

A MARVELLOUS REMEDY!

FOR A MARVELLOUS AGE!

Holloway's Ointment.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part.

ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence.

SORE LEGS, SORE BREASTS, WOUNDS AND ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wound ulcers, glandular swellings, and tumours.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

No. 3

R. R. REGULATORS, No. 3.

A new principle in Medicine, never before known or possessed by any Purgative, Cathartic, or Antibilious Pills in use. Let all who have ever taken Pills read and investigate the Theory on which Radway's Regulators are founded.

THE MOST PERFECT PILLS IN USE. And the only Pills that possess any new medical properties, or Regulating Powers, that have been discovered during the present century.

We beg to call the attention of the public to our third great discovery in medicine—"RADWAY'S REGULATORS," in the form of Pills. We claim that Radway's Regulators possess virtues that all other pills, in general use are deficient. That they insure to the user, or invalid, superior advantages, which cannot be obtained from any other pills in use.

We therefore claim, that Radway's Regulators possess many superior virtues that all other pills in general use lack, and this the patient will discover, by taking a single dose. There are no pills in use that are so quick in action, so pleasant to take, so mild in their operation, so effectual in performing their duties, so powerful in ridding the system from disease, so faithful in regulating each and every organ in the whole system to so healthy, natural and so harmonious an action, as Radway's Regulators.

For whatever complaint they are used, they act quick and pleasant—no griping, no sickness at stomach, no sinking pains, no bad dreams, no weakness or lassitude, no leaving of the bowels costive after they have operated, follows the use of Radway's Regulators.

They insure to all who take them a good night's rest, and a pleasant discharge from the bowels in morning.

THE WEAK & LOW STRONG. The first dose of Radway's Regulators sows the seed of health in the sick and diseased system; every day the patient will gain strength. The sick become healthy, and the feeble strong; every organ in the deceased body is resuscitated with new life and vigor, and health and regularity will reign throughout the whole system.
