No. 3.

R. R. REGULATORS, No. 3.

A new principle in Medicine, never before known or possessed by any Purgative, Cathartic, or Antibilious Pills in use. Let all who have ever taken Pills read and investigate the Theory on which Radway's Regulators are founded.

THE MOST PERFECT PILLS IN USE.

And the only Pills that possess any new medical properties, or Regulating Powers, that have been discovered during the present century.

PILLS.

We beg to call the attention of the public to our third great discovery in medicine—"RADWAY'S REGULATORS," in the form of Pills. We claim that Radway's Regulators possess virtues that all other pills, in general use are deficient. That they insure to the user, or invalid, superior advantages, which cannot be obtained from any other pills in use. If our Pills, known by the name of Radway's Regulators, did not possess superior curative powers, to all other pills, and if the Public, by taking our Pills, were not going to receive superior benefits, or derive advantages which the taking of other pills would not afford them, it would be folly in us to introduce our Pills to the people; we should only have our labour for our pains, and losses for our investments.

We therefore claim, that Radway's Regulators possess many superior virtues that all other pills in general use lack, and this the patient will discover, by taking a single dose. There are no pills in use that are so quick in action, so pleasant to take, so mild in their operation, so effectual in performing their duties, so powerful in ridding the system from disease, so faithful in regulating each and every organ in the whole system to so healthy, natural and so harmonious an action, as Radway's Regulators. They regulate the Heart, the Liver, the Bowels, the Skin, the Kidneys, the Pancreas, the Nerves, and all other organs and viscera of the Body, to a natural and healthy action. They not only PURGE BUT THEY REGULATE. Their influence extends over the whole body—not confined to merely the Bowels—every part of the system feels their health-giving influence—and disease, wherever it may be seated, is eradicated, and quickly cast out of the body.

For whatever complaint they are used, they act quick and pleasant—no griping, no sickness at stomach, no sinking pains, no bad dreams, no weakness or lassitude, no leaving of the bowels costive after they have operated, follows the use of Radway's Regulators.

They insure to all who take them a good night's rest, and a pleasant discharge from the bowels in morning.

THE WEAK GROW STRONG.

The first dose of Radway's Regulators sows the seeds of health in the sick and diseased system; every day the patient will gain strength. The sick become healthy, and the feeble strong; every organ in the diseased body is reconstituted with new life and vigor, and health and regularity will reign throughout the whole system. The liver will be regular in secreting bile, the skin regular in its functions, the heart regular in its beatings, the pulse regular in its motions, and the bowels regular, at a regular hour, in discharging their contents. Let all who have occasion to take physic take a dose of Radway's Regulators. If your system is out of order, two or three of Radway's Regulators will put your system in perfect order.

AS A FAMILY PHYSIC.

Radway's Regulators are the most safe and reliable pills in use, and will cure effectively and quickly—costiveness, indigestion, inflammation of the bowels, dyspepsia, liver complaint; diseases of the heart, kidneys, bladder; womb difficulties, and all female complaints; all urinary difficulties. Whenever the system is out of order, a dose of Radway's Regulators will restore it to order, health and regularity.

The Secret Infirmities of Youth and Maturity.

Just published, Price 2s. sterling, free by Post from the author only, for 30 Stamps.

NERVOUS DEBILITY: its Causes, Symptoms, and cure: an Essay of Spermatorrhoea, with Practical Observations on a safer and more successful mode of treatment of the Diseases of the General System, obtained by the use of the Microscope in detecting and distinguishing, by Urinary Examination, the real cause and effect of every variety of complaint, whether arising from solitary habits excess, accident, or climate—to which are added commentaries on the Physiology of Marriage, with precautionary hints on the evils emanating from empirical practice, and on the dangerous remedies advocated by various writers on these important disorders.

BY S. LA'MERT M. D.,
37, BEDFORD SQUARE, LONDON,
M.D. Member of the University of Edinburgh, Honorary Member of the London Hospital Medical Society, Licentiate of Apothecaries' Hall London, &c., &c.

The essential object of this treatise is to point out the fearful consequences resulting from certain habits, irregularities and excesses, which have produced more misery in Youth, degeneration in Manhood, and premature decay at all stages of Life, than, perhaps, any other class or disease known to modern philosophers. Its perusal is particularly recommended to persons entertaining secret doubts of their physical condition, and who are conscious of having hazarded the health, happiness, and privileges to which every human being is entitled. It is absolutely necessary that all men should know that there are principles of personal management which cannot be violated without incurring grievous penalties, and when wisdom and regret succeed the heyday of inconsiderate self-indulgence, how these penalties may be mitigated, how the sting of their bitterness may be removed, and how the evil and its consequences may be avoided, and, above all, that there is scarcely any degree of physical infirmity or function, derangement to which the timely aid of science cannot apply a cure. This work may be had in St. John, N. B., of Messrs. H. CHUBB & Co. Price 2s. sterling.
