

BY TELEGRAPH.

TO MIRAMICHI GLEANER OFFICE
New York, October 18.

Atlantic arrived at New York this morning, news not specially important.

The Allies had blown up the remainder of Sebastopol in their possession.

Large divisions of allies were threatening to attack the Russians at Baidar, and Eupatoria.

The Fleet sailed on a secret expedition, supposed Nicolaiff or Odessa.

The Russians seem determined to meet the campaign vigorously.

The Emperor was at Odessa, he has issued an encouraging address to the Russians, and will shortly be in the Crimea.

On the 27th September some Russians were defeated near Eupatoria by the French cavalry, with loss of 50 killed, 195 prisoners, and the French lost 3 killed and 25 wounded.

A collision is anticipated between the Western Powers and the King of Greece, on account of the latter's Russian propensities.

The Allies had mounted a large number of mortars at Sebastopol, preparatory to bombarding the North side.

Gertschakoff admits the loss of 500 to 1000 men for 20 days previous to the termination of the siege, but he says in conclusion, we are now free, and a new war commences.

Kars still holds out, but its provisions were nearly exhausted, it is anticipated however, that the snow will compel the Russians to retire.

The Russians had captured a Turkish conveyance at Kars, with provisions for the Garrison, with 100 horses and 300 men.

A letter from Revel estimates the Russian Marine losses in that part of the Baltic last year at 40,000 tons.

The restrictions on the importation of salt in Prussia, has been abolished.

Danish Constitution had been promulgated at Copenhagen. Prince Ferdinand having refused his signature, was dismissed from the command of Zealand.

The Revenue returns of Great Britain show an increase of nearly 8 1/2 million sterling, owing chiefly to the income tax.

Bank of England had still advanced its rates of Discount to 5 1/2 per cent.

The Africa arrived at Liverpool on Saturday.

Some commercial uneasiness in England. Consols 88 1/2.

Markets generally dull, Wheat and Flour in good demand, but with slight change in prices.
