

The Far-famed Medicine.

HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRMED ASTHMA, AFTER FIVE YEARS SUFFERING.

The following testimonial has been sent to Professor Holloway, by a Gentleman named Middleton of Scotland Road, Liverpool.

Sir,—Your Pills have been the means under providence, of restoring me to sound health after five years of severe affliction. During the whole of that period, I suffered the most fearful attacks of Asthma frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shocked my constitution that I was unfit for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigour to the chest and digestive organs. I am, Sir, your obedient Servant, (Signed) H. MIDDLETON. Dated January 1st, 1853.

A PERMANENT CURE OF A DISEASED LIVER, OF MANY YEARS DURATION.

Copy of a Letter from Mr. Gamis, C. Emist, Yeovil, to Professor Holloway.

Dear Sir,—In this district your Pills command a more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and Bilious Complaints I may mention the following case. A lady of this town with whom I am personally acquainted, for years was a severe sufferer from disease of the Liver, and digestive organs; her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months.—This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving your life. I remain, Dear Sir, yours truly. Nov. 23, 1852. (Signed) J. GAMIS.

AN ASTONISHING CURE OF CHRONIC RHEUMATISM, AFTER BEING DISCHARGED FROM THE HOSPITAL INCURABLE.

Copy of a Letter from Mr W. Moon, of the Square Winchester, to Professor Holloway.

Sir,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried every thing that was recommended, and was attended by one of the most eminent Surgeons in this town; but obtained no relief whatever, and fearing that my health would be entirely broken up, I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed, I have felt no return whatever of the complaint. I am, Sir, your obliged Servant, Oct. 8, 1852. (Signed) W. MOON.

AN EXTRAORDINARY CURE OF DROPSY, AFTER SUFFERING FOR EIGHTEEN MONTHS.

Copy of a Letter from Mr G. Briggs, Chemist, Goole, dated February 15th, 1853.

To PROFESSOR HOLLOWAY, Sir,—I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by your valuable medicines. CAPTAIN JACKSON, of this place, was afflicted with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as it were from his skin so that a daily change of apparel became necessary, notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it. I am, Sir, yours respectfully, (Signed) G. BRIGGS.

These celebrated Pills are wonderfully efficacious in the following complaints:—

JUDSON'S CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT, FOR THE CURE OF Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION

AZOR'S Oriental Turkish Wine.

The great remedy for General Debility, Weakness, Loss of Appetite, Dyspepsia, Bilious Diseases, a certain preventive of Fevers, &c., &c. This WINE is the most pleasant and effectual Remedy for any of the above complaints, and for many others not mentioned, that has ever discovered. It is so agreeable to the taste that any one taking it soon prefers it to any Wine; while its action on the stomach and bowels is prompt and efficient, cleansing them thoroughly, and thus, by keeping the organ in which the basis of the blood is formed, in a healthy and pure state, necessarily keeps the blood pure and healthful. It is a stimulant without reaction, unlike the alcoholic preparations, which leave the patient in a state of prostration. THIS WINE sends a gentle and agreeable feeling through every nerve, and its tonic properties are such that it will restore the weak and debilitated to their natural STRENGTH and VIGOR. It is composed of the Pure Wine of many of the most tonic and rare Plants in the Materia Medica, the recipe for which was obtained from a celebrated Turkish "Hakim."—Physician,—and one bottle is equal to ten of any Sarsaparilla or Blood Purifier ever before known. Thus give this Oriental Wine a trial: it will speak for itself better than any recommendation or certificate; and he who tries it once will never be without it, nothing can equal it as a Diet Drink in hot climates, or on Shipboard, and no traveller should be without it.

Caution.—Find the name of Comstock & Brother, and the Stamp of the Turkish Flag, on the label and cork of each bottle, WITHOUT this it cannot be genuine.

All orders should be addressed to COMSTOCK & BROTHER, No. 2 St. Peter's Place, New York.

DEAFNESS.

Also all those disagreeable noises, like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching Deafness. Persons who have been deaf for twenty years, and were subject to use eartrumpets, have after using one bottle, been made well.

Caution.—All the above named articles are sold only by Comstock & Brother, 2 St. Peter's Place, directly in rear of the Astor House, between Barclay and Vesey sts., one door from Barclay and one Block from Broadway, New York, to whom all orders must be directed, also only by Wm. HAMPDEN, Feb. 24, 1846. Messrs. J. Curtis, Jr. & Co.—Gentlemen,

I have a word to say to you, in favor of HUNTER'S COUGH SYRUP. I have the last year used in my practice two dozen bottles of it which I had of you, and every bottle has done good. For eight years past I have been in the practice of medicine, and I have never found anything so well calculated to operate so favourably in all diseases of the lungs as that is. I have known a hard, distressing cough, cured in forty-eight hours, by using (in Broken doses) one bottle of it. One case here in particular, of a man who was supposed to have a seated consumption, troubled with a hard, distressing cough. I let him buy one bottle, and he had two more of your agent, Mr Whitmore. After using the three bottles, he has become well, and now labours every day. He told me lately, that Hunter's Cough Syrup was the means and only means of his cure. I have given it to infants, to children, to adults and have the pleasure to inform you that it has done good in every case.

You need not hesitate to recommend it for a cough, and also all diseases of the lungs. I shall do all in my power to recommend it in the cases above named, not wholly for your benefit, but for the benefit of suffering humanity.

Yours truly, BENJAMIN L. POMROY.

ON THE Philosophy of Marriage and the Secret Infirmities of Youth and Maturity.

WITH FIFTY COLOURED ENGRAVINGS ON STEEL. In a Sealed Envelope, price 2s. 6d., sterling.

SELF-PRESERVATION: an Analytical Investigation of the Physiology and Functions of Marriage, in all the bearings in which the important subject affects the health and happiness of man, with its disqualifications, and impediments, tracing their origin to the effects of juvenile solitary habits, youthful excess, tropical climates, or close study; followed by practical remarks, founded on twenty years experience in the treatment of impotence, nervous debility, local weakness, spermatorrhoea, syphilis, and all diseases of the urinary and generative system. Illustrated by fifty Coloured Engravings on the anatomy of the reproductive organs and their relative conditions in health and disease. By SAMUEL LA'MERT, M. D., No. 37, Bedford-square, London. Doctor of Medicine, Martiniated Member of the University of Edinburgh, Honorary Member of the London Hospital Medical Society, Licentiate of Apothecaries' Hall, London, &c.

The essential object of this treatise is to point out the fearful consequences resulting from certain habits, irregularities and excesses, which have produced more misery in youth, degradation in manhood, and premature decay at all stages of life, than perhaps any other class of disease known to modern pathologists. Its perusal is particularly recommended to persons entertaining secret doubts of their physical condition, and who are conscious of having hazarded the health, happiness and privileges to which every human being is entitled. The contents embrace the origin, effects, prevention and treatment of the deplorable catalogue of maladies connected with nervous debility exhaustion of the vital energies, prostration of mental and physical capacity, local and general weakness, acute and chronic spermatorrhoea, and their endless modifications. The treatment adopted is founded on experience gained in the most celebrated schools of medicine, and by the most eminent practitioners, both in Great Britain and Continental Europe. Every peculiarity relating to physiology, pathology, and general treatment of the diseases incidental to the generative system is clearly explained, and the means of immediate relief and ultimate cure described in detail. The professional reputation of Dr. La'Mert, who has taken the most distinguished medical and academic honours, at home and abroad, is in itself a sufficient guarantee that those who may place themselves under his care will, in every instance, meet with that delicate consideration and inviolable secrecy which are so requisite in the treatment of these cases.
