

ELECTION!

Northumberland, To Wit.

I, WILLIAM A. BLACK, ESQUIRE, High Sheriff of the County of Northumberland, having received Her Majesty's Writ, dated the Thirty-first day of May last, for the ELECTION of FOUR able and discreet persons to serve in the General Assembly of this Province of New Brunswick, for the said County, do, in obedience thereto, hereby Proclaim and give PUBLIC NOTICE that a Court will be held by me, at the County Court House, in the Town of Newcastle, on WEDNESDAY, the 26th day of June, instant, at TEN o'clock, A. M., for the purpose of the said Election, of which all persons will take notice and govern themselves accordingly. And in case of a Poll being then and there demanded, I do further Proclaim and give Public Notice, that Polling booths will be opened on TUESDAY, the Second day of July next, at EIGHT of the clock, A. M., and continue open until FOUR o'clock, in the afternoon, at the following places. To Wit:

- At the Court House, in Newcastle.
At or near McGhie's Tavern, in the Parish of Nelson.
At Lower Neguac, in the Parish of Alnwick.
At Ullock's Farm, mouth of Bay du Vin, in the Parish of Glenelg.
At or near the Town of Chatham, in the Parish of Chatham.
At or near Cuppage's, in the Parish of North Esk.
At or near John De Cantillon's, in the Parish of Blissfield.
At or near John Wilson's, in the Parish of Ludlow.

For the purpose of taking the said Poll. And I hereby further Proclaim and give Public Notice, that on FRIDAY, the Fifth day of July, at the hour of Twelve of the clock at noon, at the County Court House aforesaid, the said Election will be closed, and the persons chosen to serve in the said General Assembly will be then and there openly declared; of all of which said Proclamations all persons will take due notice and govern themselves accordingly.

WM. A. BLACK, High Sheriff of Northumberland, Sheriff's Office, Newcastle, June 10, 1850.

To the Freeholders of the County of Northumberland.

GENTLEMEN.—The General Assembly of this Province is now dissolved, and a General Election will therefore take place immediately. During the four years I have had the honor of representing you, I have discharged my duty to the best of my ability. If my conduct has been such as to meet your approbation, I respectfully solicit a continuance of your confidence and support.

There are a variety of subjects which now occupy the public mind, and on which I am prepared at any time to declare my opinion, which I cannot do in this address.

Should you again honor me with your confidence, you may rely upon my continued exertions for the welfare of this portion of the Province.

I have the honor to be, Gentlemen, your faithful servant.

W. CARMAN.

To the Freeholders of the County of Northumberland.

GENTLEMEN.—The political existence of the late House of Assembly having expired, and the Writs for a new Election being issued, you will therefore be called on in a few days to exercise one of the greatest privileges granted you by the constitution, namely, of sending four persons to the General Assembly to represent your wants and wishes there. You clothe them with such power as will enable them to make laws for the government and protection of your lives and property. How careful, then, ought the Constituency to be of sending none but honest, moral, and intelligent men, who have a general knowledge of the business of the country, and who go there with a fixed determination of redressing all real grievances, and of reducing the enormous expense of the Government, to what it ought to be, according to the times, and the necessities of the Province. I am perfectly convinced it is useless for any man to make high sounding professions of what he will do. When he is there he must, as in all other cases, bow and be governed by the majority.

I now have the honor of again presenting myself before you, and if re-elected, will do the best I can to have the views set forth above carried into effect.

I Remain, Gentlemen, your faithful servant.

M. CRANNEY.

To the Freeholders of the County of Northumberland.

GENTLEMEN.—As the time is fast approaching when you will again be called upon to select Four persons to Represent you in Provincial Parliament, I beg to inform you that there are likely to be more than that number of candidates.

I believe the time has arrived when the people of this Province seek for and expect important political changes; and that the majority now consider it essential to the proper working of Responsible Government, that the inhabitants of the respective Counties should have the management of their local affairs.

I believe, too, that the time has arrived when the Official Salaries should be proportionate to the Provincial Revenue; and when that Revenue should be levied with as much regard to our Trade, and the condition of our People, as to the amount of the Civil List or the Contingent Bill.

And I believe that the People are anxious to learn whether the Home Government, when they directed us to be governed according to the well-understood wishes of the People, intended that those wishes should be determined by the voice of their Representatives, or by that of a Colonial Secretary, who never saw the country.

The particular views which I hold upon these important subjects it is neither my place or purpose now to say. But as many of those to whom I have expressed my opinion have agreed with me, I have, at their suggestion, determined to visit the different sections of the County, and explain them publicly; (and should they meet with general approbation) I intend offering myself as a candidate for your suffrages at the coming Election.

My object in thus early addressing you is simply that I may have a fair start with those Gentlemen who are at present canvassing, and that you should not be induced to pledge yourselves hastily.

I am, Gentlemen, Your obedient servant, J. M. JOHNSON, JUN., Miramichi, May 22, 1850.

FREDERICTON, MAY 22, 1850.

To the Freeholders of the County of Northumberland.

GENTLEMEN.—As I presume the time is not distant at which you will be again called upon to exercise one of your most valuable privileges as British Subjects, namely, that of choosing four fit and proper persons to represent you in General Assembly, I now beg leave again for the sixth time to offer myself to your notice as a candidate for your suffrages; and in doing so, I beg leave to state that the same vigilance and anxious desire to promote the interest and prosperity of this Province, and of the County of Northumberland in particular, which has, I trust, hitherto characterized my Legislative career, will continue to be pursued should you again honor me with your confidence.

