

AGRICULTURE.

From the Hamilton Farmers' Club. USE OF GYPSUM OR PLASTER.

I have (said Mr. Wright) made no experiment with gypsum that would justify me in giving the opinion as to the quantity suitable for meadow, my practice is one barrel to two acres, sown immediately before rain, if possible, and in ordinary seasons about the 10th of May. It will be found good economy to use clover seed much more liberal than is usual; 10 or 15 lbs per acre is little enough, yet a good bottom and very little plaster will do a great deal of good, besides the immense quantity of vegetable matter easily decomposed for manure the clover will afford for the succeeding crops. On Indian corn plaster can be beneficially applied in the hill, and sown after the corn is a foot high; its effects are magical. That it adds to the yield of grain I am not prepared to say. Last year I applied it to my potatoes sown in the drills previous to covering up, and on the plants after they were above ground. The last plan did no good. I had no rotten potatoes and what remains are sound and the quality excellent. As a manure for the pea, plaster is unparalleled, but should be used with caution, and only on very poor soil, or on the short strawed varieties, as it is apt to induce a superabundance of straw. Recommended rolling the seed sets of potatoes before planting in plaster, giving each piece a coat as it were of white-wash, as a preventative of the rot Mr. Campbell had obtained success by planting alternate rows of Indian Corn and Potatoes. He took a field of eight acres, on six he planted potatoes and corn—put three rows of corn, then three rows of potatoes alternately—the two acres he put in carrots, and from the whole piece he had 1510 bushels carrots, 180 bushels of corn and 900 bushels of potatoes. He (Mr. W.) supposed that the corn sheltered the potatoes in their early stage.

Mr. Sidey generally sowed plaster when the clover was opening out, and on peas barley and oats: he sowed half a bushel to an acre of peas; of clover seed to the acre, he thought 7 or 8 lbs. enough he sowed very little plaster on peas; put plaster on Indian corn after the first hoeing; used a barrel on three acres of clover. Mr. Sutherland would sow plaster on clover just as the leaf expanded. In Baltimore where there was a light sandy soil, he heard that plaster did most good when sowed in the fall. Mr. Engleson sowed a barrel of plaster to two acres of clover first crop, did not sow after on peas, he thought it increased the crop 50 per cent.; did not sow on clover a second year, because he wanted the timothy to come up, and did not think it did much good to timothy. Mr. Masson had sown 75 barrels of plaster in one year, 1 1/2 to 3 acres, had sowed both in Spring and Fall; would sow the moment the snow was off the ground; he had tried lime and ashes, but would give the palm to plaster; he looked upon it as good for carrots and turnips.

SOAKING TURNIP SEED IN FISH OIL.

Moor's New Yorker furnishes a communication, showing how two hundred dollars were saved in one year, by means of an agricultural paper, which pointed out the remedy of fish oil against the turnip fly, and by which means a large crop was completely saved, while all others in the neighborhood were destroyed. The seed was soaked 48 hours, and then rolled in ashes.

VALUE OF CARROTS.

J. W. Lincoln, of Mass., who has for many years used the carrot largely for feeding his domestic animals including swine, and who has made some accurate experiments in connection therewith, is so thoroughly convinced of their value, that he had been in the practice of purchasing the surplus carrot of his neighbors at nine dollars a ton.

DESTRUCTIVE ORCHARD CATERPILLER.

N. H. Noyes of Otsego, N. Y. inquires for remedy for the destructive caterpillar which stripped orchards of their leaves last summer, so generally, in large portions of Otsego and Cayuga counties. As this differs from the common orchard caterpillar in having no nests, it cannot be easily destroyed in a wholesale manner and we do not know of any practicable and effectual remedy. We do not possess any other material information in relation to it than was given in the Cultivator for August last. More than 20 years ago it stripped the forests in some parts of Cayuga county but soon after disappeared, except in small numbers, until its formidable re-appearance last year.

A MODEL FARMER.

A correspondent of the Ohio Cultivator says, "While at the east a year ago, I met a farmer residing near Auburn, N. Y. His farm containing 40 acres was cultivated to a high degree; his house was excellent architectural taste, his yard and garden planted in good order and dressed with care his out-houses neat, his fences new and painted, and all things in admirable style, simple, yet neat and truly tasteful. I was much surprised when he informed me that he and his family worked all the work—that he did not work hard—and saved something every year.

THE VALUE OF BONES.

The American Farmer says that every 40 bushels of bones dissolved in sulphuric acid, (about 1/2 of the latter,) is equal to 200 lbs. of guano.

