

most scrupulous regard. The most complimentary language is exchanged. It is a world of love, and love it is that makes the world go round—not the Toronto world or *Globe*; that thing goes round by hatred and disappointment. Boston is just now the ageremone to which the chief attention of the people on this continent is directed. In that abode of love and good fellowship the Chief Magistrate of the United States, and the Governor in Chief of British North America have met and shaken hands. Great sympathy and good feeling, too, is exhibited between humbler Britishers and Americans, and the aim is to bind the two peoples more closely together by the strongest ties of all—interest. Railroads and steamships are to be built for the mutual benefit of Americans and Canadian. And Boston is not left alone with a Jubilee in imitation of that which brought together the people of all nations in London. Saint John, New Brunswick, has had its jubilee also, having built a Chrystal Palace, and had it opened by the Queen's Representative, and there being present strangers from all parts, so that the citizens had to throw open their houses for their accommodation. It is certainly a great time for rejoicing; but that which is doing in Boston being the most attractive, we occupy the greater part of our space with an account of the proceedings there.—*Quebec Chronicle*.

Novascotia.

The weather continues quite cool for the season; and a smart frost has been experienced in several parts of the Province, so much so that where the wheat was put in the ground late the crop will be almost a total failure. The potatoe blight is extending throughout the length and breadth of the land.

The Fisheries.—We do not like to be the medium of conveying bad news; but are constrained to state that, up to the present period the mackarel fishery has been very unsuccessful. We trust, however that our hardy fellows will yet reap a rich harvest from this source.—*Novascotian*.

United States News.

Dreadful Riot.—Philadelphia, Sept. 2.—A fearful fugitive slave riot occurred at Christiana, Lancaster County, yesterday morning. Mr. Gorsuch, the owner of the slave was killed, and his son mortally wounded. Several other persons were injured. The officers were driven from the ground by eighty armed negroes.

The conductor of the Pennsylvania Railroad has furnished the Philadelphia Enquirer of this morning with the following additional particulars: It appears that Mr. Gorsuch, the owner of two fugitives from Baltimore county, accompanied by his two sons, the deputy U. S. Marshal from Baltimore, two U. S. officers from this city, and several policemen, also from this city, proceeded on Wednesday evening to Christiana, about 21 miles this side of Lancaster for the purpose of arresting the fugitives. After a consultation between the officers, it was deemed inexpedient to make the arrest until yesterday morning. From the best reports we learn that the colored population in the vicinity being informed of the nature of the visit of these officers to Christiana, held a meeting and asked the opinion of several leading abolitionists as to what course they should pursue. The answer was, as one of the most current reports states, that they should stand their ground.

Accordingly about 80 negroes assembled with guns, &c., and secreted themselves in the neighboring woods and corn-fields; the signal attack on the officers was the blowing of a horn. When the officers came upon the party they were surrounded on all sides and a deadly fire poured upon them by the negroes.

At the first fire Mr. Gorsuch, an elderly gentleman, and the owner of the fugitive, was instantly killed, and one of his sons mortally wounded; another of the party, said to be a U. S. Deputy officer from Baltimore, was also much hurt; a Philadelphia officer was fired at five times and missed.