To give you some idea of my humble exertions, aided by my Colleague, and latterly Colleagues, to develop the resources and promote the internal improvements of your County, I have only to call your attention to the state of the Roads and Bridges, and internal communications of that section of the Province, when you first honored me with your choice, and to beg you to contrast them with its present state of improvement. My residence being out of the County, may possibly be felt and urged by some as an objection, to my continuing one of your representatives, but I feel satisfied a moment's reflection will remove that objection in the minds of all disinterested and unbiased persons. As in the first place I have still a large stake in the County, and own property in almost every section of it, besides being concerned in business therein, which must combine interest with inclination to promote its improvement; and in the second place, from my residence being at Head Quarters, in an adjoining county, and being personally acquainted with all the localities and internal interests of Northumberland, I feel satisfied my powers of being useful are greater than if I actually resided in the county, as I can and do attend to many matters of my constituents, at Head Quarters, during the recess, which I should be unable to do were I a local resident. I have, therefore at all times, an opportunity of looking after your interests on this side of the Province, which I think you will do me the justice to admit I have always most readily and willingly done. But for this conviction, gentlemen, I would not for a moment think of again presenting myself to your notice; and you may rest assured, that the very moment I find from the circumstance of non-residence, or other causes, I may not be able faithfully to discharge my duty to you as a Legislator, that moment I will retire from the field.

I have only farther to add, that I have no ambitious views to gratify in thus asking your Suffrages, further than the honor of representing my old and tried friends, the Freeholders of Northumberland.

As to the present Government, my Legislative course will have shown you that I have little confidence in the present advisers or their measures; at the same time I am not, and have never been, disposed to offer a factious opposition to any government, but as an independent man, while I have the honor of holding a seat in the Legislature, I shall never fail to give them the most unqualified opposition whenever I think their measures are not calculated to promote the best interests of the County.

I am induced thus early to address you, as I have been led to believe that there is an impression abroad, that I contemplate offering for some other County, which is altogether an error. I have no such intention. In conclusion I have only to say, I will never desert Northumberland till she deserts me. I trust, therefore our connexion may long continue. I hope shortly to have the pleasure of visiting the County, and of again meeting you all in health and prosperity.

In the meantime, I have the honor to remain, Gentlemen, your very obedient and faithful servant, J. A. STREET.

DR. S. P. TOWNSEND'S COMPOUND

Extract of Sarsaparilla.

THE WONDER AND BLESSING OF THE AGE!

The most Extraordinary Medicine in the World!

This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the patient.

WE have manufactured 1,500,000 Bottles of this Sarsaparilla during the past year, and are now putting up 5,000 bottles per day; using more of the Sarsaparilla Root in one month than all the other manufacturers of Sarsaparilla in one year.

This Extract has cured more of the following diseases than all the other advertised medicines together have done.

- Scrofula, or King's Evil.
Obstinate Cutaneous Eruptions.
Pimples or Postules on the Face.
Blotches, Biles, Chronic Sore Eyes.
Ring Worm or Tetter.
Scald Head.
Enlargement and Pain of the Bones and Joints.
Stubborn Ulcers.
Syphilitic Disorders, Lumbago.
Salt Rheum.

And all diseases arising from an injudicious use of Mercury, Acites, or Dropsy, Exposure, or Imprudence in Life. It invariably cures

- Rheumatism.
Indigestion or Dyspepsia.
Neuralgia, General and Nervous Debility.
Palpitation of the Heart.
Liver Complaint and Inflammation of the Kidneys.

Ladies of pale complexion and consumptive habits, and such as are debilitated by those obstructions which females are liable to, are restored, by the use of a bottle or two, to bloom and vigor.

THE NUMBER OF DISEASES mentioned above, as cured by this preparation of Sarsaparilla, MAY SEEM LARGE; but we are, nevertheless, PREPARED TO PROVE, by an EXTENSIVE ARRAY OF CERTIFICATES, that such is the fact. A fraction of the evidence which we possess concerning each disease, would be received before any JUDICIAL TRIBUNAL as complete demonstration. It may be remembered that all this frightful array of maladies, though appearing in an endless variety of forms, are yet similar in their origin or causes; for they all spring directly or indirectly from the same fountain. If the blood were in a pure, healthy and active state, it would drive all these complaints from the system, and chronic diseases would be impossible.

Hope for the Afflicted!

Mr SAMUEL STORY, 3d., Agent, S. P. Townsend's Sarsaparilla:

SIR,—Having been afflicted for the last 12 months with an affection on the Lungs, which prevented me attending to my work as well as I could wish, during which time I was under three doctors' hands, and must say, I derived no benefit whatever, and began to despair of ever getting better. I was induced to try S. P. Townsend's Sarsaparilla, that you are agent for, by seeing it advertised, and after using two bottles found immediate relief, and am now able to attend my work as usual; I sincerely believe it has been the means of restoring me. I have also been afflicted with the Piles for the last seven years, and when I began using your valuable Sarsaparilla, to my astonishment I was cured.

JOHN BRENNAN, Cooper.

And yet another.

Mr SAMUEL STORY, 3d., Agent S. P. Townsend's Sarsaparilla:

SIR,—I am happy to forward you a statement voluntarily furnished, and certified upon oath, of a cure recently effected at this place, by S. P. Townsend's Sarsaparilla, which you are at liberty to make use of for the great benefit of the public.

Yours truly,

M. W. SKINNER, Druggist.

Charlottetown, P. E. I., April 27, 1850.

This is to certify that my wife was for the space of twenty five years suffering under a complaint got through a severe cold, which brought on a general debility of the system, and from the use of one bottle of Dr. S. P. Townsend's Compound Extract of Sarsaparilla, was entirely restored to good health, which was purchased from Mr W. Skinner, General Agent at Charlottetown for the above medicine.

FINLAY MCKINNON.
