HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF LOSS OF HEALTH, DISORDERED STOMACH, INDIGESTION AND DETERIORATION OF BLOOD TO THE HEAD.

Copy of a Letter from Mr John Loyd, of Exeter, near Harlech, Merionethshire.

To Professor HOLLOWAY.

Sir—I avail myself of the first opportunity of informing you, that for a very long period I was afflicted with a dangerous giddiness and frequent swimings in the head, attended by loss of appetite, disordered stomach, and generally impaired health. Every means failed to give me any permanent relief, and at length it became so alarming that I was really afraid of going about without an attendant. In this melancholy condition I waited personally upon Mr Hughes, Chemist, Harlech, for the purpose of consulting him as to what I had better do; he kindly recommended your Pills, I tried them without delay, and after taking them for a short time I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper. I am Sir, your obedient Servant.

MIRACULOUS CURE OF DROPSY. Extract of a Letter from Edward Rowley, Esq., of India Walk, Tobago, dated April 8, 1852.

To Professor HOLLOWAY.

Dear Sir—I deem it a duty I owe to you and the public at large to inform you of a most miraculous recovery from that dreadful disease, Dropsy, and which, under God, was effected by your invaluable Pills. I was tapped five times within eight months, and skillfully treated by two medical practitioners, but could not get cured, until I had recourse to your remedy, and notwithstanding all I had undergone, this miraculous medicine cured me in the course of six weeks.

INFALLIBLE CURE OF A STOMACH COMPLAINT, WITH INDIGESTION AND VIOLENT HEAD-ACHES.

Extract of a Letter from Mr S. Gowen, Chemist, of Clifton, near Bristol, dated July 14th 1852.

To Professor HOLLOWAY.

Dear Sir—I am requested by a Lady named Thomas, just arrived from the West Indies, to acquaint you that for a period of eight years herself and family suffered from continual bad health, arising from disorders of the Liver and Stomach, indigestion, loss of Appetite, violent Head-aches, pains in the side, weakness and general debility, for which she consulted the most eminent men in the colony, but without any beneficial result; at last, she had recourse to your invaluable Pills, which in a very short time effected so great a change for the better, that she continued them, and the whole family were restored to health and strength. Further she desires me to say, that she has witnessed their extraordinary virtues in those incidental to children, particularly in cases of Measles and Scarlatina, having effected positive cures of these diseases with no other remedy.

Signed S. GOWEN.

A DANGEROUS LIVER COMPLAINT AND SPASMS IN THE STOMACH EFFECTUALLY CURED.

Copy of a Letter from Mr Bostock Druggist of Ashton, under Lyne, dated July 31, 1852.

To Professor HOLLOWAY.

Dear Sir—I have much pleasure in handing to you a testimonial of the efficacy of your Medicines. A person in this neighbourhood with whom I am well acquainted, was afflicted for a long time with violent spasmodic pains in the stomach and liver, arising from frequent colds, smells of paint, and the effects of a stooping position which he had blighted to assume in his business. The spasms were of an alarming character, and frequently left him in a weak and debilitated condition. At length he heard of the salutary effects of your invaluable Pills, and was induced to give them a trial. The first dose gave him considerable relief, and by following them up in accordance with your directions, they have acted so wonderfully in cleansing the liver and stomach, and strengthening the digestive organs that he has been restored to the enjoyment of good health. I am, dear Sir yours faithfully,

(Signed) WILLIAM BOSTOCK

Oriental Turkish Wine.

The great remedy for General Debility, Weakness, Loss of Appetite, Dyspepsia, Bilious Diseases, a certain preventive of Fevers, &c. &c. This WINE is the most pleasant and effectual Remedy for any of the above complaints, and for many others not mentioned, that have ever discovered. It is so agreeable to the taste that any one taking it soon prefers it to any Wine; while its action on the stomach and bowels is prompt and efficient, cleansing them thoroughly, and thus, by keeping the organ in which the basis of the blood is formed, in a healthy and pure state, necessarily keeps the blood pure and healthful. It is a stimulant to the system, unlike the alcoholic preparations, which leave the partaker in a state of prostration. THIS WINE sends a gentle and agreeable feeling through every nerve, and its tonic properties are such that it will restore the weak and debilitated to their natural STRENGTH and VIGOR. It is composed of the Pure Wine of many of the most tonic and rare Plants in the Materia Medica, the recipe for which was obtained from a celebrated Turkish "Hakim."—Physician.—and one bottle is equal to ten of any Sarsaparilla or Blood Purifier ever before known. Then give this Oriental Wine a trial: it will speak for itself better than any recommendation or certificate; and he who tries it once will never be without it, nothing can equal it as a Diet Drink in hot climates, or on Shipboard, and no traveller should be without it. Caution—Find the name of Comstock & Brother, and the Stamp of the Turkish Flag, on the label and cork of each bottle, WITHOUT THIS it cannot be genuine.

All orders should be addressed to COMSTOCK & BROTHER, No. 2 St. Peter's Place, New York.

DEAFNESS. Use Dr. LARZETTE'S ACOUSTIC OIL, for the cure of Deafness. Also all those disagreeable noises, like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching Deafness. Persons who have been deaf for twenty years, and were subject to use ear trumpets, have after using one bottle, been made well.

Caution.—All the above named articles are sold only by Comstock & Brother, 2 St. Peter's Place, directly in rear of the Astor House, between Barclay and Vesey sts., one door from Barclay and one Block from Broadway, New York, to whom all orders must be directed, also by Wm. Forbes and Wm. Muirhead, Chatham, Wm. Masson & Co. Geo. Wait, and M. Sargant, Newcastle, Park & Alexander, Douglastown. And by our Agents in every town in New Brunswick.

HAMPDEN, Feb. 24, 1846.

Messrs. J. Curtis, Jr. & Co.—Gentlemen,

I have a word to say to you, in favor of HUNTER'S COUGH SYRUP. I have the last year used in my practice two dozen bottles of it which I had of you, and every bottle has done good. For eight years past I have been in the practice of medicine, and I have never found anything so well calculated to operate so favourably in all diseases of the lungs as this. I have known a hard, distressing cough, cured in forty-eight hours, by using (in broken doses) one bottle of it. One case here in particular, of a man who was thought to have a seated consumption, troubled with a hard, distressing cough. I let him have one bottle, and he had two more of your agent, Mr. Whitmore. After using the three bottles, he has become well, and now labours every day. He told me lately, that Hunter's Cough Syrup was the means and only means of his cure. I have given it to infants, to children, to adults, and have the pleasure to inform you that it has done good in every case.

You need not hesitate to recommend it to a cough, and also all diseases of the lungs. I shall do all in my power to recommend it in the cases above named, not wholly for your benefit, but for the benefit of suffering humanity.

Yours truly,

BENJAMIN L. POMROY.
