YESTERDAY'S MAIL.

**NEW BRUNSWICK.—The Coming Election.**—The following paragraph is taken from an article in the last Amaranth. Its contents will interest our readers, who are extremely anxious to hear all that is transpiring on this important topic:—

The candidates in the field for York are Messrs. Wilnot, Fisher and Taylor, (three of the present members) Colonel Allen, and D. S. Kerr, George Hatheway, Thomas Pickard, and Isaac Kilburn, Esquires. These are all we know at present, although there are other gentlemen spoken of. In Carleton we hear that Mr. Connell, will offer again, and the other candidates spoken of are Chas. Perley, H. Dibblee, J. R. Tupper, and H. H. Beardsley, Esqrs. The only candidates we have yet heard of, as offering for Victoria, are Mr. Tibbits, (the present member for Carleton) Mr. Rice of Madawaska, and Mr. B. Friel of this city. In Sunbury the two old members will offer again; we are also informed that there will be three other candidates in the field, viz: Mr. Wm. Scouller, Mr. Jonathan P. Taylor, and Mr. Edward Perley. In Queen's we are informed the candidates will be Messrs. Gilbert and J. Earle (the present members), Col. H. Peters, and Messrs. J. Davies and Enoch Lunt. In King's it is said there will be several new candidates, but who they are we have not yet heard. We have heard but little from St. John, excepting that the six present members will offer again. It is said, however, that the hon. Charles Simonds will resign his seat in the Legislative Council, and offer for the county of St. John. We wish him success. These are all the counties we have as yet heard from.

**THE LEGISLATURE.**—The New Brunswick has a sharp article on the conduct of the Assembly granting £250 to the Clerk, in addition to his salary, making the sum he received for his services during the Session, Four Hundred and Fifty Pounds. This is very well in those salary-retrenchment times.

**CANADA.**—The papers announce the death of the Hon. L. P. Sherwood, in the 72nd year of his age. The Quebec Chronicle contains the following Legislative summary:—

There appears to have been some sharp sparring in the Assembly, on the subject of Colonel Prince's petition for independence. Mr. Baldwin having moved that the petition should not be received, Colonel Prince wished a postponement of the motion until several other petitions of exactly the same nature came to hand, when he would move for their reception all at once. The Attorney General was of opinion that no time was like the present, and after some discussion, in which Messrs. Papineau, Gagy, Cameron and Sherwood took a part, the House divided on Mr. Baldwin's motion, which was adopted by a vote of 57 against 7. The minority were Messrs. Cameron, De Witt, Holmes, McConnell, Papineau, Prince and Sanborn.

By our telegraphic report last night it will be seen that the address in answer to the speech was still under consideration in the Assembly yesterday.

**UNITED STATES.**—A gale has been experienced in Connecticut, which has done considerable damage to the orchards. Its ravages were confined within the limits of half a mile. The late rains have caused a great freshet in the Kennebec. The water has risen to an alarming height, and the streets in Augusta and Hallowell are overflowed to the depth of several feet. The loss of property must be very great. All the booms have been swept away, and large quantities of lumber and shingles have gone down the river. The run of logs is so great that they are said to pass a given point at the rate of 100 a minute. At the latest accounts the water was still rising, and was almost as high as the great freshet of 1846. At Gardiner the store-houses on the wharves were afloat, but secured by fastenings.

**FROM BOSTON.**—The Asia arrived at Boston from Halifax in 26 hours. The Advance and Rescue sailed from New York on Thursday of last week, on their expedition in search of Sir J. Franklin.

The new mail steamer Pacific, captain Bye, the second of Collins' Line left New York for Liverpool on Saturday last, with 63 passengers.

The U. S. Mail Ship Ohio, Lieutenant Schenck, left New York on Tuesday last for California. She carried the mail for the Pacific and 455 passengers, the greater number of whom were for California.

**NOVA SCOTIA.**—The Merlin, a new screw propeller belonging to the Cunard line, to replace the Kestrel, lost on Newfoundland, arrived at Halifax from the Clyde, via St. Johns, N. F., 10 days from the former and 2½ from the latter port. She is 450 tons burthen, and has an engine of 40 horse power.

**PORT OF HALIFAX.**—A letter which we received yesterday, reports that the Villager, Watt, had arrived from Bathurst, also, the Seafower, Curry, Miramichi.

LOCAL.

**THE FISHERIES.**—Some weeks since large quantities of Herrings made their appearance in our river and bays; but they remained but a short time, owing to the prevalence of easterly winds, and consequently but little were taken. This is a great loss to the settlers on the sea board.

Fresh Salmon were offered for sale for the

first time this season, on Saturday last. If our fishermen and farmers would but exert themselves, a market could be erected in the town at but little expense, which would be of great service to the public, and save them the unpleasant task of calling from house to house when they have any thing for sale.—Will any person stir in this matter?

