

A FEW WORDS ABOUT OURSELVES.

In July last we commenced publishing the Gleaner twice a week. To accomplish this, we incurred considerable expense in procuring an additional press, a larger quantity of material, and it entailed on us an additional weekly outlay for paper, extra hands, &c.

Notwithstanding these drawbacks, we should have been content to persevere, had the mail arrangements continued as they were at the time we commenced our semi-weekly issue; but as a change has taken place, which precludes our subscribers residing in the Northern Counties, where we have an extensive circulation—from participating in any benefit from the extra publication, which is now solely confined to the towns on this river, we have decided in falling back on our Weekly issue.

Some persons hold back because they think the price is high. Things are dear or cheap by comparison, (and we presume Newspapers must be judged by the same rule); but if a Newspaper is to be judged simply by its size, without any reference to the reading matter it contains, whether one page or three, (the labour of the compositor being the principal item of expense), then we admit the Gleaner is dear; but if it is to be judged by the amount of matter (original and selected) which it furnishes its readers weekly, then we hesitatingly say, that there is not a cheaper paper published in the Province.

Others say—that it lacks spicy articles on political subjects—that is—it does not keep up a constant fire against all men in power, and seek constantly for subjects calculated to excite public feeling. To this we plead guilty. This is not our forte; and besides, we do not think such a course compatible with the duties of an editor, who studies the interest and well-being of the community in which he resides.

But we have never been backward, when public abuses required investigation, or the conduct of public men deserved censure, to speak our mind freely and fearlessly. We have also endeavoured to guide the people aright on all subjects that agitated the public mind, and to suggest measures calculated to benefit the community.

This is the course we have pursued, and the one we shall continue to follow. The irregularity in the arrival of the Southern mails is also a serious impediment in our way, for we can make no calculation when it will reach Chatham.—To enable us to forward our paper by the Wednesday's mail, which leaves at four in the afternoon, we have often been compelled to go to press ere the one which is due at five in the morning, has come to hand.

At the commencement of the year we shall resume our Weekly issue. One edition will be published on Saturday evening, to be despatched by the following day's mail to the Northward; and the other on Monday, which will be circulated here, and forwarded to the Southward by the mail which leaves in the afternoon.

Terms—New Subscribers—12s. 6d., in all cases in advance. Old subscribers can have it for 17s. 6d. at the end of the year. The former we prefer.

HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF LOSS OF HEALTH, DISORDERED STOMACH, INDIGESTION AND DETERMINATION OF BLOOD TO THE HEAD.

Copy of a Letter from Mr John Loyd, Erwin, near Harlech, Merionethshire. To Professor HOLLOWAY. Sir,—I avail myself of the first opportunity of informing you, that for a very long period I was afflicted with a dangerous giddiness and frequent swimings in the head, attended by loss of appetite, disordered stomach, and generally impaired health. Every means had failed to give me any permanent relief, and at length it became so alarming that I was really afraid of going about without an attendant. In this melancholy condition I waited personally upon Mr Hughes, Chemist, Harlech, for the purpose of consulting him as to what I had better do; he kindly recommended your Pills, I tried them without delay, and after taking them for a short time I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper. I am Sir, your obedient Servant.

(Signed) JOHN LOYD. June 6th, 1852.

MIRACULOUS CURE OF DROPSY.

Extract of a Letter from Edward Rowley, Esq., of India Walk, Tobago, dated April 8, 1852. To Professor HOLLOWAY.

Dear Sir,—I deem it a duty I owe to you and the public at large to inform you of a most miraculous recovery from that dreadful disease, Dropsy, and which, under God, was effected by your invaluable Pills. I was tapped five times within eight months, and skillfully treated by two medical practitioners, but could not get cured, until I had recourse to your remedy and notwithstanding all I had undergone, this miraculous medicine cured me in the course of six weeks.

INEVITABLE CURE OF A STOMACH COMPLAINT, WITH INDIGESTION AND VIOLENT HEAD-ACHES.

Extract of a Letter from Mr S. Gowen, Chemist, of Clifton, near Bristol, dated July 14th 1852. To Professor HOLLOWAY.

