The Subscriber, in introducing this advertisement, avails himself of the opportunity to express his gratitude for the patronage extended to him since he has been engaged in the above business, in his present stand, being now little short of twenty years. He begs to inform his friends, and the public generally, that he continues from time to time to provide everything that his business suggests throughout his establishment, for the comfort of those who call upon him.

He purposes during the present winter, and until further notice, to run express stages, at any time when applied for, on any of the routes out of Miramichi, viz—to Fredericton, Richibucto and Bathurst, and when required, on an extension of either of the two latter routes, with two passengers or upwards, at the mail-stage fares, allowing ordinary luggage. By availing themselves of this mode the travelling public will be relieved from night travelling. In connection with this part of his advertisement, the subscriber would add, that when notified to that effect by mail, or otherwise he will be ready to send a conveyance to Fredericton or Bathurst, for two passengers at mail-stage fare.

The length of time that the subscriber has been in business, furnishes him with ample references through Canada, New Brunswick, Nova Scotia, P. E. Island, Newfoundland, and the United States; as to names he would refer to any person who has ever stopped at his house.

### Holloway's Ointment.

#### CURE OF RHEUMATISM AND RHEUMATIC GOUT.

Extract of a Letter from Mr Thomas Brunton, Landlord of the Waterloo Tavern, Coutham, Yorkshire, late of the Life Guards, dated September 28th, 1848.

To Professor HOLLOWAY.  
Sir—For a long time I was a martyr to Rheumatism and Rheumatic Gout, and for ten weeks previous to using your medicines, I was so bad as not to be able to walk. I had tried doctoring and medicines of every kind, but all to no avail, indeed I daily got worse, and felt that I must shortly die. From seeing your remedie advertised in the paper I take in, I thought would give them a trial. I did so. I rubbed the Ointment in as directed, and kept cabbage leaves to the parts thickly spread with it, and took the Pills night and morning. In three weeks I was enabled to walk about for an hour or two in the day with a stick, and in seven weeks I could go any where without one. I am now, by the blessing of God and your medicines, quite well, and have been attending to my business for more than seven months, without any symptoms of the return of my old complaint.

Besides my case of Rheumatic Gout, I have lately had proof that your Pills and Ointment will heal any old wound or ulcer, as a married woman, living near me, had had a bad leg for four years, which no one could cure; and I gave her some of your Pills and Ointment, which soundly healed it when nothing else would do it. For your information I had the honor to serve my country for twenty five years in the first regiment of Life Guards, and was eighteen years a corporal. I was two years in the Peninsula War, and was at the Battle of Waterloo. I was discharged with a pension on the 2nd September, 1833. The commanding officer at the time was Colonel Lygon, who is now a General. I belonged to the troop of Captain the Honorable Henry Baring.

(Signed) THOMAS BRUNTON.  
CURE OF A BAD LEG OF TWENTY ONE YEARS' STANDING.

Extract of a Letter from Mr Andrew Brack, Blacksmith, Eyemouth, near Berwick, dated the 10th of August, 1848.

To Professor HOLLOWAY,

SIR,—With pleasure and gratitude I have to inform you, that after suffering for twenty one years with a bad leg, which yielded to no kind of treatment, although I consulted, at different times, every medical man of eminence in this part of the country, but all to no purpose. I was frequently unable to work; and the pain and agony I often endured no one can tell. My leg is now as sound as ever it was in my life by means of your Pills and Ointment, which I purchased from Mr I. Davidson, Druggist, Berwick-upon-Tweed, who knows my case well, and will, I am sure, be happy to certify with me, if necessary, as to the truth of his wonderful cure.

(Signed) ANDREW BRACK.  
AMPUTATION OF TWO TOES PREVENTED.

Extract of a letter from Mr Oliver Smith Jenkins, dated Falkirk, August 13, 1848.

To Professor HOLLOWAY,

SIR,—I was superintending about six months ago, the erection of one of our Railway bridges, and by the fall of a large stone my right foot was seriously bruised, which ultimately got so bad, that I was advised to go to Edinburgh, to consult some of the eminent physicians, which I did, and was told that in order to save my foot, two of my toes must be taken off. In despair I returned home to impart the melancholy news to my wife, intending to submit to the operation, it was then a thought struck me to try your valuable Ointment and Pills, which I did, and was by their means in three weeks enabled to resume my usual occupation, and at this time my toes are perfectly cured. (Signed) OLIVER S. JENKINS.

AN EXTRAORDINARY CURE OF A DESPERATE SKIN DISEASE

On the 21st July, 1848, the Editor of the "Moussie" newspaper, published in India, inserted the following article in his newspaper:

"We know for a fact that Holloway's Pills and Ointment act in a most wonderful manner upon the constitution, as an eccentric Cooly named Eliza, employed in our establishment was affected with myriads of Ringworms which defied all the Meerut Doctors, and promised to devour the poor man before he was underground; we tried 'Holloway' upon him, and in a month he was perfectly restored to his former condition and cleanliness of skin. The effect was miraculous.

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs	Chiepo foot	Fistulas
Bad Breasts	Chilblains	Gout
Burns	Chapped hands	Glandular
Bunions	Corns (soft)	swellings
Bite of Mosquitoes	Cancers	Lumbago
toes and Sand	Contracted and	Piles
flies	Stiff joints	Rheumatism
Coco-Bay	Elephantiasis	Scalds
Sore Nipples	Sore-throats	Skin diseases
Scurvy	Sore heads	Tumours
Ulcers	Wounds	Yaws

### Northumberland Agricultural Society.

At a Meeting of the Board of the Northumberland Agricultural Society, held on THURSDAY, the 11th April, 1850, the following Regulations and Restrictions, respecting the erection of a Carding, Fulling and Dressing Machine, for which the Society has offered a Premium of £50, were unanimously adopted:

"The object of the Society being to aid in the establishment of useful machinery in a convenient place in the Parish of Chatham or Newcastle, for the Carding, Fulling, and Dressing the Wool and Cloth produced and made in the County, they will require parties competing for the Premium to provide suitable Buildings, and the necessary Machinery, on the most recent and most approved principles, for Carding, Fulling, and Dressing Wool and Cloth, and on such a scale as will be suitable for the wants of this County at least; to which the Society is desirous that Dyeing should be added. The whole establishment to be completed, and in successful and efficient operation, and answering the purposes for which it is required, on or before the first day of September, 1851.

"The competitors for the Premium to send their applications to the Secretary on or before the first day of June next, stating the size and description of the buildings, the different descriptions of machinery they intend and will agree to provide and put in operation by the time limited, and the situation where the establishment is intended to be placed. The Board will determine to which of the applicants the premium shall be given. Immediately after adjudging the Premium, the £50 will be given to the successful competitor, on an approved Joint Note, payable with interest, on the fifteenth day of September, 1851; which Note will be delivered up and cancelled on the Certificate of Alexander Goodfellow, Alexander Jessamine, and John Norman, or any two of them, (who are appointed Judges for that purpose) that the establishment is in full and efficient operation, according to the true intent of the above Regulations. In case of failure the money to be paid back with interest, immediately thereafter."

At a preceding Meeting of the Board, it was resolved unanimously—that the Black Sea Seed Wheat, Clover Seed, and the remaining quantities of Garden Seeds, be sold by the Seed Agents of the Society, as formerly—say P. Watt, Esq., Newcastle, John Porter, Esq., Douglastown, and Mr Andrew Duncan, Chatham. It being understood, that the Society does not guarantee the Garden Seeds 'as good.' Many of these are however, believed to be still fresh and of excellent quality.

By order of the Board,