Parties from St. John have arrived, who intend purchasing Salmon for CASU, during the season. Our fishermen will be very glad to trade with them, as that article is extremely scarce at present; in fact, it was never otherwise since we resided in Miramichi.

☞ We understand that the next meeting of the Synod of New Brunswick, in connection with the Established Church of Scotland, will be held in St. James's Church, Newcastle, on Thursday the 27th instant.

**TO CORRESPONDENTS.**—The letter of 'Caemoens' has two faults—it is extremely lengthy, and too personal.

'A Farmer' shall appear next week. We have been compelled to delay the account of the formation of an Agricultural Society in Carleton (Kent), until our next.

ELECTION!

To the Freeholders of the County of Northumberland.

GENTLEMEN,—As the time is fast approaching when you will again be called upon to select Four persons to Represent you in Provincial Parliament, I beg to inform you that there are likely to be more than that number of candidates.

I believe the time has arrived when the people of this Province seek for and expect important political changes; and that the majority now consider it essential to the proper working of Responsible Government, that the inhabitants of the respective Counties should have the management of their local affairs.

I believe, too, that the time has arrived when the Official Salaries should be proportionate to the Provincial Revenue; and when that Revenue should be levied with as much regard to our Trade, and the condition of our People, as to the amount of the Civil List or the Contingent Bill.

And I believe that the People are anxious to learn whether the Home Government, when they directed us to be governed according to the well-understood wishes of the People, intended that those wishes should be determined by the voice of their Representatives, or by that of a Colonial Secretary, who never saw the country.

The particular views which I hold upon these important subjects it is neither my place or purpose now to say. But as many of those to whom I have expressed my opinion have agreed with me, I have, at their suggestion, determined to visit the different sections of the County, and explain them publicly; (and should they meet with general approbation) I intend offering myself as a candidate for your suffrages at the coming Election.

My object in thus early addressing you is simply that I may have a fair start with those Gentlemen who are at present canvassing, and that you should not be induced to pledge yourselves hastily.

I am, Gentlemen, Your obedient servant, J. M. JOHNSON, JUN., Miramichi, May 22, 1850.

FREDERICTON, MAY 22, 1850.

To the Freeholders of the County of Northumberland,

GENTLEMEN,—As I presume the time is not distant at which you will be again called upon to exercise one of your most valuable privileges as British Subjects, namely, that of choosing four fit and proper persons to represent you in General Assembly, I now beg leave again for the sixth time to offer myself to your notice as a candidate for your suffrages; and in doing so, I beg leave to state that the same vigilance and anxious desire to promote the interest and prosperity of this Province, and of the County of Northumberland in particular, which has, I trust, hitherto characterized my Legislative career, will continue to be pursued should you again honor me with your confidence.

To give you some idea of my humble exertions, aided by my Colleague, and latterly Colleagues, to develop the resources and promote the internal improvements of your County, I have only to call your attention to the state of the Roads and Bridges, and internal communications of that section of the Province, when you first honored me with your choice, and to beg you to contrast them with its present state of improvement. My residence being out of the County, may possibly be felt and urged by some as an objection, to my continuing one of your representatives, but I feel satisfied a moment's reflection will remove that objection in the minds of all disinterested and unbiassed persons. As in the first place I have still a large stake in the County, and own property in almost every section of it, besides being concerned in business therein, which must combine interest with inclination to promote its improvement; and in the second place, from my residence being at Head Quarters, in an adjoining county, and being personally acquainted with all the localities and internal interests of Northumberland, I feel satisfied my powers of being useful are greater than if I actually resided in the county, as I can and do attend to many matters of my constituents, at Head Quarters, during the recess, which I should be unable to do were I a local resident. I have, therefore at all times, an opportunity of looking after your interests on this side of the Province, which I think you will do me the justice to admit I have always most readily and willingly done. But for this conviction, gentlemen, I would not for a moment think of again presenting myself to your notice; and you may rest assured, that the very moment I find from the circumstance of non-residence, or other causes, I may not be able faithfully to discharge my duty to you as a Legislator, that moment I will retire from the field.

I have only farther to add, that I have no ambitious views to gratify in thus asking your Suffrages, further than the honor of representing my old and tried friends, the Freeholders of Northumberland.

As to the present Government, my Legislative course will have shown you that I have little confidence in the present advisers or their measures; at the same time I am not, and have never been, disposed to offer a factious opposition to any government, but as an independent man, while I have the honor of holding a seat in the Legislature, I shall never fail to give them the most unqualified opposi-

tion whenever I think their measures are not calculated to promote the best interests of the Country.

I am induced thus early to address you, as I have been led to believe that there is an impression abroad that I contemplate offering for some other County, which is altogether an error. I have no such intention. In conclusion I have only to say, I will never desert Northumberland till she deserts me. I trust, therefore our connexion may long continue, I hope shortly to have the pleasure of visiting the County, and of again meeting you all in health and prosperity.

In the meantime, I have the honor to remain, Gentlemen, your very obedient and faithful Servant, J. A. STREET.
