tensive chand-lier manufactory of Cornelius & Co, on Cherry Street, with infteen or twenty dwelling houses, were destrayed by fire. The factory was 132 feet by 60, and five stories high, and gave employment to 400 workmen. Loss \$200 000. Besides this more than fifty families were burned out of their dwellings.

One hundred and sixty of the compatriote of Count Boulbon have been released by Santa Anna as a mark of esteem to Louis Napoleon.

Five civil Judges have been suspended from office in consequence of making disrespectful communications to the President.

The Plague was making great ravages in the interior cities.

Mexico and Vera-Cruz, have voted almost nanimously for Santa Anna for President. EUROPE.

The Danube .- A letter from Ibraila, Nov. 15, says, the Russians have been driven out of the Dibrudscha; the 3d regiment of the Imperial (Ottoman) Guards and the boshi-bazouka, under the command of his Excellency Hadjee.

Ali Pacha and Col. Achmed Bey, defeated the Don Cossacks and Greek volunteers in same brilliant actions on the heights of Therna, and drove them back to Isakicha, where the Russians re-crossed the bridge and broke

Babadagh, Tultscha, and Matshin are in

the hands of the Ottoman troops.

Marshal Achmed Pacha, commanding inchief the Sultan's troops occupying the two banks of the Danube and those of the Sereth

has established his head-quarters at Ibraila.

The scene of hostilities is beneaforth shifted to Bassarabia, where the Russians are preparing to make resistance; but they will have to keep a line of at least 50 leagues, which they are said to be sattering their forces. they can only do by scattering their forces.

Mehammed Pacha, the Turkish ex-Minis-

ter of Marine, has been banished from Tur-

The departure of the British fleet from Kiel had been further postponed until the 4th of December.

Holloways's Pills .- Among the idle Medicaments of the day, the name of which cause the ear to nausea, we would not include Holloway's Pills, celebrated here and in Europe, for their wonderful curative properties. A sound discrimination has taughtus that their reputation is not epheral, but a solid substantial one, bassed upon a long and useful exis-tial one, bassed upon a long and useful exis-tive discerning. They are met with in every portion of the civilized Globe, and in every spot their virtues are a luded to with grateful enthusiasm that well endorses their capacity and virtues. They are not merely designed for a special complaint, but are depuratives by remving from the system elements of disease thus operating in an extraordinary manner in most all disorders to which human nature is subject. - New York True National Democrat.