Dear Sir,—I am requested by a Lady named Thomas, just arrived from the West Indies, to acquaint you that for a period of eight years herself and family suffered from continual bad health, arising from disorders of the Liver and Stomach, indigestion, loss of Appetite, violent Head-aches, pains in the side, weakness and general debility, for which she consulted the most eminent men in the colony, but without any beneficial result; at last, she had recourse to your invaluable Pills, which in a very short time effected so great a change for the better, that she continued them, and the whole family were restored to health and strength. Further she desires me to say, that she has witnessed their extraordinary virtues in those incidental to children, particularly in cases of Measles and Scarlatina, having effected positive cures of these diseases with no other remedy.

A DANGEROUS LIVER COMPLAINT AND SPASMS IN THE STOMACH EFFECTUALLY CURED.

Copy of a Letter from Mr Bostock, Druggist of Ashton, under Lyne, dated July 31, 1852. To Professor HOLLOWAY.

Dear Sir,—I have much pleasure in handing to you a testimonial of the efficacy of your Medicines. A person in this neighbourhood with whom I am well acquainted, was afflicted for a long time with violent spasmodic pains in the stomach and liver, arising from frequent colds, smells of paint, and the effects of a stooping position which he had obliged to assume in his business. The spasms were of an alarming character, and frequently left him in a week and debilitated condition. At length he heard of the salutary effects of your invaluable Pills, and was induced to give them a trial. The first dozen gave him considerable relief, and by following them up in accordance with your directions, they have acted so wonderfully in cleansing the liver and stomach, and strengthening the digestive organs that he has been restored to the enjoyment of good health. I am, dear Sir yours faithfully,

(Signed) WILLIAM BOSTOCK. These celebrated Pills are wonderfully efficacious in the following complaints.

JUDSON'S CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT, FOR THE CURE OF

Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION

AZOR'S Oriental Turkish Wine.

The great remedy for General Debility, Weakness, Loss of Appetite, Dyspepsia, Bilious Diseases, a certain preventive of Fevers, &c., &c. This WINE is the most pleasant and effectual Remedy for any of the above complaints, and for many others not mentioned, that has ever discovered. It is so agreeable to the taste that any one taking it soon prefers it to any Wine; while its action on the stomach and bowels is prompt and efficient, cleansing them thoroughly, and thus, by keeping the organ in which the basis of the blood is formed, in a healthy and pure state, necessarily keeps the blood pure and healthful. It is a stimulant without reaction, unlike the alcoholic preparations, which leave the partaker in a state of prostration. THIS WINE sends a gentle and agreeable feeling through every nerve, and its tonic properties are such that it will restore the weak and debilitated to their natural STRENGTH and VIGOR. It is composed of the Pure Wine of many of the most tonic and rare Plants in the Materia Medica, the recipe for which was obtained from a celebrated Turkish "Hakim"—Physician,—and one bottle is equal to ten of any Sarsaparilla or Blood Purifier ever before known. Then give this Oriental Wine a trial: it will speak for itself better than any recommendation or certificate; and he who tries it once will never be without it, nothing can equal it as a Diet Drink in hot climates, or on Shipboard, and no traveller should be without it.

Caution—Find the name of Comstock & Brother, and the Stamp of the Turkish Flag, on the label and cork of each bottle, WITHOUT this it cannot be genuine. All orders should be addressed to COMSTOCK & BROTHER, No. 2 St. Peter's Place, New York.

DEAFNESS. Use Dr. LAZZETTI'S ACUSTIC OIL, for the cure of Deafness. Also all those disagreeable noises, like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching Deafness. Persons who have been deaf for twenty years, and were subject to use ear trumpets, have after using one bottle, been made well.

Caution—All the above named articles are sold only by Comstock & Brother, 2 St. Peter's Place, directly in rear of the Astor House, between Barclay and Vesey sts.—one door from Barclay and one Block from Broadway, New York, to whom all orders must be directed, also only by Wm. Forbes and Wm. Muirhead, Chatham, Wm. Masson & Co., Geo. Wait, and M. Sargeant, Newcastle, Park & Alexander, Douglastown. And by our Agents in every town in New Brunswick.

HAMPDEN, Feb. 24, 1856.

Messrs. J. Curtis, J. & Co.—Gentlemen,

I have a word to say to you, in favor of HUNTER'S COUGH SYRUP. I have the last year used in my practice two dozen bottles of it which I had of you, and every bottle has done good. For eight years past I have been in the practice of medicine, and I have never found anything so well calculated to operate so favorably in all diseases of the lungs as that is. I have known a hard, distressing cough, cured in forty-eight hours, by using (in broken doses) one bottle of it. One case here in particular, of a man who was thought to have a seated consumption, troubled with a hard, distressing cough. I let him have one bottle, and he had two more of your agent, Mr White, and after using the three bottles, he has become well, and now labours every day. He told me lately, that Hunter's Cough Syrup was the means and only means of his cure. I have given it to infants, to children, to adults, and have the pleasure to inform you that it has done good in every case. You need not hesitate to recommend it for a cough, and also all diseases of the lungs. I shall do all in my power to recommend it in the cases above named, not wholly for your benefit, but for the benefit of suffering humanity.