Never Failing Remedy!

HOLLOWAY'S OINTMENT.

A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS SUFFERING.

Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated August 20th, 1853. To Professor Holloway. Dear Sir—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills, which so astonished every person acquainted with the sufferer. About ten years ago, Mr. W. Cummins, of Saltney Street, in this town was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infirmaries, yet he grew worse, and at length a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour.

(Signed) J. THOMPSON

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.

Copy of a letter from Mr. Hill, Draper, of Keady, near Gainsboro', dated March 1st, 1853. To Professor Holloway.

Sir—Some time since, one of my children children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration the effect was miraculous, for by persevering in use, all the eruptions quickly disappeared and the child was restored to perfect health.

I previously lost a child from a similar complaint and I firmly believe had I in her case adopted your medicines she would have been saved also. I shall be happy to testify the truth of this to any enquirer.

(Signed) J. HIRD, Draper.

ANOTHER SURPRISING CURE OF A ULCERATED BAD LEG DEBILITY AND GENERAL ILL HEALTH.

Copy of a letter from Mr. J. M. Clennell, of Newcastle-on-Tyne, dated September 20th 1852.

To Professor Holloway. Dear Sir—I am authorised by Mrs Gibbon of 31, Bailey Street, in this town, to inform you that for a considerable period she had been a sufferer from debility, and general ill health, accompanied with a disordered stomach, and great derangement of the system. In addition to this she was terribly afflicted with ulcerated wounds, or running sores, in both her legs, so that she was totally incapable of doing her usual work. In this distressing condition she adopted the use of your Pills and Ointment, and she states, that in a wonderful short time, they effected a perfect cure of her legs and restored her constitution to health and strength; and that she is now able to walk about with ease and comfort. Several other persons in this neighbourhood have also received extraordinary benefit from the use of your invaluable medicines.

I remain, Dear Sir, yours faithfully, (Signed) JOHN MORTON CLENNELL

CERTAIN REMEDY FOR SCORBUTIC HUMOURS—AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE.

Copy of a Letter from Messrs Walker and Co, Chemists Bath.

To Professor Holloway.

Dear Sir—Among the numerous cures effected by the use of your valuable medicines in this neighbourhood, we may mention that of an old lady living in the Village of Preston about five miles from this city. She had ulcerated in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person she being about seventy years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter. We remain, dear Sir,

Yours faithfully, (Signed) WALKER & Co.

The Pills should be used conjointly with the Ointment in most of the following cases:

- Bad Legs, Chilblains, Fistulas, Bad Breasts, Chapped hands, Gout, Burns, Corns soft, Glandular Swellings, Bunions, Carcers, Lumbago, Bite of Mosquitoes and Contracted & stiff joints, Sand flies, Elephantiasis, Ruuma-tism, Co coab, Sore throats, Scalds, Chiegy-foot, Skin Diseases, sore nipples, Surgery, Sore heads, Tumours, Ulcers, Wounds, Yaws

JOHN BEGNALL, Newcastle, 22nd October, 1852.

Azor's Turkish Balm.

THE ONLY CERTAIN REMEDY FOR BALDNESS AND FOR PREVENTING AND STOPPING THE FALLING OUT OF THE HAIR.

As a Toilet Article, for Beautifying and keeping the Hair Soft, Glossy, and in a Healthy Condition, it is unequalled. Its positive qualities are as follows:

1st—It frees the head from dandruff, strengthens the roots, imparts health and vigour to the circulation, and prevents the hair changing colour or getting gray.

2d—It causes the hair to curl beautifully when done up in its cover night.

This Balm is made from the original receipt procured from the original Turkish Hakim (physician) of Constantinople, where it is universally used. The Turks have always been celebrated for their wonderful skill in compounding the richest perfumes and all other toilet articles. In Turkey the aromatic herbs, &c., of which this Balm is composed, are almost universally known and used for the hair. Hence a case of baldness is no head of hair is entirely unknown in that country. We wish but one trial to be made of it; that will do more to convince you of its virtues than all the advertisements that can be published, and that all may be able to test its virtues, it is put up in Large Bottles at the low price of 50 cents per bottle.

Remember the genuine has the signature of CARLTON & Brother on the splendid wrapper.

TO OWNERS OF AND DEALERS IN HORSES.

CARLTON'S FOUNDER OINTMENT. For the cure of Founder, Split Hoof, Hoof-bound Horses, and Contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Cuts, Kicks, &c. on horses.

