

A MARVELLOUS REMEDY FOR A MARVELLOUS AGE.

Holloway's Ointment.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the kidneys, disorders of the liver, affections of the heart, inflammation of the lungs, Asthma, coughs and colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of skin, whatever form they may assume, as this Ointment. Scoury, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the Globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless number to health.

SORE LEGS, SORE BREASTS, WOUNDS AND ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sore, wound, ulcers, glandular swellings, and tumours. Professor Holloway has despatched to the east large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness, or contraction of the joints, even of 20 years standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot. Both the Ointment and Pills should be used in the following cases:—

Bad Legs	Chilblains	Fistulas
Bad Breasts	Chapped hands	Gout
Burns	Corns (Soft)	Glandular swellings
Bunions	Cancers	Lumbago
Bites of Mosquitoes & Sand-flies	Contracted and Stiff Joints	Piles
Chicago Bay	Elephantiasis	Rheumatism
Sore throats	Scurvy	Scalds
Skin-diseases	Ulcers	Sore Nipples
Tumours	Yaws	Sore-heads
		Wounds

Is. 3d., 3s. 3d., and 5s. sterling, each Pot.

There is a considerable saving by taking the large sizes.

N.B., Directions for the guidance of patients of every disorder are affixed to each Pot.

No. 3.

R. R. REGULATORS, No. 3.

A new principle in Medicine, never before known or possessed by any Purgative, Cathartic, or Antibilious Pills in use. Let all who have overtaken Pills read and investigate the Theory on which Radway's Regulators are founded.

THE MOST PERFECT PILLS IN USE.

And the only Pills that possess any new medical properties, or Regulating Powers, that have been discovered during the present century.

PILLS.

We beg to call the attention of the public to our third great discovery in medicine—"RADWAY'S REGULATORS," in the form of Pills. We claim that Radway's Regulators possess virtues that all other pills, in general use are deficient. That they insure to the user, or invalid, superior advantages, which cannot be obtained from any other pills in use. If our Pills, known by the name of Radway's Regulators, did not possess superior curative powers, to all other pills, and if the Public, by taking our Pills, were not going to receive superior benefits, or derive advantages which the taking of other pills would not afford them, it would be folly in us to introduce our Pills to the people; we should only have our labour for our pains, and losses for our investments.

We therefore claim, that Radway's Regulators possess many superior virtues that all other pills in general use lack, and this the patient will discover, by taking a single dose. There are no pills in use that are so quick in action, so pleasant to take, so mild in their operation, so effectual in performing their duties, so powerful in ridding the system from disease, so faithful in regulating each and every organ in the whole system to so healthy, natural and so harmonious an action, as Radway's Regulators. They regulate the Heart, the Liver, the Bowel, the Skin, the Kidneys, the Pancreas, the Nerves, and all other organs and viscera of the Body, to a natural and healthy action. They not only Purgate BUT THEY REGULATE. Their influence extends over the whole body—not confined to merely the Bowels—every part of the system feels their health-giving influence—and disease, wherever it may be seated, is eradicated, and quickly cast out of the body.

For whatever complaint they are used, they act quick and pleasant—no griping, no sickness at stomach, no sinking pains, no bad dreams, no weak-

ness or lassitude, no leaving of the bowels costive after they have operated, follows the use of Radway's Regulators.

They insure to all who take them a good night's rest, and a pleasant discharge from the bowels in morning.

THE WEAK GROW STRONG.

The first dose of Radway's Regulators sows the seeds of health in the sick and diseased system; every day the patient will gain strength. The sick become healthy, and the feeble strong; every organ in the deceased body is resuscitated with new life and vigor, and health and regularity will reign throughout the whole system. The liver will be regular in secreting bile, the skin regular in its functions, the heart regular in its beatings, the pulse regular in its motions, and the bowels regular, at a regular hour, in discharging their contents. Let all who have occasion to take physic take a dose of Radway's Regulators. If your system is out of order, two or three of Radway's Regulators will put your system in perfect order.
