

The Far-famed Medicine.

HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRMED ASTHMA, AFTER FIVE YEARS SUFFERING.

The following testimonial has been sent to Professor Holloway, by a Gentleman named Middleton of Scotland Road, Liverpool.

Sir,—Your Pills have been the means under providence, of restoring me to sound health after five years of severe affliction. During the whole of this period, I suffered the most fearful attacks of Asthma frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shocked my constitution that I was unfit for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigour to the chest and digestive organs. I am, Sir, your obedient Servant, (Signed) H. MIDDLETON. Dated January 1st, 1853.

A PERMANENT CURE OF A DISEASED LIVER, OF MANY YEARS DURATION.

Copy of a Letter from Mr. Gamis, C emist, Yeovi to Professor Holloway.

Dear Sir,—In this district your Pills command more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and Bilious Complaints I may mention the following case. A lady of this town with whom I am personally acquainted, for years was a severe sufferer from disease of the Liver, and digestive organs; her medical attendant assured her that she could do nothing to relieve her sufferings, and it was not likely she could survive many months.—This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving your life. I remain, Dear Sir, yours truly. Nov. 23, 1852. (Signed) J. GAMIS.

AN ASTONISHING CURE OF CHRONIC RHEUMATISM, AFTER BEING DISCHARGED FROM THE HOSPITAL INCURABLE.

Copy of a Letter from Mr W. Moon, of the Square Winchester.

To PROFESSOR HOLLOWAY, Sir,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried every thing that was recommended, and was attended by one of the most eminent Surgeons in this town; but obtained no relief whatever, and fearing that my health would be entirely broken up, I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed, I have felt no return whatever of the complaint. I am, Sir, your obliged Servant, Oct. 8, 1852. (Signed) W. MOON.

AN EXTRAORDINARY CURE OF DROPSY, AFTER SUFFERING FOR EIGHTEEN MONTHS.

Copy of a Letter from Mr G. Briggs, Chemist, Gools, dated February 15th, 1853.

To PROFESSOR HOLLOWAY, Sir,—I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by your valuable medicines. CAPTAIN JACKSON, of this place, was afflicted with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as it were from his skin so that a daily change of apparel became necessary, notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it. I am Sir, yours respectfully, (Signed) G. BRIGGS.

These celebrated Pills are wonderfully efficacious in the following complaints:—

Ague	Female Irregularities	Retention of Urine
Asthma	Fevers of all kinds	Scorfula, or King's Evil
Bilious Complaints	Fits	Stone and Gravel
Bleaches on the Skin	Head-ache	Secondary Symptoms
Bowel Complaints	Indigestion	Tie Douleureux
Colic	Inflammation	Tumours
Constipation of the Bowels	Liver Complaints	Veneral Affections
Consumption	Lumbago	Worms of all kinds
Debility	Rheumatism	Weakness from whatever cause
Dropsy	Sore throats	
Dysentery		
Erysipelas

HAMPDEN, Feb. 24, 1845.

Messrs. J. Curtis, Jr. & Co.—Gentlemen,

I have a word to say to you, in favor of HUNTER'S COUGH SYRUP. I have the last year used in my practice two dozen bottles of it which I had of you, and every bottle has done good. For eight years past I have been in the practice of medicine, and I have never found anything so well calculated to operate so favourably in all diseases of the lungs as that is. I have known a hard, distressing cough, cured in forty-eight hours, by using (in Broken doses) one bottle of it. One case here in particular, of a man who was supposed to have a seated consumption, troubled with a hard, distressing cough I let him have one bottle, and he had two more of your agent, Mr Whitmore. After using the three Bottles, he has become well, and now labours every day. He told me lately, that Hunter's Cough syrup was the means and only means of his cure. I have given it to infants, to children, to adults and have the pleasure to inform you that it has done good in every case.

You need not hesitate to recommend it for a cough, and also all diseases of the lungs. I shall do all in my power to recommend it in the cases above named, not wholly for your benefit, but for the benefit of suffering humanity.

Yours truly,

BENJAMIN L. POMROY.

MEDICATED INHALATION.

A New Method.

A most wonderful discovery has recently been made by Dr. CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr. CURTIS'S HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the city of New York and vicinity for a few months past, ever known to man. It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession, [See certificates in hands of Agents.]

The Inhaler is worn on the breast under the linen without the least inconvenience, the heat of the body being sufficient to evaporate the fluid,—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air-cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec. 20, 1853.

For about eight years I have been severely afflicted with the Asthma; for the last two years I have suffered beyond all my powers of description; months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing and my sufferings, were so great at times, that for hours together my friend expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr. Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffocating for want of breath. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is,—TRY IT.

MARGARET EASTON.

CONSUMPTION CURED.

NEW YORK, Dec. 27th, 1853.

I came to New York in the ship Telegraph; my native place is St. John, New Brunswick; when I reached this city, my health was very poor; had a very bad cough, raised a good deal of matter, which was frequently mixed with blood; had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case consumption, and beyond the reach of medicine. I accidentally heard of Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life. Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it.
