No. 3.

THE MOST PERFECT PILLS IN USE.

And the only Pills that possess any new medical properties, or Regulating Powers, that have been discovered during the present century.

PILLS. We beg to call the attention of the public to onr We beg to call the attention of the public to our third great discovery in medicine—"RADWAY'S REGULATORS," in the form of Pills. We claim that Radway's Regulators possess virtues that all other pills, in general use are deficient. That they insure to the user, or invalid, superior advantages, which cannot be obtained from any other pills in the. If our Pills, known by the name of Radway's Regula-tors, did not possess superior curative powers, to all other pills, and if the Public, by taking our Pills, wore not going to receive superior benefits, or de-rive advantages which the taking of other pills would not afford them, it would be folly in us to in-treduce our Pills to the people; we should only have our labour for our pains, and losses for our invest-ments.

our labour for our pains, and losses for our invest-ments. We therefore claim, that Radway's Regulators possess many superior virtues that all other pills in general use lack, and this the patient will discover, by taking a single dose. There are no pills in use that are so quick in action, so plensant to take, so mild in their operation, so effectual in performing their duties, so powerful in ridding the system from disease, so faithful in regulating each and every or-gan in the whole system to so healthy, natural and so harmonious an action, as Radway's Regulators. They regulate the Heart, the Liver, the Bowels, the Skin, the Kidneys, the Pancreas, the Nerves, and all other organs and viscers of the Body, to a natural and healthy action. They not only Punce BUT THEY REGULATE. Their influence extends over the whole body-not confined to merely the Bowels-every part of the system feels their health-giving influence-and disease, whereever it may be seated, is eradicted, and quickly cast out of the body.

For whatever complaint they are used, thay act for whatever complaint they are used, thay act fully and pleasant—no griping, no sickness at stomach, no sinking pains, no bad dreams, no weak-ness or lassitude, no leaving of the bowels costive after they have operated, follows the use of Radway's Bargalater

They insure to all who take them a good night's rest, and a pleasant discharge from the bowels in morning.

THE WEAK GROW STRONG.

THE WEAK GROW STRONG. The first dose of Radway's Regulators sowe the seeds of health in the sick and diseased system ; every day the patient will gain strength. The sick become healthy, and the feeble strong ; every or-gan in the deceased body is resusciated with new life and/vigor, and health and regularity will reign throughout the whole system. The liver will be regular in scoreting tile, the skin regular in its functions, the heart regular in its beatings, the pulse regular in its motions, and the bowels regu-lar, at a regular hour, is di charging their contents. Lot all who have cocasion to take physic take as does of Radways Regulators. If your system is out of order, two or three of Radway's Regulators will put your system in perfect order.

AS A FAMILY PHYSIC.

AS A FAMILY PHYSIC. Radwpy's Regulators are the most safe and reli-able pills in use, and will care effectively and quick -costiveness, indigestion, inflammation of the bowels. dyspopsia, liver compisint : diseases of the heart, kidneys, bladders ; womb difficulties, and all female complaints ; all urinary difficulties. When-ever the system is out of order, a dose of Radway's Regulators will restore it to order health and re-gularity. RADWAY & CO