CARLTON'S RING BONE CURE. For the cure of Ring-Bone, Blood Spavin, Bone Spavin, Windgalls, and Splint—a certain remedy.

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.

The change of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c. All of which will be prevented by giving one of these powders, and will at any time cure when any symptoms of disease appear, if used in time. They purify the blood, remove all inflammation, and fever loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretory glands, and therefore they have the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or produced by a bad state of the blood, are speedily cured by them. CAUTION—Remember and ask for CARLTON'S CONDITION POWDERS, and take no other.

CARLTON'S articles for Horses and cattle are prepared from the recipe of a very celebrated English Farrier, and will cure in ninety-nine cases out of one hundred any of the above complaints. They have been used by Farmers, Livermen stage proprietors and others with the most marked and decided success.

CAUTION—None can be genuine, unless you find the name of J. Carlton Comstock on the Wrapper of each article. Remember this, as all articles have been extensively counterfeited of late, look and find the proprietors name, J. Carlton Comstock, &c., never buy without.

CAUTION—All the above named articles are sold only by Comstock & Brother, 2 St. Peter's Place, directly in rear of the Astor House, between Barclay and Vesey sts., one door from Broadway and one block from Broadway, New York, to whom all orders must be directed, also only by Wm. Forbes and Wm. Muirhead, Chatham, Wm. Masson & Co, George Wait, and M. Sargeant, Newcastle. Park & Alexander, Douglastown. And by Agents in every town in New Brunswick.

Old Rheumatic Affections CAN BE CURED BY THE CRAMP AND PAIN KILLER.

Den. Henry Hunt was cured of NEURALGIA or SCIATIC RHEUMATISM, after having been under the care of a physician six months. The Cramp and Pain Killer was the first thing that afforded him any relief.

David Barker was cured of a RHEUMATIC PAIN IN THE KNEE, after three or four days and nights of intense suffering, by one bottle of the Cramp and Pain Killer.

T. H. Carman—suffering from Cramp in the Limbs, the cords of his legs knotting up in large bunches, was cured by the Cramp and Pain Killer, at another time a few applications entirely cured him of an exceedingly bad Rheumatic Affection in the Back.

A young lady, fifteen years of age, daughter of John W. Sherwood, was long afflicted with SPINAL COMPLAINT, after being reduced to the verge of the grave, was cured by the Cramp and Pain Killer.

John Buckman, after having suffered everything but death from Rheumatism, which rendered it impossible to move every part of the body, was cured by the Cramp and Pain Killer.

Mrs. Davis was cured by it of Bilious Cholera. A man in Portland was cured by it of Bilious Cholera when his wife was well nigh despaired of. Hund eds have been relieved by it of tooth ache, ague in the face, &c.

MRS. WINSLOW, An experienced Nurse and Female Physician, presents to the attention of Mothers, her SOOTHING SYRUP FOR CHILDREN TEETHING.

For the Nervous Affections, Convulsions, Fever, inflammation of the Bowels, &c., that attend this period of children, she recommends it as sure to produce the desired effect, giving Rest to the Mother, and Relief and Health to the infant. A child on Congress Street was cured by the Soothing Syrup, of Infantile Dysentery or Diarrhoea, after being given over by the attending Physician.

Mr. Blackman, of Eddington says, it has never failed to Cure the Dysentery or Diarrhoea in children whenever used in the village.—Lots of it is sold.

One parent informs me his child had suffered to an alarming extent with Flatulence or Wind Cholice. Lately they have used the Soothing Syrup, and it always effects a speedy cure. Hundreds of like instances might be enumerated in every town where it has been sold. Mothers try it.

Mr. Pierce, Sir—I is very natural that Mr. Hutchison, after adopting the extraordinary measures which he did, upon the death of the lamented Mr. Wishart, without a pressing necessity, and without the shadow of law or usage, it is very natural that he should seek to justify himself in the eyes of the public. With this view, I suppose, he caused to be published in the last Gleaner, an extract of a letter alleged to have been received by him from Scotland. I will thank you Sir, to publish also the following extract of a letter received by me, per the last British mail.

WILLIAM SMITH, Newcastle, July 26, 1853.

My Dear Sir, I received your letter of the 4th June, and having lost no time in making necessary inquiries relating to the Wisharts that a daughter of mine, William lives at the Gulls, des Engle-Bold, is married, and has a family. Lettie Wishart is married to one William Smith, and lives at Bayer Burroott, Canobie, and has likewise a family, this William Smith desired me to write to you to say, that as he hoped that you would see justice shown to all parties concerned in the matter. Yours truly THOMAS KERR.
