HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRM-ED ASTHMA, AFTER FIVE YEAR'S SUFFERING.

The following testimonial has been sent o Profe-ssor Holloway, by a Gentleman named Middleton of Scotland Road, Liverpool.

ef Scotland Road, Liverpool. Sir,--Your Pills have been the means under provi-dence, of restoring me to sound health after five years of severe affliction. During the whole of tha period, I suffered the most fearful attacks of Asthma requestly of several weeks' duration, attended with aviolenc cough, and continual spitting of phlegm in-termixed with blood. This so shocked my constis tution that I was unfit for any of the active dutie-of life. I was attended by some of the most emi ment medical men of this town, but they failed to give me the slightest relief. As a last remedy I tried your Pills, and in about three months they ef-teed the cough, and restored tone and vigour to the chast and digestive organs. I am, Sir, your obedichest and digestive organs. I am, Sir, your obed ent Servant, (Signed) H. MIDDLETON. Dated January 1st, 1853. obedi-

to Professor Holl, way. Dear Sir,-In this district your Pills command^e more extensive sale than any other proprietary m^e dicine before the public. As a proof of their effica-cy in Liver and Billious Complaints I may mentio-the following case. A lady of this town with whom I am personally acquainted, for years was a severe sufferer from disease of the Liver, and digestive or-gans; her medical attendant assured her that he could do nothing to relieve her sufferings, and is was not likely she could survive many months.-This announcement naturally caused great alarm among her friends and relations, and they induced her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving your life. I, remain, Dear Sir, yours truly. To PROFESSOR HOLLOWAY,

To PROFESSOR HOLLOWAY, Sir,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried every thing that was recommended, and was attended by one of the most eminent Sur-geons in this town; but obtained no relief whatever, and fearing that my health would be entirely broken ap, I was induced to go into our County Hospital, uhere I had the best medical treatment the Institu-won afforded, allof which proved ef no avail and I where I had the best medical treatment the Institu-won afforded, allof which proved of no avail, and I iame out no better than I went in. I was then ad-vised to try your pills, and by persevering with them was perfectly cured, and enabled to resume my occu pation, and although a considerable period has elaps-ed. I have felt no return whatever of the complaint. I am, Sir, your obliged Servant, Oct. 8, 1852. (Signed) W. MOON.

N EXTRAORDINARY CURE OF DROPSY, AFTER SUFFERING FOR EIGHTEEN MONTHS. AN

Copy of a Letter from Mr G. Briggs, Chemist, Goole, dated February 15th, 1853.

To PROFESSOR HOLLOWAY,

To PROFESSOR HOLLOWAY, Sir,--1 have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by your valuable medicines. Carrath Jackson, of ehis place, was afflicted with Dropsy for upwards of ighteen months, to such an extent that it caused his body and limbs to be much swolen, and water oozed as it were from his skin so that a daily change of apparel became uccessary, notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it. I am Sir, yours respectfully. (Signed) G. BRIGG.

CONSUMPTION CURED.

New York, Dec. 27th, 1853. I came to New York in the ship Telegraph; my reached this city, my health was very poor; had a very bad cough, raied a good deal of matter, which was frequently mixed with blood; bad pain in my left side, and was very weak and emaciated. My investigation pronounced my case consump-tion, and beyond the reach of medicine. I accident by heard of Dr. Cur is's Hygeana, or Inhaling Hy-gean Vaper and Coerry Syrup, and obtained a package; which i verily believe was the means of aving my life. Soon after weating the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the ardicac under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gri-dually growing better, until it entirely left me, and halor, as the use of it is rather pleasant, and believ, ing it strengthening and purifying to the longs, I tel unwilling at present to dispense with it.