Yours truly, BENJAMIN L. POMROY.

THE SCHOOLMASTER.

A NEW MONTHLY HALF-DOLLAR MAGAZINE, Devoted to Practical Education—For Fireside and Wayside.

The Schoolmaster, a new monthly magazine of USEFUL INFORMATION, is published on the first of each month, at No. 40 Ann Street, New York. It contains 16 quarto pages, printed on a superior quality of paper, at 50 cents per annum, in advance—11 copies for \$5.00; 26 copies \$9; 50 copies \$15; 100 copies \$25.

THE SCHOOLMASTER, will embrace in its MATTER and MECHANICAL EXECUTION several features, peculiarly its own. It has two-fold purpose—1st. To promote the interest of Universal Education, by encouraging and extending the system of Free Schools. 2nd. To supply the Fireside and Wayside reader with entertaining, instructive and useful reading, worthy of preservation, and which shall form a part of the mental furniture of its readers—to awaken a desire for the acquisition of science, and inspire a spirit for self-improvement, physically, mentally and morally, and to furnish when awakened, such "food for thought" as shall develop the WHOLE MAN, refine and elevate him in the scale of being.

To accomplish this object the SCHOOLMASTER will contain a variety of original and carefully selected matter, on the principles, means and end of Education and educational institutions—its advantage and benefits to individuals and nations—the duty of enlightened legislation on the subject. It will also contain a department, in which practical and experienced educators will discuss the best method of imparting instruction, in the school room or family circle. The SCHOOLMASTER will aid in shielding from merciless attacks all those institutions of learning which the "Father of his country" referred to in his farewell address to the American people, when he said:—"Promote as an object of primary importance institutions for the general diffusion of useful knowledge." Great care will be taken that

"Not one immoral, one corrupt thought shall ever appear on its pages. It will be strictly an educational magazine—a physical, mental and moral educator for Universal Circulation—an encyclopedia of valuable information for all classes of Readers—matter gathered and garnered from intellectual storehouses.

Its patrons will find in its ample pages Scientific Items, Literary Gems, Curiosities of Art, Relics of the Past, Pearls, Diamond Dust and Gold Sands, Facts for the Curious, Curiosities from Antiquarian Cabinets, Biographical Sketches, showing that "the proper study of mankind is man;" Dew-drops of Wisdom, Rare Readings, Hints for the Home Circle, and the events of the age, carefully collected, culled and collated from sources which from their expense, are not accessible, and are as "sealed fountains of living waters" to thousands of readers.

Believing as we do that a publication of the kind we propose to make the SCHOOLMASTER, is needed to counteract the influence of a vicious literature which too often blights and scathes the souls of its too willing readers, we cheerfully send the SCHOOLMASTER abroad and anticipate that the friends of education will encourage the enterprise. And although

"'Tis not in mortals to command success, We'll do more—deserve it."

35—School-teachers, Editors, Clergymen, Students, School Officers, Post masters, and all friends of practical education are respectfully requested to aid us in extending the Circulation and usefulness of the SCHOOLMASTER.

35—Editors desiring an exchange, will always secure it by notifying or copying this prospectus, and addressing their papers to the Schoolmaster, New York. N. B.—Travelling agents of good address capable of giving lectures on the subject of education, are wanted, with whom very liberal arrangements will be made—SEE TERMS.—Specimen Nos. furnished on application. Address SPAULDING & CO. 40 Ann Street, New York.

Mr Pierce, Sir—It is very natural that Mr Hutchison, after adopting the extraordinary measures which he did, upon the death of the lamented Mr Wishart, without a pressing necessity, and without the shadow of law or usage, it is very natural that he should seek to justify himself in the eyes of the public. With this view, I suppose, he caused to be published in the last Gleaner, an extract of a letter alleged to have been received by him from Scotland. I will thank you Sir, to publish also the following extract of a letter received by me per the last British mail.

WILLIAM SMITH, Newcastle, July 26, 1853.
