A CRIPPLE SETS ASIDE HIS CRUTCH-ES AFTER TEN YEARS SUFFER-ING.

Copy of a Letter from Mr. Thompson, Chemist. Liverpool, dated August 20th, 185.3.
To Professor Holloway,
Dear Sir—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills, which so astonished every person acquainted with the sufferer. About ten years ago, Mr W. Cummins, of Saltney Street, in this town was thrown from his horse, whereby he received every serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infarmaties, yet he grew inmate of different infirmaties, yet he grew worse, and at length a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Cintment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour.

To Professor Hollowy A.

Sir—Some time since, one of my children children was afflicted with dreadful cruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration the effect was miraculous, for by persevering in use, all the cruptions quickly disappeared and the Portledials, and the child was restored to perfect health.

I previously lost a child from a similar complaint and I firmly believe had I in her case adopted your medicines she would have been saved also. I shall be happy to testify the truth of this to any enquirer.

Condition, it is unequalled. Its positive qualities are as follows:

1st—It frees the head from daudruff, strengthens the roots, imparts health and vigour to the circulation, and prevents the hair changing colour or getting gray.

2d—It causes the hair to curl beautifully when done up in it over night.

This Balm is made from the original receipt procured from the original Turkish Makim (physician) of Constantinople, where it is uneversally used. The Turks have always been celebrated for their wonderful skill in compounding the richest perfumes and all other toilet articles. In Tarkey the aromatic herbs, &c., of which this Balm is composed, are almost uneversally known and used for the hair. Hence a case of baldness ro than head of hair is entirely unknown in that country. We wish but one-trial to be made of it; that will do more to convince you of its virtues than all the advertisements that can be published, and that all may be able to test its virtues, it is put up in Large Bottles at the low price of 50 cents per pottle.
