THE BEST MECHANICAL PAPER IN THE WORLD!

SIXTH VOLUME OF THE

SCIENTIFIC AMERICAN.

The Publishers of the Scientific American respectfully give notice that the Sixth Volume of this valuable journal commenced on the 21st of September last. The character of the Scientific American is too well known throughout the country to require a detailed account of the various subjects discussed through its columns.

It enjoys a more extensive and influential circulation than any other journal of its class in America.

It is published weekly, as heretofore, in quarto form, on fine paper, affording, at the end of the year, an Illustrated Encyclopedia of over four hundred pages, with an index and from five to six hundred Original Engravings, described by letters of reference; besides a vast amount of practical information concerning the progress of Scientific and Mechanical Improvements, Chemistry, Civil Engineering, Manufacturing in its various branches, Architecture, Masonry, Botany,—in short, it embraces the entire range of the Arts and Sciences.

It also possesses an original feature not found in any other weekly journal in the country, viz., an Official List of Patent Claims, prepared expressly for its columns at the Patent Office,—thus constituting it the "American Repository of Inventions."

Terms—\$2 a year; \$1 for six months.
All Letters must be post paid, and directed to
MUNN & CO.,
Publishers of the Scientific American,
128 Fulton street, New York.
