

Quebec has the largest show in the Province. The weather continues intensely cold.— Yesterday at eight o'clock the thermometer marked 23 deg below zero—this morning it marks 3 deg. below. An ice bridge formed at Carouge the night before last and there is now every probability of a brige opposite the city.

In consequence of the strike of the Quebec Bar, so gallantly made, says the Montreal Gazette, it is seriously agitated in Montreal to detach from their multitudinous body a colony to conduct the business of Quebec.— Quebec Chronicle, Jan. 3.

Novascotia.

The Hon. S. Cunard, and the Industrial Exhibition of 1851.— We have been informed that the Hon. Samuel Cunard, the Proprietor and Agent of the line of Atlantic Steamers, bearing his name, has generously offered to convey the productions of this his native Province, intended for the exhibition, to Liverpool free of charge—an offer worthy of the man, who has already proved himself to be his country's greatest benefactor.—Halifax Colonist.

The Season.—The weather, ever since the recent great conflagration at the North Barracks, has been inclement in the extreme.— Indeed we scarcely remember to have experienced so long continued a spell of hard winter weather. If unfortunately, as many thought at the time the fire had materially extended, and destroyed a large portion of the city, our condition would have been truly deplorable.

A New Wesleyan Chapel.—We learn with pleasure that the Wesleyans in this city are about to erect a new chapel, on the site of the old Methodist Cemetery. We trust that such an amount will be realised for the purpose as to warrant that respectable denomination of Christians building an edifice reflecting honor upon themselves and credit to the city. We learn that George H. Starr, Esq., of this city, has subscribed the magnificent sum of £250 towards the Building fund. Such instances of liberality are, unfortunately in this community, like Angel's visits few and far between, and consequently on every occasion of their recurrence deserve to be written in letters of gold.—Halifax Novascotian.
