rendered it so generally popular, and secured
for it such extensive patronage from almost
every part of these Provinces. It has now
been opened and in successful operation up-
wards of nine years. The arrangements
which were made to accomplish the impor-
tant object for which it had been founded,
were such as obtained for it, from its very
commencement, a high position in the pub-
lic estimation; and those upon whom the
direction of its affairs has devolved, have
been stimulated and encouraged by its pros-
perity, to continued efforts to render it, in
all its departments, ever increasingly efficient.
Every year in its history has, consequently,
been marked by valuable additions to its
Educational facilities, and by more or less
extensive general improvements throughout
the Establishment. The attention of Young
Men, and of Parents and guardians of youth,
is, therefore, respectfully invited to it, as an
Institution where the advantages of a tho-
rough intellectual training may be obtained
in safety and comfort, and under most favor-
able circumstances.
