**To the Independent Electors of the County of Restigouche.**

GENTLEMEN,  
I have been solicited by many Persons to allow myself to be nominated as a Candidate at the ensuing Election. I will openly state what are my political opinions, and if they meet with your approval, you may, if you think fit, nominate and vote for me. I shall not solicit any man's vote of interest, having no private views to gratify, and being placed in independent circumstances, I can gain nothing. If I be the object of your choice, I will serve you FEARLESSLY and FAITHFULLY; on the other hand, if I should not be accepted, I can assure you it will not cause me one moment's uneasiness.

Municipal Government, if fully carried out, would be of inestimable benefit, as you would have the local control of Road and School monies—could completely check mal-appropriation of the same—you would be spurred on to educate your children to fit them for taking a part in public matters—and thus, nurseries be formed for future members of the Legislature.

No member should have any local patronage, in the bestowal of money grants or otherwise; if he cannot get returned on his own merits, let him try at home.  
I should wish to see published annually, in minute detail, the receipts and expenditure of the Province, in short, I am for an economical management of the revenue, and should scorn being a participator in such pickings as have hitherto disgraced our Legislature proceedings.

Finally were I so inclined, the duties of my office preclude my waiting upon you, I declare my sentiments, use your own discretion. I consider that the man who ranges a County through, entreating and promising, has some private end in view; having none myself, I solicit no one. I am on most friendly terms with all those whom common report declares to be coming forward; I therefore am opposed to none; but in variety there is a better choice. I am, as respects myself, not anxious as to the result; but if elected, will, as I can, act independently, in serving both this County and the Province.

I am, Gentlemen, Yours to serve,  
CHARLES LLOYD.  
Dalhousie, June 5th, 1854.
