Extracts from the Journals. Fredericton, 24th February.

On motion of Mr Cutler, itesolved, that the petition of L. P. W. Desbriszy, for a grant to compensate him for running a stramer between Shediac and Charlottetown, Prince Edward Island, and Pictou, in Nova Scotia, the past season, and which was presented to the House on the 14th day of Pebraary last, and ordered to ite on the table, be now ceferred to the committee of supply On motion of Mr Cutler, Resolved, that the pe-

On motion of Mr Boyd. Whereas the practice of granting money for the support of denominational or private schools has caused great dissatisfaction throughout the Province, and the moneys so granted are those of the whole people and not of any sectarian or denominational portion of them; therefore resolved, that in future the House will not make any fur her provisions in aid of or for the support of any denominational school, academy or college—Whereupon Mr End moved the previous question—that the question for the resolution be now put.—Upon the question, the House divided—Yeas S—Nays 17. And it was thereupon decided in the negative:

Read a third time as engressed, a bill dividing the parish of Saumares, in the County of Gloucester into two separate parishes. Resolved that the bill

The petition of Charles Lloyd, of Dalhousie, praying a grant for gauging and weighing dutiable articles at that port the past year. The deputy treasury certifies the correctness of the claim, and it is recommended that £4 16s be granted him.

The petition of the Justices of the Peace for the County of Northumberland, praying legislative aid towards the crection of a steam ferry boat on the Miramichi River, between Newcastle and Chatham, on the great road of communication: your committee recommend a special appropriation for this service from the moneys to be appropriated for road services, and that the sum of £60 per annum, for a period of five years, be granted to the Justices of the Peace for the County of Northumberland, upon their certifying to the government that a good and sufficient steamer has been running on the ferry during open water, at the expiration of each year, to entitle the party to receive the same.

cient steamer has been running on the ferry during open water, at the expiration of each year, to entit the pearty to receive the same.

The netition of Martin Cranny, gauger and weigher, at Chatham, Miremichi, praying a grant for his services in that capacity the past year; it is recommended that a grant for £35 17 6 pass to him.

The petition of William Napier, gauger and weigher at Bathurst, praying a grant for his services in that capacity the past year: It is recommended that \$8\$ be granted him.

The petition of John Townley, lately clerk in the deputy treasurer's office, Miramichi, praying remunication for extra duty performed by him, by reason of the increase of Revenue collected at that portagour committee consider the claim of Mr Townley centified to consideration, and they recommend that a grant be made to him of £50 in full.

The petition of William J. Fraser and Company, Miramichi, praying that a grant may pass to enable them to run a packet between Chatham, Badeque and Charlottetown, Prince Edward Island. This no doubt would be of great convenience for passengers, and grants heretofore have been made for similar services: your committee recommend that £50 be granted him for the next year, on the government being satisfied that he has run a vessel on the route in every way fit for the purpose, during open water.

The petition of George B. Bell, praying compensation for ferrying Her Majesty's Mails across the river Miramichi, during the last year: this petition should not have been referred to this committee: the amount asked for is £31, and they recommend that it should be taken up in supply.

BY TELEGRAPH, TO THE READING ROOM.

Fredericton, March 5. This morning after return of the members from various committees, the details of the Election bill were taken up, and the various polling places were fixed through the Province. After which Mr Street gave Province. After which Mr Street gave notice that he would divide the House on its third reading. The House next took up Mr Boyd's motion of witholding grants from Sectarian Schools and this was followed by tarian Schools, and this was followed by an amendment by Mr Copnell, which while it sustained the general principle of the motion, affirms and sustains several propositions bayend it; Opinions varied as the members fol-lowed. Connell and Boyd closed, the latter affirming that Sectarian Shools get 23,045. Vote on the amendment 5 minority, namely:—McLeod, Wilmot, Grey, Connell and Tibbits on the motion 10; minority namely:-McPherson, McLeod, Wilmot, Grey, Connell, Tibbits, Gilbert, McAdams, McPhe-

lim, and End. March 6. Mr Street moved for leave to put the sum of £500 on the supply book for the destruc-tion of Bears is certain Counties, a debate of about one hour followed. On a division, the motion was lost by a majority of 2. A bill for Incorporating the Protestant Orphan Asylum in St. John, after some debate, was passed without amendment. passed without amendment. After which a long debate arose on a bill which was brought in by Mr Wilmot, to establish Boundaries between granted and ungranted lands produced a long discussion. A bill was introduced by End for preventing plaintiffs from recovering costs who have had a tender previously of the whole amount subsequently necovered in Court, was discussed this morning, and agreed to. After the

passing of this bill which is generally approved of, the House went into supply, and some long and interesting debates took place on the subject (of the old Widows). In the Legislative Council the Revenue Bill was passed without division, and afterwards a bill of Mr Hill's, for explaining the act on Muni-

The house went into committee this mornning on a bill for the protection of Roads and Bridges, and after a long debate, progress reported. Next they went into supply, and the style of debates usual on such occasions, wasnadopted as the rights and interests on either side prompted the members. The quiet and orderly conduct of the present House has excited the admiration of several strangers, who are familiar with the routine of Legislation both in the States and Cana-

Mr Partelow brought in a bill to Incorporate the St. John Manufacturing Company also a bill to alter the period of setting of Su-preme Courts in the City and County of St. John. Mr Grey brought in a bill to authorise an assesment when a building was pullad down to prevent the spreading of fire.— House next went into supply and £400 granted for a new goal in Westmorland. Motiou of Mr McPhelim, for paying grants passed in a former session to Mr Anglin and others, and rejected in the Council lost by the following minorities, Gilmour, McAdom, Brown, Mcphelim, Price, Sutton, McNaughton, End, Steadman and Speaker. His Excellency will come down to-morrow and assent to the Revenue bill at 1 o'clock.

Dr. Jones, ene of the most celebrated Physicians in New York, writes as follows:—
Dr. Curtis—Dear Sir:—Having witnessed the excellent effects of your Hygeana or Inhaling Hygeana Varor and Cherry Syrup, in a case of chronic Bronchitis, and being much in faror of counter-irritation in affetions of the throat, bronchial tubes and lungs, I can cheerfully recommend your Medicated Apparatus as being the most convenient and effectual mode of applying anything of the kind I have ever seen. No doubt thousands of persons may be relieved, and many cured, by using your remedies.

Your are at liberty to use this in any way you may think proper.

Respectfully, yours, &c.,

Gouldemen,—I have recently and occasion to tea
your Cherry Syrup and Hygean Vapor in a case o
chronic sore throat, that has refused to yield to other
forms of treatment, and the result has satisfied me,
that, whatever may be the composition of your preparation, it is no imposition, but an excellent remedy. I wish for the sake of the afflicted, that it
might be brought within the reach of all.

Hay De Chaever writes:—

Rev. Dr. Cheever writes:—

Dear Sir.—I think highly of Dr. Curtie's Hygean as a remedy in diseases of the throat and Lurgs.—
Having had some opportunity to test its efficiency, I am convinced that it is a most excellent medicine, both the syrup and the inhaling application to the chest.
