

A MARVELLOUS REMEDY! FOR A MARVELLOUS AGE!

Holloway's Ointment.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part.

ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of skin, whatever form they may assume, as this Ointment.

SORE LEGS, SORE BREASTS, WOUNDS AND ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wound ulcers, glandular swellings, and tumours.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

JOHN H. ROBILLIARD.

OF ST. JOHN, NEW BRUNSWICK, SHIP BROKER.

Begs leave to offer his services to the Charterers and Deal Shippers of Miramichi, and would respectfully observe that as, in the natural course of business, Ships and Vessels in the various ports of the United States desire, prior to closing a Charter for the "North Shore," to know from him the going rates of Freight at this and the other Ports in the Bay of Fundy, he has an opportunity of securing Tonnage, and executing orders for such parties as may furnish him with particulars as to required size, &c., on favourable terms as such enquiring Vessels are transferable to any approved Port in this Province. He would also observe that he strictly limits his business to its legitimate bounds and takes no part in any speculative Charter, considering such transactions, on the part of a Broker, as decidedly incorrect.

Charterers are free of Commission on Charters. JOHN H. ROBILLIARD, Prince William Street, Street, St. John, N. B. April 1, 1856.
