These Periodicals nobly represent the three great
political parties of Great Britain—Whig, Tory,
and Radical,—but politics forms only one feature
of their character. As Organs of the most pro-
found writers on Science, Literature, Morality and
Religion, they stand, as they ever have stood, un-
rivalled in the world of letters, being considered in-
dispensable to the scholar and the professional man,
while to the intelligent reader of every class they
furnish a more correct and satisfactory record of the
current literature of the day, throughout the world,
than can be possibly obtained from any other
source.

EARLY COPIES.

The receipt of ADVANCE SHEETS from the
British publishers gives additional value to these
