Lumbago
