

A MARVELLOUS REMEDY! FOR A MARVELLOUS AGE.

Holloway's Ointment.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part.

No remedy has ever done so much for the cure of diseases of skin, whatever form they may assume, as this Ointment. Scabby, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wound ulcers, glandular swellings, and tumours.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Table listing various ailments and their corresponding treatments with Holloway's Ointment, such as Bad Legs, Bad Breasts, Burns, etc.
