The Secret Infirmities of Youth and Maturity.

Just published, Price 2s. sterling, free by Post from the author only, for 30 Stamps.

NERVOUS DEBILITY: its Causes, Symptoms, and cure: an Essay of Spermatorrhoe, with Practical Observations on a safer and more successful mode of treatment of the Diseases of the General System, obtained by the use of the Microscope in detecting and distinguishing, by Urinary Examination, the real cause and effect of every variety of complaint, whether arising from solitary habits, excess, accident, or climate—to which are added commentaries on the Physiology of Marriage, with precautionary hints on the evils emanating from empirical practice, and on the dangerous remedies advocated by various writers on these important disorders.

BY S. LA'MERT M. D.,

37, BEDFORD SQUARE, LONDON,

Matriculated Member of the University of Edinburgh, Honorary Member of the London Hospital Medical Society, Licentiate of Apothecaries' Hall London, &c., &c.

The essential object of this treatise is to point out the fearful consequences resulting from certain habits, irregularities and excesses, which have produced more misery in Youth, degeneration in Manhood, and premature decay at all stages of Life, than, perhaps, any other class or disease known to modern philosophers. Its perusal is particularly recommended to persons entertaining secret doubts of their physical condition, and who are conscious of having hazarded the health, happiness, and privileges to which every human being is entitled.

It is absolutely necessary that all men should know that there are principles of personal management which cannot be violated without incurring grievous penalties, and when wisdom and regret succeed the heyday of inconsiderate self-indulgence, how these penalties may be mitigated, how the sting of their bitterness may be removed, and how the evil and its consequences may be avoided, and, above all, that there is scarcely any degree of physical infirmity or functional derangement to which the timely aid of science cannot apply a cure.

This work may be had in St. John, N. B., of Messrs. H. CHUBB & Co. Price 2s. sterling.

Very Important Information.

Dr. Jones, one of the most celebrated Physicians in New York, writes as follows:—

Dr. Curtis—Dear Sir:—Having witnessed the excellent effects of your HYGEANA or INHALING HYGEANA VAPOR AND CHERRY SYRUP, in a case of chronic Bronchitis, and being much in favor of counter-irritation in affections of the throat, bronchial tubes and lungs, I can cheerfully recommend your Medicated Apparatus as being the most convenient and effectual mode of applying anything of the kind I have ever seen. No doubt thousands of persons may be relieved, and many cured, by using your remedies.

You are at liberty to use this in any way you may think proper.

Respectfully, yours, &c.,

C. JOHNS, M. D.,

No. 609 Foulton Street, New York

Prof. S. Center writes as follows:— Gentlemen,—I have recently had occasion to test your Cherry Syrup and Hygean Vapor in a case of chronic sore throat, that has refused to yield to other forms of treatment, and the result has satisfied me that, whatever may be the composition of your preparation, it is no imposition, but an excellent remedy. I wish for the sake of the afflicted, that it might be brought within the reach of all.

Rev. Dr. Cheever writes:— Dear Sir,—I think highly of Dr. Curtis's Hygean as a remedy in diseases of the throat and Lungs.—Having had some opportunity to test its efficiency, I am convinced that it is a most excellent medicine, both the syrup and the inhaling application to the chest.

The Hygeana is for sale at Chatham by Wm. Forbes, by the dozen or single package, see advertisement of Medicated Inhalation in another column.
