A CARD.

Mrs Winslow to the Ladies.

Mrs Winslow an old and experienced Nurse and Female Physician, would call the attention of the Ladies to her Soothing Syrup for Children teething. It will immediately relieve them from pain, allay spasmodic action, soften the gums, reduce inflammation, and is sure to regulate the bowels. Depend upon it, Mothers, it will give rest to yourselves and relief and health to your Children.

Price One Shilling and Three Pence per Bottle.

We have sold very large quantities of Mrs Winslow's Soothing Syrup during the past six years, several thousand the last year. We believe it the best medicine in the world for children teething or for the cure of Dysentery and Diarrhoea in children, whether it arises from teething or any other cause. It gives universal satisfaction—never heard a complaint from any one using it—never sold a medicine so universally successful in relieving pain and effecting cures—relief is ABSOLUTELY SURE.
