

The Medicine of the Million. PHILOSOPHY AND FACT

HOLLOWAY'S PILLS.

THE EXCITING CAUSE OF SICKNESS. The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument.

THE NATIONAL COMPLAINT. Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies.

BILIOUS AFFECTIONS. The quality and quantity of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically.

BOWEL COMPLAINTS. Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhoea, Chronic Constipation, and other diseases of these waste pipes of the system.

A WORD TO FEMALES. The local debility and irregularities which are the especial annoyances of the weaker sex, and which when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alterative.

Holloway's Pills are the best remedy known in the world for the following diseases; Asthma Debility Inward Weakness Bowel Complaint Fever and Ague Lowness of Spirits Coughs Female Complaints Piles Colds Female Complaints Piles Chest Diseases Headaches Secondary Symptoms Costiveness Indigestion Stomach Disorders Dyspepsia Influenza Venereal Affections Diarrhoea Inflammation of the Throat Dropsy Liver Complaints Stone and Gravel Worms of all kinds

Sold at the manufactories of Professor Holloway, 80 Maiden Lane, New York, and 244 Strand, London, by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 62 1/2 cents, and \$1 each.

There is a considerable saving by taking the larger sizes. N.B.—Directions for the guidance of patients in every disorder are affixed to each box.

CAUTION.—None are genuine unless the words "Holloway, New York and London," are discernible as a water-mark, in every leaf of the book of directions around each pot or box; the same may be seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines, or vending the same, knowing them to be spurious.
